1. Steve Lefevre introduced himself and welcomed all the committee members. He advised that Janet Rizzoli, Articulation Officer was now part of his office. He also reviewed the role of the Curriculum Committee to the Academic Planning Committee.
2. Deadlines – we had a quick review of the fall deadlines. Ellie agreed to review this at this week's Senate meeting. It was also suggested that someone review this at an upcoming Chairs meeting.
3. Election of Chairs – after some discussion and consensus, Ellie Tayag and Phil Hampton agreed to co-Chair the Curriculum Committee. Ellie will handle the petitions and APC and Phil will handle the weekly meetings.
4. Minutes. Approved as submitted. There was a short review of the Liberal Studies issue from the end of last year. Merilyn agreed to follow-up with Alex McNeill on this subject. It will also be placed on deferred items so it is not forgotten.
5. Student Petitions for Exceptions. None were discussed.
6. High School Credit for College. Janet reported that the CO's did not encourage high school classes carry college credit and that she would forward the email message from the CO.
