You will find that all of our ladies here tonight are well accomplished in all areas.

00:23:46:01 - 00:24:14:11

Speaker 1

I do not envy your positions. Our scores will then be tallied by the judge, and we will then have a viewpoint for 1993 and report. And I won't take much more of your time. Let us begin the competition. This will work with each contestant modeling her gown, and I will describe her school activities and her educational goals. Then each contestant will deliver her speech.

00:24:14:14 - 00:24:26:24

Speaker 1

Our first speech will be presented by Mr. Polina Mary Rye Kennedy.

00:24:26:27 - 00:25:01:23

Speaker 1

And she is the daughter of Mr. and Mrs. Rankin. She is 17 years old and is a senior at Gunderson High School in school, and she has played junior varsity softball and was co-president of the Latino Club on her campus since 1992. In addition, she hopes to provide private music lessons to children as a means of putting herself through college.

00:25:26:25 - 00:25:38:01

Speaker 1

Ladies and gentlemen, Miss Lena Marie.

00:25:38:03 - 00:25:38:27

Unknown

Good evening, ladies and.

00:25:38:27 - 00:26:00:13

Speaker 1

Gentlemen, members of the judges. The Majesty. When it's not just if we've ever needed something of a little member of the gentleman, we just. Thank you. This much has much to. The speech I have prepared for you tonight was written in hopes of inspiring. And you need the most life has to offer is entitled successful through the marriage.

00:26:00:16 - 00:26:27:14

Speaker 1

Being a senior has been very difficult for all of us up here. I'm sure besides the many tests and long hours of studying, there's also been the decisions about college, such as which when they enter, what will they go into? And the list goes on. Besides this, I always understood the reason these aspects of living were necessary to be attained so that I can achieve the most in life and upbringing, and so that I can be successful, which I previously defined as having big houses and fast cars.

00:26:27:17 - 00:26:35:03

Speaker 1

But recently I've had a change of heart, and I've come to realize that success is not a single value based on what we've been able to achieve and possess materially.

00:26:35:05 - 00:26:39:25

Unknown

But also the happiness and the qualities that we possess within ourselves.

00:26:39:27 - 00:27:06:25

Speaker 1

Let's keep an open face. This element, I suppose, is my fiancé. So you know, he sees us in West Moscow, does not having a 100 K your job is definitely success, but there's also success in having a job where you will have a career. You work well with your boss and coworkers, your success, and having a loving relationship with your family, their success in getting along with teachers, peers, and when you interact with and these are not often what we find in textbooks.

00:27:06:27 - 00:27:32:29

Speaker 1

Instead, they're results of what we contained within our hearts. In the dictionary, success is defined as fortune. Fortune is defined as well. Wealth is defined for possessions, and possessions are not only defined as qualities. I'm sorry. Success is not only defined as having riches, but also qualities. So by definition, being successful is not only being rich, but also being, but also containing qualities.

00:27:33:04 - 00:27:54:21

Speaker 1

Qualities such as love, respect, understanding and compassion. So I challenge us all to fulfill the entire definition of success. I always continue going to school because you can never have too much knowledge and get that 100 a key in your job, but always remember to possess your qualities. Always give others respect. Be compassionate towards others, and be understanding.

00:27:54:21 - 00:28:00:10

Unknown

After all, they're all human. But above all, give love. As it is written in the Bible.

00:28:00:12 - 00:28:14:19

Speaker 1

I may have all the knowledge and all the wisdom in the world. I may have faith to move mountains, but without love I am nothing. When it's not just a gift certificate. Useless. I'm sorry, but bless you everyone. Have a wonderful.

00:28:14:19 - 00:28:21:16

Unknown

Evening.

Unknown

Thank you.

00:28:24:15 - 00:28:34:04

Speaker 1

Next. This evening we have mystic River weather open season. NATO's.

00:28:34:06 - 00:28:36:03

Unknown

Like that is the donor angel.

00:28:36:03 - 00:29:02:22

Speaker 1

And now it has a status. She is 17 years old and is a senior at Lincoln High School. In school, Rebecca has been active in sports. She's been part of the opening first team in softball and has received the Coach's Award for three consecutive years. Impressed crunching running. She's president of Mason, which stands for mathematics, Sciences and Engineering Association and of both of the Spanish and French clubs.

00:29:02:24 - 00:29:27:20

Speaker 1

She is currently a member of CSF, the California Scholarship Federation, and a PTSA, the Parent Teacher Student Association. She has also been the Cinco de Mayo a week at Lincoln High, placed first in an essay contest at San Jose State, and won first place in a district board cooking contest. All the while, Rebecca has excelled academically in her Advanced Placement coursework.

00:29:27:22 - 00:29:57:11

Speaker 1

She has been offered entrance to UC Santa Cruz, UC Davis, Cal Berkeley, University of Santa Clara, and Santa Mary's. When Rebecca finds her time, she enjoys tutoring later in adults playing softball and running, as well as running and participating in leadership activities. In five years, Rebecca hopes to obtain her degree in education from the college, which she has already accepted at Saint Mary's in Morocco.

00:29:57:13 - 00:30:18:26

Speaker 1

She would like to teach secondary level students and pursue a doctorate in English literature. When arriving towards a professorship at a major university, ladies and gentlemen, Miss Rebecca, when look at these names.

00:30:18:29 - 00:30:49:15

Speaker 1

We have many those in the titles. Member of the forum. Honorable quest. This is someone that. Tonight I wish to cover a very common topic with you love everything in the world and our daily lives revolve around different types of love, such as love for parents, spouse, or country. But there exists a very unique type of love, equally important yet seldom discussed.

00:30:49:17 - 00:31:14:06

Speaker 1

I'm referring to self love and emergency means you are a mirror image and others will view you as you yourself. It is not just about treating others as you would like to be treated. It is also about treating yourself as you would like to be treated. Respect your mind and your body if you expect others to treat you in that same manner.

00:31:14:08 - 00:31:36:00

Speaker 1

A great number of our youth is not aware of this. Disrespecting and abusing their bodies with drugs, offensive clothing and unwanted pregnancies resulting in abortion. They forget their values, moral, the way it throws them in this spot. Another special caring about your own well-being makes you more aware of your.

00:31:36:00 - 00:31:38:01

Speaker 4

Actions or get caught up in.

00:31:38:01 - 00:32:04:06

Speaker 1

This responsibilities. This section is simply not unlike when you say being concerned about yourself makes you think twice and make more intelligent choices. You have self confidence in yourself and others will also believe in you. They will put responsibilities in your hands and with that confidence you will prove to both them and yourself that there is nothing you cannot handle.

00:32:04:08 - 00:32:35:07

Speaker 1

You should be your strongest motivating force, that force that drives you towards excellence. Anyone lacking self esteem or self-love should read the powerful passage in Toni Morrison's novel beloved, where she dresses black slaves shouting love it, love your flesh, they despise. In your hands they only use tie, bind and leave. Empty your mouth. What you scream from it, they do not hear.

00:32:35:10 - 00:32:38:02

Speaker 1

Love it. The beating, beating heart.

00:32:38:02 - 00:32:45:10

Unknown

And oh my people. Moms that have yet to drop free air. And I have them too.

00:32:45:13 - 00:33:18:19

Speaker 1

Because you have got to love it. You. She goes on to emphasize that what you cannot see, you will not have. This is applicable to other diverse groups, including battered women, abused children, troubled teenagers, oppressed peoples of any race. He was the west of millions of us that gets free though he starts looking. You become an audience, you see, not lost sight of some of them being middle class.

00:33:18:19 - 00:33:40:10

Speaker 1

You do not hit the wealthy by the end. This could have been said on Twitter. I think we got scolded when that's been us. You are not the only one who benefits from self-love that affects those around you as well. It is by no means selfish or self absorbing. Rather, it is the road that leads you to give the world two very best.

00:33:40:12 - 00:34:02:15

Speaker 1

But loving yourself and discovering your own gifts, you will be sharing the God given talent. It is much easier to give happiness when you yourself are happy. Yes, the one no one. Get in and get us into Portsmouth and see what needs to happen to the others when they ask you for it.

00:34:02:18 - 00:34:37:05

Speaker 1

From junior varsity to varsity playing in both sports, and has also committed herself for three consecutive years to participating in a series of seminars for Latinas entitled Latinas for money. And I see them, as well as an, you know, youth leadership Project. And in her spare time, she reads and writes for pleasure. In addition to her athletic activities as an undergraduate, I hope to pursue a degree in biology with a minor in Ethnic Studies or Spanish.

00:34:37:07 - 00:35:04:05

Speaker 1

She then is planning on continuing her studies in medical school in five years, and Maria plans to be graduating with a Bachelor of Science in pre-med biology and anticipating her entrance to medical school. Ladies and gentlemen, Miss Anna Cunningham.

00:35:04:07 - 00:35:33:26

Speaker 1

Okay, that's enough. Domestic idealism. The invention of the chief warrant. This evening, I would like to talk about a typical role that Mexican Americans are playing in our communities. When the history of Mexicans in this country is taken into consideration, we have progressed immensely in a number of

ways. We are being recognized in education, private establishment and government as a force to be reckoned with.

00:35:33:28 - 00:35:44:25

Unknown

Today, Mexican Americans hold more influential roles in our community than ever before. However, all that has been acquired by our past forefathers is.

00:35:44:25 - 00:35:49:26

Speaker 1

In danger of being lost by my generation, even though there.

00:35:49:26 - 00:36:00:28

Unknown

Are many opportunities being offered specifically for us, that woman in America that does not take advantage of them. I have met several Mexican American adolescents.

00:36:01:00 - 00:36:06:22

Speaker 1

Who, if they wanted, could become valuable people in our society. The problem in.

00:36:06:24 - 00:36:13:17

Unknown

That they lack the will to go out and make a difference in their communities.

00:36:13:19 - 00:36:28:15

Speaker 1

How long begins at home then? The families are not. If families remain united while their children were developing in a proper environment, they would have more opportunities at becoming successful leaders. That is why it is.

00:36:28:15 - 00:36:37:08

Unknown

Important to let our children know about the responsibility that comes along with marriage. Couples need to realize that once they have children.

00:36:37:14 - 00:37:09:27

Speaker 1

They have made a commitment to help in their development. This is not exclusive to single parent families, but whatever the case may be. The first step toward self development self devaluation, begins when the process when the children and their solitude. Their solitude try to find a place to fit in. Leading them to the massive 20th mass of Hispanics.

00:37:10:00 - 00:37:15:09

Speaker 1

Youngsters begin to lose the confidence they once had and become defensive.

00:37:15:09 - 00:37:21:10

Unknown

When others try to reach out to them. That is why I want to stress the importance.

00:37:21:15 - 00:37:23:28

Speaker 1

Of providing an environment in which constant.

00:37:23:28 - 00:37:30:03

Unknown

Support, understanding and love is being offered.

00:37:30:06 - 00:37:30:24

Speaker 1

One thing we must.

00:37:30:24 - 00:37:36:13

Unknown

Keep in mind about these youngsters is that they can be organized and show discipline.

00:37:36:16 - 00:38:03:05

Speaker 1

My exposure to them has allowed me to see their skill, potential and ability to lead others. All they lack is a proper guidance that will lead them to become productive members of society. Guidance that is given by parents, teachers and associations such as the GI fa, which provides an opportunity to be proud of not only ourselves but of our parents.

00:38:03:08 - 00:38:08:29

Speaker 1

We must keep faith that we will continue to progress, because without faith, we are no longer.

00:38:08:29 - 00:38:16:19

Unknown

That person in a drama of struggle. Faith is what has kept us together and must continue to.

00:38:16:19 - 00:38:18:16

Speaker 1

Do so in order to.

00:38:18:16 - 00:38:34:29

Unknown

Be recognized as a valuable people that we have been, that we are now, and that we will continue to be tomorrow. Kardashian has went about.

00:38:35:01 - 00:38:37:15

Unknown

Making.

00:38:37:17 - 00:38:41:19

Speaker 1

Our next contestant this evening, Miss Felicia Alexis.

00:38:41:19 - 00:38:47:09

Unknown

Lopez.

00:38:47:11 - 00:38:50:17

Skills through the first three years. In the fourth.

00:40:58:06 - 00:41:24:07

Unknown

Year, things change. A new driver came in and constantly beat me. I didn't know it at the time, but he was running an illegal fuel. I had been a top contender for the first three years and then suddenly I was second because I was being beaten by more than a lap at a time. And for over a year I pondered winning.

00:41:24:10 - 00:41:52:15

Unknown

I thought I had neither the skill nor capability to win anymore. There are times in our lives when we feel that all has failed us, and we are tempted to give up. In my case, the illegal fuel was discovered and when I raced him fairly, I won and regained my self-confidence. If I had given up, I would have set a precedent in my life for quitting.

00:41:52:17 - 00:41:56:25

Unknown

As we about coming.

00:41:56:28 - 00:42:06:13

Good evening and welcome, ladies and gentlemen, members of the esteemed Jenkins and Your Majesty. Tonight, I'd like to speak to you about the unity. Latino youth today is in need of guidance. We are facing challenges in everyday life, such as drugs, teenage pregnancy, and high school dropouts.

00:44:00:24 - 00:44:31:02

Speaker 1

However, we are an intelligent race that can overcome these problems and rise to success. We need to stop and think about what our future holds for our generation and for the next generations to come. In my life and my future, I would like to envision Latinos providing the people with the resources we need as a united community, such as the American Chess one, which provides a youth with the opportunity to pursue their dreams and goals and have our churches that God is capable.

00:44:31:02 - 00:45:02:22

Speaker 1

Our beliefs and faith in God and our schools, which began skills together by coming together as one. We will have great success by believing in ourselves, in our hearts and in mind. We can succeed. We need to take the prizes bestowed upon us to move forward. We need to take a lawyer like image and discipline our minds. My aspirations are to pursue the dream that I have as a child, which is to become a child psychologist.

00:45:02:24 - 00:45:23:26

Speaker 1

In this field, I can prosper and greatly to benefit our people. I can deal with our people one on one and help them through the hardships of their lives. I have seen in many cases that our presence in this field can be extreme importance, and this field is important to me because children are the future of our society.

00:45:23:29 - 00:45:32:01

Speaker 1

In our lives, we are not always portrayed to be the best. However, we must challenge ourselves to be the best.

00:45:32:03 - 00:45:33:06

Speaker 6

For ourselves.

00:45:33:08 - 00:45:45:12

Speaker 1

Even though it is, it's obviously intense. It was thinking of who is my husband. I don't even have to know what culture it's part of one's identity. Without it, when it's not complete, your culture reflects who you are. It embodies your roots, your traditions, your morals, and your beliefs. Your culture is what makes you unique. It is what distinguishes you from others.

00:48:37:20 - 00:49:04:02

Speaker 1

It is what makes you the beautiful person you are. We, as part of a rich Mexican culture, must learn to appreciate its beauty. The Mexican culture is one that we should all be proud of. In order to keep our culture alive, we must continue to pass on our traditions to those that follow. Each day, a new generation is born, a generation that is new to our traditions.

I asked myself before writing a speech, and the answer is that our school systems don't teach that any Latinos have succeeded scholastically or artistically. But we, as I know, parents and as young adults in this world, must demand that our school systems change.

00:53:04:00 - 00:53:04:25
