Dear Mrs. Tolmach:

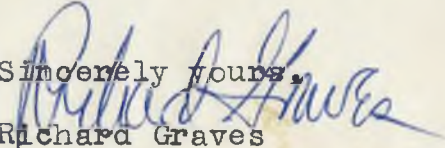

Many thanks for all your good work during the campaign. I particularly remember the delightful reception which you held at your home when Senator Kefauver was in Ventura County. I am grateful for your efforts in my behalf, and want you to know of my deep appreciation.

Even though we were not victorious, I feel that our cause was right and that the principles for which we fought will be vindicated in the years ahead.

We are all disappointed, of course, that our ticket did not win but we can be proud of the gains we have made. I hope you and I may continue to work together to achieve our common aim of making the Democratic Party not only deserving of victory but also strong enough to win.

My kindest regards to Dr. Tolmach and to your father.

Sincerely yours,

Richard Graves
