Mr. Dave Sierra
EL EXCENTRICO
San Jose, California

A continuación copio el párrafo que aparece en su columna del Excentrico del 20 de Junio pasado. "WRITER OF THE YEAR"

Mr. Daniel Saldaña gets my vote as the writer of the year. He turns out the best columns in the magazine by a simple method; Read Bob Rodriguez's columns of three or four issues back and translate them into Spanish. Presto!

Et Tu Translatum, Mexicano?"

No es mi costumbre contestar sandeces; en mi ya lejana niñez aprendí un adagio que dice: "El Caminante que se detiene en su camino a escuchar los ladridos de los perros, nunca llega al final de la jornada."

En este caso por tratarse de mi no debería de contestar, pero en obsequio a su inocencia mental lo hare, aunque otras muchas personas que leen lo que escribo tal vez lo hagan.

En primer lugar no se de ninguna eleccion para la cual se esten pidiendo votos; en consecuencia su gentileza al darme el voto no la necesito ni me hace falta; por la mas elemental educacion le doy las gracias.

Asegura Ud. que mi metodo para escribir es traducir del Ingles al Español y Presto! Cualquier persona que haya leído mis escritos, se da cuenta de lo falsa y torpe que es esa aseveracion y por demas ridicula.

Termina Ud. su diatriba con un latinajo a medias. Que es original suyo o lo copio?

A cambio de su voto que no le pedi, le voy a dar un consejo sin que me lo pida (ya que se trata de obsequios) Dedíquese a escribir algo de interes y constructivo, ya no escriba vaciedades que a nadie le interesan, NO SEA TONTITO. No pienso ocupar mi tiempo entablando polemicas que a nada conducen, ni dejan beneficio, por lo tanto ahorrese la molestia de contestarme.

"Et nune intelligite; erudimini qui iudicatis terram."

"Non omnia possumus omnes"

P. D. Lo que va enmarcado en comillas es copiado.

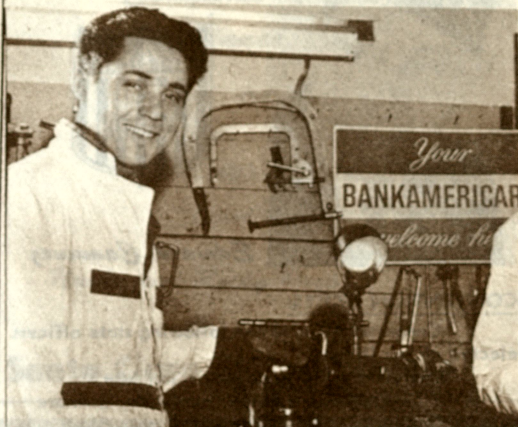

Sinceramente,
Daniel Saldaña

CLUB Elite

HELEN S. and
JOVITA M.

Ever been to the Sunday baseball games in Columbus Park? The players aren't too athletic, but its worth going just to see the clubs call each other pet names.

Jessie Castillo's latest escort is three years old. Come on Jessie we KNOW you can do better!

Rose Marie Aldrete is a newcomer to San Jose. She comes to us from Milpitas, the city of dreams.

Enrique Cadenas carrying a torch for Gloria Montanez. Too bad, but you see Gloria's heart interests are elsewhere.

Don't anybody dare say Ike Hernandez has flat feet. In our opinion he is an asset to the Spanish-speaking people.

New addition to Club Elite is Norma Espinoza. A real swinging party was had by Ken Herman. How come no invite? That's alright, we didn't really want to go, we prefer Jack Parr on T. V.

At the party Ronnie Gonzalez was cornered by two girls. Each one wanted to escort him home. That is really turning the tables!!

Candy Veliz making like Nixon in running for Chairman of the L A C of S C C. Congrats to Willie Lopez for winning the office and Richard Gomez the Vice-Presidency.

There are no sour faces when Diane Barrera is around. She can make a pessimist laugh.

Ruby Sanchez: Is It true blondes have more fun?

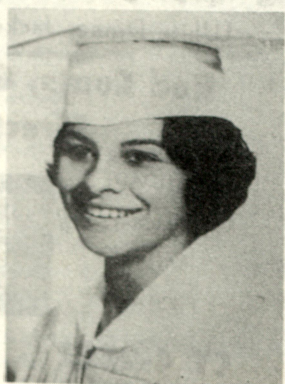

Seen in the company of a different chick every night is David Serano. Are you searching for the right one or did you already fine her and let her go?

A constant duo around town is Armida Medina and Ray Cabello. Likewise for Ray's brother, Johnny and Jenny Hernandez.

Introducing Angie Perez better known as "The Babe".

Her correspondent includes Singer Gilberto Valenzuela "El Pequeño Gigante de la Cancion Mexicana" not to mention two local Romeos she has on her little finger.

She is only 18 years old, can you imagine? What she will do at the age of 20!

Lalo Caballero claims he is the only Mexican ever to buy a Cadillac and pay cash for it. So what if it is a 1940!!!

Hank Paramo has fallen into the tender trap. He's been trying to persuade his girl Frances to stay instead of going back to Arizona. Try a little harder, say with a diamond ring!

Leading the trend in men's fashions is Jimmy Alfador.

Tony Barela debating with herself whether to go back to her hometown or stay here. You'll be breaking many a heart, Tony.

We heard David Salazar is so engrossed in sports he ignores all the girls. Drop that bowling ball and get that baseball mitt out of your face!!

San Felipe's formal is just around the corner. Now is the time to start buttering up your boyfriend to get him in a good mood.

Every time a girl gets close to Joe Varela she watches him run the 2-mile race in 50 seconds flat. Do you have a hidden hostility towards women?

George Orsua celebrating his birthday at the Clairmont Hotel in Berkeley, George really went wild on the smorasborg.

Ensenanza de Lenguas Extranjeras

Ha sido aprobada la enseñanza de lenguas extranjeras en las escuelas publicas; con esta medida nace un pequeño problema de facil solucion y este es el de conseguir el profesorado especializado que pueda cubrir esa materia; desde luego se cuenta con un numero de maestros en lenguas extranjeras, pero no es lo suficientemente extenso, por lo tanto se tendran que crear cursos especiales de capacitacion para aquellas personas que tienen los conocimientos y la habilidad de enseñar, pero que no tienen una credencial o titulo de maestros.

Tratandose de una especialidad (como la enseñanza de idiomas) sera de absoluta necesidad crear un metodo rapido que prepare a las personas aspirantes a enseñar alguna lengua extranjera y dotarlas de una credencial especial como profesores de esa lengua si a traves de un examen demuestran que la dominan.

En California predomina el Castellano (Español) sobre otras lenguas, no sera por lo tanto muy difícil encontrar personas con los conocimientos suficientes, tomando en cuenta que en todos los estados de la frontera sur de la Union hay gran cantidad de personas que hablan Castellano.

En toda la extension que cubre el Continente Americano solo se hablan tres idiomas oficialmente, estos son el Ingles en el Dominio del Canada y los Estados Unidos de Norte America; desde la Republica Mexicana hasta la Republica Argentina, que es el pais mas al sur del Continente, se habla Castellano y en esta extension solo la Republica del Brasil habla Portugues. Se hablan en el Continente todas las lenguas del mundo, pero los idiomas oficiales son el Ingles, el Castellano y el Portugues. El idioma Ingles debido al turismo americano y al intercambio comercial a base del dolar, se esta haciendo casi una Lengua Universal y no hay rincon del mundo civilizado donde al hablar Ingles no hay alguien que lo entienda.

A pesar de la extension territorial que ha alcanzado el idioma Ingles, es indispensable conocer las otras lenguas, tanto como material de estudio como agente de acercamiento hacia otros pueblos vecinos o distantes.

La resolucion tomada por el Departamento de Educacion es de un gran alcance para estimular las relaciones humanas con otras naciones, el establecer oficialmente el estudio de lenguas extranjerias es el primer paso, el segundo es habilitar el material humano indispensable para llevar a cabo el programa. Estudiando esa materia la juventud norteamericana conocera mejor las culturas de otros pueblos y podra con facilidad exponer la suya propia en el lenguaje de esos paises, abriendo asi un camino franco a la

fraternidad universal. De las escuelas saldrán los hombres y mujeres que encontrarán el camino que nos haga llegar a la paz y es conociendo la forma de expresion de otros pueblos como se pueden allanar las asperezas del camino. El estudio de lenguas extranjerias en este caso no es unicamente cultural, es mas bien un gesto de acercamiento fraternal a todos los pueblos de la tierra.

PEG TO ELECT OFFICERS

The newly formed POLITICAL EDUCATION GROUP (PEG) will elect officers this month. Surprise new members at the last meeting were Becho Gloria and Moe Cuellar. A committee composed of Jose Lopez, Fred Lucero and Sam Alvidrez recently met with Supervisor Sam Della Maggiore regarding forthcoming appointments to Boards and Commissions in the County. Mr. Sam was impressed with Becho Gloria's qualifications (he's an Aeronautical Engineer by way of Notre Dame, Stanford and Cal) and hopes to appoint him to the Airport Commission which will be formed in the near future. PEG will make the rounds to all the Supervisors to let them know we exist and to continue to present qualified Mexican Americans who are interested in serving our community. PEG's aims and purpose is to disseminate political information, to create interest in the Spanish speaking citizens of Santa Clara County in political affairs, and to encourage all citizens to participate in political activities.

Both Republicans and Democrats are welcomed to join PEG as it is not partisan to either party. More on PEG later.

THANKS TO A LOT OF WONDERFUL PEOPLE

My sincere thanks to the many GI Forum members from San Jose, Santa Clara, Union City, Tulare, Santa Barbara and other chapters who supported my candidacy to the State Chairmanship of the American GI Forum of California at the state convention in San Diego. We won and also brought home the State Treasurer Joe Lopez from Santa Clara and Mario Vasquez, State Secretary, also from Santa Clara. Mike Caro from Union City was elected State Sergeant at Arms in a big Northern California sweep. The election of Ernest Vasquez to the Region IV vice-Chairman office and the appointment of Ike Hernandez to State Executive-Secretary gives the organization a hard hitting qualified team that should take the American GI Forum in California to new heights. Well done, fellows!

On Sunday, June 23, Club Riviera had two ball games. The first one was with El Dorado. They lost that one 4 to 3. You can bet your last dollar El Dorado knew they were in a ball game. The second one was with the Bears. They won that one 7 to 6. This was another game that wasn't decided until the last out.

After the second game everyone was invited over to the Bears Club (bar) for a barbecue. Many thanks to Johnny Dallas, owner of the club and sponsor of the team. If we could all have put away as much chicken as Bob Reed we would be as plump as Hillard Payer (ha ha!)

Arte

El pobre hombre tomaba entre sus manos la vieja guitarra y se ponía a arrancar de ella extrañas melodías. Tocaba mal, a la legua se veía que no tenía escuela.

Un día, le preguntó alguien, Le agrada usted el instrumento?

Mucho, respondió.

Entonces el otro, queriendo hacer un chiste cruel le dijo: No comprende que no ha nacido para tocar la guitarra?

El ofendido no se enojó y se limitó a decirle: se que toco mal, pero no me resigno a no poner entre las sombras de mi vida una nota de poesía, de arte. ¡Pobres delos que solo viven para comer y dormir; yo, no seré artista, pero siento en mi interior la divina llama del arte.....

Esto es lo que pasa con muchas gentes. Viven una existencia vulgar, grosera y no saben poner una nota sentimental en su vida.

¡Cuántos nadan en la abundancia, tienen lo que quieren, poseen vienes de fortuna y sin embargo su existencia es oscura y silenciosa.

Hay que alegrar nuestra vida con el arte. No importa que se toque mal, o se recite sin propiedad, o se cante desentonadamente. Lo importante es consagrar algo de la vida a las manifestaciones.

Sombras y tristezas es la senda de muchos hombres porque no tienen ilusiones, porque no alimentan sueños, porque viven sin esperanza. Lo grande, lo hermoso, lo noble, es dejar que un divino rayo de arte llegue a nuestras vidas, para alegrarla.

¡Cuanta razón tenía el hombre que tocaba mal su guitarra; pobres de los que solo viven para comer y dormir - estos son los verdaderos muertos.

A. A. U. OLYMPIC JUDO TOURNAMENT

On Saturday, June 29, the AAU Judo Olympics held a judo tournament at the Japanese Buddhist Temple here in San Jose. Winning first place in the heavyweights judo tournament was Frank Lopez. He took on seven Japanese in a row to win first place. Mike Lopez, Frank's nephew, placed third in the ten year olds. Pete Lopez, a judo instructor for Pacific Judo Academy is interested in forming a Judo Club mostly of young boys and will donate his time every other night to teach the kids for free. Pete is looking for a place in the Eastside in the "Sal si Puedes" district and asked Johnny Hernandez if he could use his boxing gym but was turned down. I think he could get better results if he approached the San Jose Recreation Department.

For the best park in town go to the Paseo de

Pepsi Cola and R-C Cola got married. Dr. Pepper told them they were going to have a baby and they had a little Squirt. This is what happens when two "colas" get together.

The first words I learned in French as a child were I want to go we we mama!

THINGS WE USED TO DO BACK HOME

I remember when Rudy Belluomini and I were kids back home in Tucson, Arizona, the crazy things we used to do just for kicks. One hot summer day we went hunting in the woods for lizards and rattlesnakes in the outskirts of town near a creek. We didn't find anything so we decided to go swimming in the creek. The weather was around 115 degrees. We didn't have any bathing suits with us and what the heck, let's go in the way THEE LORD sent from heaven. Off with our clothes and into the creek we went. We stayed in the water for a while with only our nose exposed then I saw a tree near the water and I dared Rudy to climb the tree to the top and dive in belly-style. No sooner said then done said Rudy like the clown that he is and up the tree he went.

Halfway up the tree a branch broke and down came Rudy, breaking both legs and his right arm como torta de baca. Then he got up and ran home with his hand in his pockets crying to his mother.

Our Grandmaster Gasper Espinoza took Patty Tamez, his one and only and his only one, to see Della Reese here in San Jose last week. I don't know too much about the lady wrestlers but I think she was appearing at La Perla or El Matador.

J. J. Rodriguez "Mr. Kool" of Post Street, is finally free again girls. He is no longer involved with any one broad that he cares for. He just wants to play the field like George "El Tapon" Plata.

Art "Alaska" Lopez, one of the greatest movie idols ever to come out of Mexico and this side of Tampico Bay has just signed a six month contract for Warner Smathers to film a movie in Alaska about a bullfighter who fell in love with an Eskimo Princess in the arctic close to the Hudson Bay coasts of North America. And as the story goes on she would inherit her father's kingdom with his frozen seals, riches, slot machines, and wild berries. But Alaska not realizing he could not live on love alone soon got tired of his old sloppy witch and eating blubber seals and walrus, packed his gear and came home by submarine. As soon as he hit S. J. he ran straight to the Rebozo and ordered a plate of Chile Verde with stuffed peppers, refried beans and tortillas de corn and that same night he went to the Rainbow Ballroom to see Beto Villa and Pete Bugarin.

CLASS REUNION AT THE ALMA MAMMY

The Woodlake High School class of 1952 held a reunion on Saturday evening, June 22nd, in the Veterans Memorial Building in Woodlake.

Yours truly has been to two reunions. The first one was a Jordan High (Los Angeles) fete which took place in a big ballroom somewhere in L. A. I remember they had Horace Heidt playing for dancing and everyone was doing the bunny-hop. The last thing I remember that evening was telling my friend, Dick Hester, that I thought I'd trip the light fantastic with some beautiful girl in a tight red dress. Then the lights went out. Not for everyone, just me.

The other reunion was at the Huntington Hotel in Pasadena when I was at Woodbury College. We made it to the bar where drinks were selling for 25¢ each. That evening ended on the beach at Playa Del Rey, four happy couples singing the USC Victory March.

On the Woodlake High affair, I passed. I don't seem to have too much luck with formal functions. Anyway, I hope everyone that went had a helluva good time.

Ray Villegas, Ralph Moran, Leroy Malay, DeWayne Brewer, Martin Hickie, Pat Kuykendall, Delores Kent, Marilyn Metcalf, Jeanette Kaun, Don Swafford, Wade Mink, Cliff Snow, and Betty Obata were members of that class. You just don't ever forget people like that.

SEX SLANG DICTIONARY?

Man, I never thought a common dictionary would create as much interest as the notorious sex slang dictionary is doing in this county. One good thing about it is that maybe it will get kids to reading the dictionary. It has certainly got our County Supervisors reading it and what's good for the County Supervisors is good for the kids. They've got about the same mentality. Sam Della Maggiore even came out with a statement that maybe we better abolish the county library system. Okay, Sam, and then we can abolish elementary schools, baseball, day nurseries, parking meters, parks named after city councilmen, the fire department, and County Supervisors. !!!!!

A Santa Clara County jury finally gave someone the death penalty. I thought they were waiting until someone came up for trial on charges of having written a dirty word on the sidewalk.

WELCOME TO SAN JOSE, MONTANA!

Those of you who played U. C. C. football against Club San Joaquin three and four years ago will remember the young man pictured below. He is PAUL REYNOSO, 41 years young. We didn't run his picture to offer him as a political candidate, however. Paul has recently left the City and come to San Jose and opened a Tailoring Shop and Sewing Machine dealership. If your wife catches you coming home at 3 A.M. and tears your best sportcoat by pulling on the sleeve, take it to REYNOSO & LAMBERT, next to the Studio Theatre and they'll fix it up good as new. Or, if you happen to find a suit of clothes in someone's parked car and it doesn't fit just right, take it to Paul and he'll make it fit. And, remember those ties you got for Christmas that were six inches across and you were embarrassed to wear even to the UCC softball games? Take them to Paul and he'll fix 'em up to look respectable. Of course, Paul doesn't do the sewing himself. He isn't the type. He has in his employ a lady who is considered one of the better seamstresses in this area and she loves her work.

While you're in the shop, tell him Dave Sierra sent you. He might even tell you about the time the football team he was playing on had a game at San Quentin!
