VIVA CABRERA !

El Sr. Dr. Arturo Y. Cabrera entra en la contienda política, es candidato a la Asamblea por el Distrito Número 25.

La Capacidad del Dr. Cabrera para llevar ese puesto es manifiesta, por sus actividades y sus conocimientos, la experiencia en las muchas organizaciones a que pertenece, le dan una clara visión de los problemas de la comunidad en todos sus niveles sociales, culturales y cívicos. Sus conocimientos como educador y sus estudios sobre los problemas humanos le dan la talla indispensable del individuo que es adecuado para llevar la representación de los diferentes sectores que componen la comunidad.

El Dr. Arturo Y. Cabrera es México-Americano, nacido en California, conocido ampliamente entre los grupos y organizaciones México-Americanas con las que ha trabajado incansablemente por muchos años.

Las estadísticas acusan un 15% de población México-Americana en el Condado de Santa Clara; pero la representación de ese quince por ciento, en lo que se refiere a Gobierno, no llega ni al uno por ciento. Esta desproporción se refleja en los asuntos que tenemos que ventilar en las esferas Oficiales. Por esta razón hay la necesidad de trabajar por la candidatura del Dr. Cabrera, todos los México-Americanos debemos de aportar nuestro contingente, es necesario tener representación entre las personas que deciden asuntos que nos benefician o nos perjudican, si queremos tener representantes que se preocupen por nosotros, es a nosotros a quienes nos toca hacerlos llegar a los puestos en los que puedan servirnos y representarnos;

todos podemos ayudar en una forma o en otra, ya sea mandando alguna ayuda económica para la campaña o bien dedicando algunas horas a trabajar en el Comité, o haciendo propaganda con sus amistades.

En esta ocasión, todos los México-Americanos debemos unirnos en favor de nuestro candidato, el Dr. Arturo Y. Cabrera, Assemble man por el 25 Distrito.

El Dr. Cabrera presentó al orador Sr. Morris Skinner del U. S. Dep. of Labor Bureau of Apprenticeship & Training, quien en el transcurso de su plática, hizo saber el interés que los gobiernos Federal y Estatal así como el Municipal tienen en ayudar a los grupos minoritarios, para poder aprovechar la energía que hay en ellos y que no se ha desarrollado debidamente.

El Sr. Luis Juárez dió por terminado el agape, agradeciendo a todos los asistentes su presencia en este acto.

SAN JOSE GOALS COMMITTEE

El año de 1968 desde sus primeros días está demostrando gran actividad, se amontonan en mi mesa de trabajo invitaciones y circulares para asistir a juntas, almuerzos, cenas y conferencias de varias organizaciones, de todos los tipos que se pueda uno imaginar.

Atendiendo a la invitación del Sr. Mark E. Thomas, Chairman of San José Goals Committee, asistí a una de las dos audiencias que como parte de sus trabajos esta llevando a cabo el Committee, la noche del 17 de Enero asistí a la Sala del Concilio del edificio del City Hall, escuché a muchas personas que expusieron sus ideas y dieron sus puntos de vista que en alguna forma pueden ser benéficos para la Ciudad de San José.

Entre las personas que hicieron uso de la palabra, llamó la atención la exposición que hizo el Sr. Hugo Bayona, Director del Centro de Servicio de Santa Clara. El Sr. Bayona habló del proyecto del Centro Cultural México-Americano, que debe de construirse en San José, para guardar su tradición Hispano-Mexicana y conservar la herencia de las artes y oficios, que fueron los cimientos en que descansa la actual estructura de San José.

El Arquitecto Sr. George T. Rockrise, Consejero del Departamento de Desarrollo Urbano en Washington, D.C. hizo el siguiente comentario. "Este es el Momento en que ustedes abandonan la búsqueda de cantidad y empiezan a buscar calidad".

Una observación que me pareció oportuna fue: que habiendo tantas personas Mexicanas y México-Americanas, con grandes problemas y con magníficas ideas para el mejoramiento de San José en diferentes aspectos, solamente una de las personas hizo acto de presencia ante el Comité, lógico parece que si la población México-Americana representa el 15% de la población, se supone que en la audición debería haber el mismo porcentaje de representación, pero no fue así, sin embargo la sólida actuación del Sr. Bayona, cubrió la representación de nuestro grupo étnico.

SOUTH COUNTY POOR ARISE TO REMEDY NEEDS

On Tuesday morning, January 30, 1968, at 11:30 a.m., approximately 150 concerned, low-income individuals from South Santa Clara County, lead by the organization, Mexico-Americanos Unidos Por El Progreso, appeared before the County Board of Supervisors to urge them to set up a comprehensive Medical Clinic in the South County. So that it may easily be accessible to all those who need medical service in South County, the South County Office Building in San Martin, which over the past three years has housed the Migrant Clinic, sponsored by the Santa Clara County Medical Society.

The people will also ask for bus service to and from the Santa Clara Valley Medical Facility for residents of Coyote, Morgan Hill, San Martin, and Gilroy. This bus service would temporarily alleviate the medical needs of the people of the South County until a full time clinic is established.

DR. JOHN DE HERAS

President
Mexican - American
Civic Council

The residents of San Jose who are of Mexican descent or origin can look forward to a more positive and rewarding future. For their children and young teenagers because of the sincere interest of the community in them we have some notable examples of our peoples' gains but there are some areas of activity that should motivate us to look and think seriously about the future of our own ethnic group in San Jose.

As part of the community and City of San Jose, we will be called upon to help support several programs that are not tax supported by any Government Agency. The Mexican-Americans of San Jose and the Santa Clara County will have an opportunity to prove that they too, realize that the future of our City and its residents lies in our youth. We are being given an opportunity to evaluate and weigh realistic facts that have relevant value in helping keep our children in the right perspective and outlook that gives them the motivation to finish school, to educate themselves and to assimilate themselves in activities of the total community effort and not just a secluded and isolated area. It will give them the needs as described in a saying that states in a few words, that which they will need to succeed in life and I quote, "God grant me the serenity to accept the things I cannot change: Courage to change the things I can and wisdom to know the difference". Among the programs are the following:

The Santa Clara County Council of Boy Scouts is beginning an enrollment program to increase the number of Boy Scouts of Mexican Heritage in the Eastside this will mean the formation of new cub and boy scout troops and the need for

men to enlist as Troop Scout Masters, men that will help organize the boys into Scout Units and on week-ends, go on camping trips with his scouts. It will require the community of Mexican-Americans to help financially too, since the organization is self supporting and helps itself by raising funds in many ways. The Santa Clara County Council of Boy Scouts is looking for a college man of 21 years of age or in that age group to take over as director of the Sierra District Area which is the East San Jose. He will be involved directly with boys of Mexican background since this project is primarily for this purpose. Several years ago the Santa Clara County Council of Boy Scouts started the first of these programs and as a member of the Executive Board I had the pleasure of helping work on this project and in the selection of a Mexican American Director for the Eastside. It is hoped that when this Scout Drive begins very soon, that you who are fathers or men who are interested in giving young boys a chance to get ahead in life, volunteer to help.

Another large organization, the YMCA, is going to make every effort to try and raise \$2,500,000.00 to help finance three branches, namely the Eastside, the Southwest and the Northwest as well as to enlarge the Central Downtown Branch. Serving as a chairman of the site committee last year and on the Board of Managers, I have seen the wonderful work the YMCA has done with youth as well as grown men, not only by helping them improve their physical being but their mental outlook on life. In each of these three areas there have been committees set up and I can assure you that many of our people who have enjoyed the benefits of the "Y", will attest to its values. We are going to be asked to help support financially their programs to make possible a better way of life for our young people.

In the area of youth, too many times we forget those who are disabled. And particularly the blind. It is notable

that many organizations give away baskets of food at Christmas to the very poor but the need for continuous and helpful programs that are orientated to make the handicapped self supporting and independent are far and few. It is commendable that we have scholarship programs for students at college who are normal in every way and that we have work or job training for the unskilled. However, the need to help train the blind or to conserve eyesight is indeed left to self supporting institutions and organizations. Among the large and world wide service clubs and organizations, Lions International stands out in this field, for its "Basic" service is to the blind and youth and the sight conservation programs. Here in San Jose the Mexican-American Lions Club has spearheaded this program among our own peoples during the past four years. It has raised thousands of dollars by their white cane drives for the blind, standing in large shopping centers as well as city streets to ask the public to donate for this cause. It has sponsored dances, parties, and other projects for the express purpose of helping the blind or youth. The Mexican-American Lions Club is small in comparison to many other service clubs but it has made possible the issuance of many pairs of glasses to many needy children; it has helped pay for their examinations as well as help by giving funds for youth projects such as school in desperate and poverty stricken areas and many other allied fields. This Lions Club of Mexican-Americans has undertaken another very heavy obligation and endeavor to further help the blind to a more productive way of life than that of being dependent of public relief and aid. The Mexican American Lions have underwritten the Mobile Blind Training Program that helps the blind to be able to overcome the most frightening part of their fight with life: walking alone in the streets. The amount that will be donated by the Mexican American Lions will be \$1,250.00 and will be entirely raised by their own efforts. On April 6 and 7, 1968, they will show a film "Bethlehem to Calvary" depicting

the life of Christ and his parents and which is completely non-denominational at Mc Cabe Hall here in San Jose. The film will run three hours; has motion picture stars who, because they donated their talents, cannot be made public. It took five years in the process of filming. To date, the response from the public has been very gratifying in buying tickets because they realize that the money donated thru a ticket purchase will make it possible for some blind teenager to walk out in the City's street, find work and be self supporting. Again, you will have another opportunity to help some one become independent and a productive citizen. To this end, the funds will go to make possible the payment of this Mobile Training Program. Incidentally, sometime blindfold yourself, and walk out of the house and onto the street .. you will know how much the word "Fear" is and what these handicapped students go thru.

Space does not permit further explanation of more projects. Remember, anyone can lie down and call it quits but it takes fortitude and "Guts" to fight the world and its demands when you cannot even see what others, who can, the opportunities that lie before them every day.

Jose
Greco
Company

This season JOSE GRECO, the master of the Spanish Dance, comes to the San Jose Civic Auditorium for one performance only, Friday evening, February 16 at 8:30. He will introduce a number of new and distinguished artists to American audiences. Among these to be seen for the first time are Pepita Funez from Madrid, who has already earned the highest recognition in Europe for her exciting performances of the "Alegrías" and "Bulerías" as well as the Spanish classic and folkloric dances. She is a beautiful dancer of superb technique and personality. Amparo Lozano and Tessa Roldan will also be making their first coast-to-coast tour.

Among the new male dancers who will be seen is Pascual Olivera, equally accomplished in both ballet and Spanish dances. Juan Manuel may well be the expected show-stopper in his American debut. A Spanish dance prodigy before the age of ten, and now barely sixteen and a protégé of Mr. Greco, he will prove a sheer delight to American audiences with his exciting and fiery dancing of the "Flamenco". He has won the hearts of audiences throughout Spain with his very handsome angelic face that only thinly covers his devilish and impish qualities.

Of course, in addition to the many new artists the much celebrated Nana Lorca will again appear, as will Luis Rivera, Timo Lozano, Susana Miranda, and other dancers. Guitarists Julio de Los Reyes and Roberto Rico and Juan

Vallejo, Flamenco singer, will also perform.

Tickets are now on sale at Wendell Watkins Box Offices located in two Sherman Clay stores: Downtown - 89 S. 1st. St., San Jose, telephone: 293-6252.; 50 No. Winchester Blvd., Santa Clara, telephone: 296-7866.

AMERICAN GI FORUM San Jose Chapter 7th Annual Coronation Ball STARLIGHT BALLROOM Saturday, February 24, 1968 \$6.00 per couple

The Ladies' Auxiliary of the San Jose GI Forum, with the help of the Senior Forum, are again preparing and working hard to make their 7th Annual Coronation Ball a huge success.

Saturday, February 24th is the date to put down on your calendar. The Ball will be held at the beautiful Starlite Ballroom, 47 Notre Dame, San Jose. The Coronation itself will commence at 7 p.m. and dancing will be from 9 p.m. to 2 a.m., to the music of Connie Caudillo.

Six lovely contestants are vying for the title of Miss San Jose GI Forum. The selection of the queen will be made by a panel of judges and will be based on beauty, poise and speech.

The purpose of the Coronation Ball is to select a queen to represent the San Jose GI Forum at the Annual State Convention, this year to be held at the Claremont Hotel in Berkeley, where she will compete with other contestants from throughout California. The winner of the State Convention will represent the California GI Forum at the National Convention in August, this year to be held in Corpus Christi, Texas, where she will compete with other States. The winners are awarded scholarships, and receive gifts within their own chapters.

This year's Coronation Ball Chairman is Mrs. Ted Flores. Assisting Mrs. Flores will be Mrs. Jose Martinez, Queen, Contest; Mrs. Robert Baca, Judges; Mrs. Pete Gonzales, Tickets; Mrs. Dave Sierra, Programs; Mrs. Fred Vazquez,

Decorations, and Mrs. Daniel Campos, Publicity.

The Coronation Ball will be held in conjunction with the National Mid-Year Conference of the GI Forum which is being hosted by the San Jose Chapter on the same weekend. Our present National Queen, Miss Rosalie Renteria from San Bernardino will be a special guest and will be flown to San Jose courtesy of PSA.

For information regarding tickets, please contact any of the members of either the San Jose GI Forum or Auxiliary. Only \$6.00 per couple.

The Auxiliary is also making plans to host a reception for the National Auxiliary Chairman, Mrs. D.G. Coronado, from Crownpoint, Colorado on February 22nd and for all the other members arriving from out of State.

On February 7th the Auxiliary will finalize plans for the Coronation Ball at the home of Mrs. Daniel Campos. At the same time we will wish one of our good members 'bon voyage'. Mr. and Mrs. Joe (Jo) Lopez and sons Steven and Russell, are leaving for Buenos Aires, Argentina on February 16th. Mr. Lopez has accepted an overseas job, but will return, we hope in a year or so.

Jo, a member of the San Jose GI Forum Auxiliary has been a very active member and for the past two years was also State Treasurer of the GI Forum. We certainly hate to see a couple of very active members leave, but at the same time we envy them and wish them the best of luck.

LOS JUEGOS OLIMPICOS

Era el año 1896 y después de muchísimo tiempo volvían a celebrarse los juegos olímpicos. El Rey Jorge de Grecia, su corte y unos sesenta mil ciudadanos no sólo esperaban sino que exigían que el triunfo en la carrera de Maratón fuera de un compatriota.

La locura se apoderó del público a la llegada del primer atleta a la meta, al ver que se trataba de un místico griego que había ayunado varios días, sin adiestrarse como era debido y basando sus posibilidades de su victoria en sus oraciones; era Spyridion Louis. La alegría de los griegos llegó al paroxismo cuando los que conquistaron los lugares segundo y tercero también fueron paisanos: Basilakos y Belokas. Junto con Spyridion fueron elevados a la categoría de héroes nacionales.

El barón Pierre de Coubertin, hizo el análisis de estos primeros Juegos Olímpicos de la era moderna y llegó a la conclusión de que, pese a los errores, fueron mayores los aciertos y que podrían continuarse en forma indefinida cada cuatro años.

Desde 1897 se dedicó a organizar los siguientes que debían efectuarse en 1900 en la ciudad de París, sin sospechar que la ingratitud y el desconocimiento de los deportes por parte de individuos arrogantes, lo harían renunciar al comité organizador y sentirse defraudado en sus grandes ilusiones.

Por principio de cuentas el pueblo y el gobierno griego supusieron que los juegos olímpicos eran pertenencia suya. El origen de los mismos, los ideales que pregonaban, su resurrección, no habían tenido lugar y eran característicos de la Grecia Inmortal? Enton-

ces, sólo allí podían efectuarse con toda propiedad y no había nada que les hiciera cambiar de opinión.

El barón de Coubertin recurrió a quien era uno de sus mejores aliados, el Príncipe heredero de Grecia. El príncipe tenía una mejor visión de las cosas y comprendió que los juegos pertenecían a todo el mundo y que efectuarlos solo en Grecia conduciría a la paulatina desaparición. Por tanto aprobó el lema olímpico, ideado por Coubertin: "El éxito final exige este precio: para que su futuro iguale a su pasado en grandeza, los Juegos Olímpicos deben ser profundamente democráticos y rigurosamente internacionales". Y pese a las numerosas dificultades que hubo que vencer, se logró la supervivencia de los juegos y se demostró que servían para favorecer la fraternidad y comprensión internacional.

México, basándose en estos ideales, en Enero pasado ha inaugurado los juegos olímpicos culturales, preludio de los deportivos, devolviéndoles con ello todo el significado y grandeza que tuvieron en sus principios.

Durante todo el año y de todo el mundo concurrirán conjuntos folklóricos, sinfónicas, pianistas; habrá exposiciones de pintura, escultura, etc. Todo lo relacionado con las bellas artes estará representado.

CHRIS HENRY

Club Riviera would like to express their deepest sympathy to Mr. and Mrs. Robert Gutierrez on the death of Bob's brother, Defino Ortega, who died Saturday, January 6, 1968.

If you're in need of a good oil job and gas, be sure to go to Ben's Hancock Service Station on Monterey Road.

Weinstock - Hales will soon be closing February 3, 1968. I sure hate to see the store close and I know many other people do too. I've enjoyed working with all the employees.

Lois Brucato - You've been a great boss. It's about time you retire, you have worked hard for a long time.

Jean Pagach - One of these days you'll own Tahoe.

Lorraine Smith - Hope you'll find your new car.

Elaine Stenger - You'll make a career girl. Keep smiling.

Nita Sullivan - To another injun from another "How". Hope you never have ache's and pain's. Get well soon.

Michelle and Brenda - Lots of luck in the future.

Cora Silva - We'll miss your good cooking.

Helen Maldon - Hope you'll make it to Hawaii.

Midge Kattos - Wish I had your energy.

Audrey T. - Lots of luck in your new trailer.

Lydia, Bee and Ruby - You're a great team.

United Food Drive will be here soon - March 22nd and 24th. So you'll probably see me around selling raffle tickets, plus other clubs will be doing the their job. If you happen to run into any one of us selling the raffle tickets, buy

one for only 50¢ or 3 for \$1.00. It will go to a worthy cause, for a family that is in need of help.

Gloria Rodriguez you've done a beautiful job in your first column. Glad to have you as my partner.

Rudy B. - I generally never answer the phone that way. But you ought to have seen the expression on my face. On second thought I'm glad you didn't.

Marce Mora - You look great after your vacation in Mexico. Glad to see you back.

It is time for me to quit writing my chit-chat so Hillard Payer get your pen out and start writing cause its your turn. This guy is a busy man. He's in two bowling teams, president of our club, Food Chairman for the United Food Drive, plus work, work, work. Right Hillard?

Bye-Bye until next time.

Chris

CANDY VELIZ

There are now 26 new job openings for parking lot attendances in the City of San Jose and even though the job might be confinding you can apply but, lets hope they hire nothing but toothless people so the bit won't be so big.

The late J.F.K. would never stand for anybody hijacking one of our ships-so why should L.B.J., after all give one inch and they'll take a battle ship later. It is better to stand firm now than be sorry later.

THIS "N" THAT

Let's chalk one for Joe Guillian - se avento.

The latest addition to the Furniture Discount Staff is Raul Chapa. More on F D.H. If you want a free trip to Las Vegas come in and see me, all you have to buy is \$49.00 dollars or more and 3 days stay in Las Vegas will be paid by the Furniture Discount House, 82 E. Santa Clara St. Why not!!!

I have been critized because I don't say too many nice things about people; the fact of matter is that a lot of us are not nice. It is my opinion that this would be a hell of a magazine if all you read here was: Joe is a good boy - Mary is a good girl - Bob is a good boy - Linda is a good girl etc. Why not! Pamfila is both! And Gavachita Mary Rogers would say "Candy you are a monster". Why not!

Gama Guevara will soon be back in town and back to a married life. This time I am going to give him a bucket of tar so it will stick. Good luck to both of you and don't forget to invite me for tortillas and beans now and then.

Maria's Nite Club is really jumping now that they have "Frank and his La-

tins", playing there. There boys make real good lively music. Bailamos? Why not!!!

My good friend Tony Carvajal is in Denver University working on his P.H. D. It is our sincere hope that he succeeds. A real deserving young man. Yes indeed!

It could happen to you - so don't talk too much about a lovely young girl who will soon be having a baby out of wedlock. She is not the first nor the last. We are humans and as such we some times give in to our inner instincts. The price paid is high but such is life. One mistake can be forgiven so don't repeat it because than it is a habit. This young lady's life is all before her, lets hope that she will make the best of it. She is a friend of mine and for my part I think the world of her. Keep your head up and lots of luck.

The San Jose G.I. Forum Beauty Pageant will be at the Starlight Ballroom on Feb. 24th. Make plans to attend - its one of the social functions of the year.

The Santa Clara G.I. Forum Black and White semiformal dance will take place at the Cabaña in Palo Alto on March 16, get your bids from me.

The Club San Felipe dance of the squares is coming. Bailamos!

Sandy Vallejo lives on top of the highest hill on the East Side of San Jose so you can always tell her "Yo para arriba veo muy poco - tu para abajo no quieres mirar, Sandy, just call us PEONAS.

In this photo is with out a doubt one of the best dancing couple in the bay area. They are Tony & Maria Flores. He is affectionately called El Chapulin by all his friends. The world of luck to Mr. & Mrs. Tony and Mary Flores.
