

Earlene Seldidge, left, and Mrs. William Phillips model costumes by Tachi Castillo of Mexico City, part of apparel shown at dinner party and fashion show for Hoo Hoo Club of National Lumbermen's Association, Riverside County division, at Indian Wells Hotel, where County lumbermen convened. Mrs. Seldidge, owner of Earlene's Sportswear Shop in Palm Desert, furnished a well-received "hoo hoo" commentary for the parade of items from her shop. Below: Virgil Pinkley, second from left, hosts a dinner party at Don the Beachcomber's. Others, from left, are Mrs. Harold Smith of Palm Desert and Winnipeg, Charles Wilbank of Palm Desert and Vancouver, Mrs. Raymond Britt of Palm Desert and Cleveland, Mr. Britt, Mr. Smith and Mrs. Wilbank.

Bob Alchian, Palm Desert jeweler, recently moved to a larger, more convenient location at 73-143 Highway 111. He is shown here putting the finishing touches on the new display frames in his store. Below: William F. Cody, Desert area architect, will be honored June 18 on his election to the College of Fellows, American Institute of Architects. Formal presentation will be made at a dinner at Washington's Sheraton Park Hotel. He received the honor for achievement in design, in which his work was judged to have notably contributed to the advancement of the profession of architecture by its distinction, individuality and mastery of the art of design. When Cody was nominated, he was required to submit 15 photographs of examples of his work. Among those submitted were Eldorado Country Club, Palm Springs Spa Hotel and Bath House and his own residence.

I believe my 35 years of experience in this golden valley entitles me to a bit of "name dropping." Names here are but a few of my respected clients with whom I have had pleasant dealings. I thank them all.
