

When you are looking back you can't see where you are going.

You can't jump into a hole. You can jump out over a hole and fall in.

Assuring someone else of your support is like scratching another persons itch.

A lie follows you like a trailer, you can't get away from it until you disconnect it by telling the truth.

Why do people ask someone to stand up? What other direction can you stand

Why do people say lay down? How else can you lay?

He acts like his brains are muscle bound.

If you do not like someone. Don't argue or talk with them. Just smile at them. It will drive them crazy trying to guess what you know about them.

If someone asks you a question that you can not answer. Just smile and say "What do you think the answer is"? Most of the time they will answer their own questions.

It is true my wife thinks I am a very responsible person. In fact she thinks I'm responsible for almost everything that goes wrong around the house.
