## Student Fees\*

Students are required to pay registration fees (as indicated in the chart on this page), course fees, and nonresident/foreign tuition. General authority governing most fees is contained in the California Education Code, Sections 89700 and 89724.

*Special notice:* An increase is anticipated for currently published fees. At this time the governor has proposed fee increases of 10 percent for undergraduate state university fees and 40 percent for graduate fees to be effective fall 2004.

## Course Fees

Course fees are provided in the "class notes" after each subject listing in the *Class Schedule* and at the following Web site: <http://my.csufresno.edu>. Fees may range from \$5 to \$200 depending on the course.

## Non-Resident and Foreign Tuition\*\*

Nonresidents and foreign students are required to pay out-of-state tuition in addition to the mandatory registration and course fees. Tuition is charged at **\$282 per unit** with no maximum unit limit. General authority of this fee may be found in the California Education Code, Section 89705.

*Special notice:* An increase is anticipated for currently published fees. At this time the governor has proposed a 20 percent fee increase above the stated non-resident fee.

Fees may be refunded only as authorized by Sections 42201 (parking fees), 41913	

(nonresident tuition), 42019 (housing charges), and 41802 (all other fees) of Title 5, *California Code of Regulations*.

A full refund may be made to a student who is unable to continue a course because of a university regulation, compulsory military service, death, or disability at any time prior to the date the student receives any academic credit for any course or courses for which he or she is registered.

\* Legal residents of California are not charged tuition. This catalog copy reflects applicable systemwide fees and nonresident tuition for both the quarter and the semester. (Fees are subject to change without notice.)

\*\* A nonresident student is any person who has not been a bona fide resident of the state of California for more than one year immediately preceding enrollment. The exact determination date may be ascertained by contacting the Admissions/Records Office.

\*\*\* The law governing the CSU provides that a student body fee may be established by student referendum with the approval of two-thirds of those students voting. The Student Body Fee was established at California State University, Fresno by student referendum on May 12, 1959. The same fee can be abolished by a similar two-thirds approval of students voting on a referendum called for by a petition signed by 10 percent of the regularly enrolled students. (*California Education Code*, Section 89300). The level of the fee is set by the chancellor. An increase in the student body fee may be approved by the chancellor only following a referendum on the fee increase approved by a majority of students voting. Student body fees support a variety of cultural and recreational programs, child care centers, and special student support programs.

\*\*\*\* Mandatory systemwide fees are waived for those individuals who qualify under the provisions of the California Education code (see section on fee waivers, page 70).
