- If the student is requesting a Substitution of a CSU course for our Graduate Writing Requirement (GWR) and the CSU course meets their GWR, we must accept it and Chair will sign. For others, we will wait until CSUCI develops a GWR policy, and handle on a case-by-case basis.
- If a student is requesting a Substitution of a non-CSU course for the GWR, we will wait until CSUCI develops a GWR policy, and handle on a case-by-case basis.
- If a Student is requesting a Substitution for the Multi-Cultural Requirement, we will follow Category C3b (page 42-43 of Catalog).
