

PREFACE

The CSUF *General Catalog* is designed to provide the prospective student with an overview of California State University, Fresno, as an institution within the CSUC system. The administrative organization, general services and facilities, counseling and enrollment procedures, degrees and credentials offered, and aids to program preparation and enrichment are described as an assist to the student in pursuing his educational goals.

Since the preparation cycle of the catalog occurs well ahead of the academic year which it covers, some adjustments in regulations, policies and curricula do occur. The student is referred to the *Schedule of Courses* as the current authority regarding courses offered, class instructors, and revisions in requirements.

Gerald Robert, of the Instructional Media Center, provided the graphic art, and handled the photography. Certain photographs appear through the courtesy of the Department of Public Affairs. This year's cover, designed around the central memorial fountain, was the work of the OSP art staff. Planning, assembling and editorial work was done under the direction of D. E. Clark, Associate Vice President for Academic Affairs, by Ruth Thornton, Editor, assisted by members of the staff.
