Dear Mayor Tolmach,

On behalf of the Art Club of Oxnard, I would like to thank you for taking the time to attend the 23rd Annual Festival of Art and be a part of the awards presentation ceremony. Your presence lent prestige to our annual event, which we feel was successful for both the Art Club and the citizens of the Oxnard Community.

I hope that the co-operation between the Art Club and the City of Oxnard that now exists will be continuing.

Thanks, once again.

Sincerely,

Berlyn J. Erdahl

General Chairman, Art Festival Committee
