

00:00:16:21 - 00:01:15:29

Unknown

My eyebrows. Actually fell from that perfectly. Yeah.

00:01:16:01 - 00:01:48:12

Speaker 2

You said a and.

00:01:48:14 - 00:02:06:26

Speaker 3

She worked in North Carolina and the campaign notes that I know that the grandmothers from Indiana. And of course, you know, they were not how many don't speak Spanish.

00:02:06:28 - 00:02:09:18

Unknown

Most of the.

00:02:09:20 - 00:02:35:09

Speaker 3

Attendees here today speak Spanish, so I'll be mainly Spanish. I'll be going back and forth. English is Spanish. So it's the purpose of the workshop, of course, as stated in the prior, is to present you with some information on registration and financial aid. Okay. Well, that information is over there from what the government has brought up without paying income off the top priority since 090.

00:02:35:11 - 00:03:30:27

Speaker 3

And that was more successful the last quella manana. And then what that additional year he will not be here, but a lot of information so may be communicated to the night that but more about your own poverty. You know fear me I mean activities are most people have to go down to do everything they how to get financing family so I cannot find that all the time in the premier Maria Garcia told me about the heroes these are guy has been here a year and we not he displays one month at the end of the year by having time.

00:03:30:28 - 00:04:06:16

Speaker 3

But Iran so many this anniversary college so we'll have a Snyder and and this year and I'm monarch presenting the workshops and then we'll have a workshop on the service and that the counselors provide four years in college and then finally you wind up with a panel of students about the different experiences. And so we're going to start with the admissions applications, the just out of college and the ABC.

00:04:06:16 - 00:04:33:19

Speaker 3

Have you seen the second? So this is something that is gonna.

00:04:33:22 - 00:05:14:00

Speaker 2

Work, Alisyn. I don't speak much Spanish, so I have been talking in English, but if there are questions for you will help us out into the night. most of you, I assume all of you are already already put in your application. And so I know a lot of the questions were probably confusing, but the reason we have to ask certain questions is because the law says that if you haven't lived in California for a year in the day and you haven't paid the taxes in California, and that's why the nonresident fees are so high, that's why they're \$105 a unit, because residents pay their taxes and that's how they still get their money And

00:05:14:00 - 00:05:38:20

Speaker 2

nonresidents, we have to get the money from them at that time. That's why we have to have a \$5 unit. Also on the new applications. We have a new basis for anyone who has a degree, has to pay \$50 a year with it. And the reason why we don't really know the reason why, we just know that Governor Wilson decided that that's what was going to happen.

00:05:38:22 - 00:06:03:13

Speaker 2

So if anyone here has a degree from this country or another country and you are subject to pay the \$50 per unit fee and a lot of continuing students might have gotten a letter about this. And anyone get that

letter because somewhere in one of the surveys you may have indicated that you have some kind of a degree and that information was wrong.

00:06:03:16 - 00:06:29:04

Speaker 2

We have a form you can fill out in the office that will waive that fee if it was incorrect. It's a signed statement that you're declaring that you don't have a degree. If you have a degree, but you do not have a job, you're called a dislocated worker. You can go to the EDP office. Thank form and bring that in and that will waive the \$50 fee.

00:06:29:04 - 00:06:52:29

Speaker 2

You'll just be required to pay the \$10 fee. Also, if you are a displaced homemaker, if your husband had a degree and he no longer supports, then you can get the displaced homemaker waiver, even if you have a degree. But he was the one supporting you. So those are the kinds of exceptions that we're allowing right now. Have you come in and see me?

00:06:53:02 - 00:07:07:21

Speaker 2

I work 8 to 5, come in and say, you know, you want a waiver and I'll help you with that. Otherwise you're going to have to pay the \$50 fee if you have a degree that's a VA or BFA.

00:07:07:21 - 00:07:19:12

Unknown

They don't count. They couldn't pay. You can bring out right out 30 tax. Sure. Yeah.

00:07:19:15 - 00:07:44:08

Speaker 3

Four members of the hospital and I think got to cancel zero and also they've got to me so you kind of have to look at the end of that and all how can you the fact that not that we have told you that you can want to know.

00:07:44:08 - 00:07:54:00

Unknown

My particular people to one another. I'm for all.

00:07:54:02 - 00:07:55:07

Speaker 3

In know Yeah.

00:07:55:09 - 00:08:11:24

Unknown

Yeah. 52% Yeah. No you're not going to ever before when you have to go to your like 30 people that it's like 91.

00:08:11:26 - 00:08:21:09

Speaker 4

When I you know for my are you not for my admission or Victor stuff. But anyway you know, do you think you will go.

00:08:21:12 - 00:08:30:08

Unknown

something like that. It's called a waiver or.

00:08:30:10 - 00:08:52:20

Speaker 3

Waiver or differential fees. Turkey will take another couple of.

00:08:52:22 - 00:08:58:06

Unknown

Okay, got it. Because there's a question on the survey.

00:08:58:06 - 00:09:01:16

Speaker 2

That if they don't put an answer, it will automatically.

00:09:01:16 - 00:09:16:29

Speaker 3

Close in the 70 degree. Obviously no responding like with my question, it doesn't ultimately come into my not whenever African Indian people when have not you they can.

00:09:17:01 - 00:09:25:08

Unknown

Not pay for continuing student than the NFL.

00:09:25:10 - 00:09:43:21

Speaker 2

If you get your green get your green form in the mail in the top, it usually says that you must see a counselor before you register. The reason why is because we have a scale that will go by.

00:09:43:23 - 00:09:48:11

Unknown

You when the green one's green.

00:09:48:13 - 00:10:08:06

Speaker 2

You okay? All the ESL classes are on. They're structured so that you go from one class to the next and you can just go in and register yourself because it's based on the instructor's evaluation of your program.

00:10:08:09 - 00:10:32:09

Speaker 4

I mean that the class being let in me mouth, it's done and all of it. You can go ahead, you can get the lesson more than no point and not anything that I was looking for. You all know those stresses what it like to see done will never be on the stand, in my opinion. But I put it on my Instagram feed.

00:10:32:10 - 00:10:46:07

Speaker 4

Even so, you know, women who were in school recently like, left the EPA a lot in. And of course they had all my issues.

00:10:46:10 - 00:10:50:03

Speaker 2

Okay. So for new students, when you go to orientation.

00:10:50:05 - 00:10:54:25

Unknown

The big white paper that I gave you, that is usually.

00:10:54:28 - 00:10:56:18

Speaker 2

An appointment with a counselor.

00:10:56:24 - 00:10:58:11

Speaker 4

Or English speaking students, an.

00:10:58:11 - 00:11:27:28

Speaker 2

Appointment with a counselor. But for ESL students, what you're going to do is, again, with ESL instructors, they're going to have your ESL placement test scores and they'll put you in the courses that

they feel you will succeed in. So if you have a very good command of the English language, you may be in a very high speaking pronunciation class, but if you can not write well or read well in English yet, they'll put you in lower classes for that.

00:11:27:28 - 00:12:08:12

Speaker 2

So you going to have different numbers of classes and there is a scale and then they have you to see. But you cannot pass on to one to the next step until you've completed the required courses for continuing. Student That's the same thing. But so although regular, regular speaking students just go to a counselor and talk about their career goals and are placed in classes accordingly yourself, you start with the ESL classes and then when they reach the adequate level, then they're put into regular classes.

00:12:08:12 - 00:12:26:05

Speaker 2

If you want other classes besides ESL classes, you need to state that at the time that you want other classes, computer classes, accounting classes, art classes, whatever. At that time you need to request to see a counselor so.

00:12:26:05 - 00:12:51:08

Speaker 3

That you can look at those. In this case, the standard and generally then the lesson that you've said you better be careful about what was classified in the ESL in schools in your math, you can be targeting information that will not be or you're not going to of the you can't get a sense of perspective.

00:12:51:08 - 00:12:56:02

Unknown

It's not the best.

00:12:56:05 - 00:13:30:17

Speaker 2

It's like in Arizona, I don't even have sun. I know I can I can can if the forecast class is north about whether or not I can start. But I love lectures. Don't ask it, give fun. Continue. I know this the semester

at the end of semester is there, but it's on and on. The best thing that and I think my knowledge one of the ones I had I'll look at it and I see it is gone up on it and how can they say what can I just gave on it.

00:13:30:17 - 00:14:01:22

Speaker 2

But of course I had of they said if you say listen, I never said I could get in. My kids love my class because I want to never and doesn't it and feedback I get can you get enough back on I don't know that's going to help you out is funny on this one is if you'll get them I I'm going to hit on Kevin's barnyard by the manner classes they get off it'll get them out of those classes I can often innocently let you know is there.

00:14:01:24 - 00:14:06:21

Unknown

Only one other day.

00:14:06:24 - 00:14:14:12

Speaker 2

In this schedule? There are in your class schedule. When you say level, that's what they go by.

00:14:14:18 - 00:14:31:29

Unknown

The level are determined by your score on the placement test. So when you when you take your test and they put you in the class, the way to know your level is to look at the level of the classroom in it says level two. And you can take any level two class or level.

00:14:31:29 - 00:14:32:23

Speaker 2

Three or level.

00:14:32:23 - 00:14:49:19

Unknown

One. And that's how they determine it. For 340, for example, hey, 25th grade, they say that class is the.

00:14:49:19 - 00:14:57:10

Speaker 2

English second unit where they have the prerequisite.

00:14:57:12 - 00:15:00:02

Unknown

That you see, that you see where.

00:15:00:05 - 00:15:05:04

Speaker 2

They can see like. And I think that in that class that, you know, I've.

00:15:05:06 - 00:15:11:00

Unknown

Got my uncle might not even explain that to.

00:15:11:02 - 00:15:12:06

Speaker 2

You.

00:15:12:08 - 00:15:25:25

Speaker 3

So okay, no difference develops that. But that's not why I think the feedback that I got a lot of water up a lot.

00:15:25:27 - 00:15:30:24

Speaker 2

But the higher they get, they get into levels and then they can take regular classes at that level.

00:15:30:27 - 00:16:29:18

Speaker 3

Yeah, certain events when I'm out of classes.

00:16:29:21 - 00:16:33:19

Unknown

I though if it.

00:16:33:21 - 00:17:00:06

Speaker 2

If you will know if you want a is an elevated stress. Yes. As a matter of if the in the college. Okay. So after after you go in and talk to the ESL instructors and they give you your registration form, this is the registration form that the.

00:17:00:08 - 00:17:00:29

Speaker 4

Instructor.

00:17:00:29 - 00:17:25:21

Speaker 2

So the counselor will give you with your classes listed here. Then you come to the registration office where you either pay for your classes or financial aid pays for them or we have a waiver. And Alisha will explain what goes on during registration for new students is going to be going into orientation. You'll be getting an orientation form like.

00:17:25:21 - 00:17:27:16

Speaker 4

This one, your instructor.

00:17:27:18 - 00:17:46:24

Speaker 2

What they won't do is they will go ahead for a section of the time. Here you put the name of the department of the years out, the course number and of course, description gives you the time and date back. Now, if you feel that you won't be able to come during the day because during the evening we have different up low numbers.

00:17:46:24 - 00:18:12:21

Speaker 2

Our data high numbers are leading classes. For example, 1000 classes, 2000 classes, probably 4000. It might be day five, 6007 thousand classes in your schedules are even half that before the instructors by you look over the information that's at the time because by the time new students come into our discretion, they say, I don't want to take an easy class.

00:18:12:21 - 00:18:27:19

Speaker 2

I want to take a day class. My instructor put me in the long class. So we do this with your instructor who's going to be giving you the levels of your ESL practice. Make sure this is the time you want to go to take the class.

00:18:27:22 - 00:18:55:12

Speaker 3

Formulario You know, like before the ESL that you might see some classroom video and I want you to see that. Campus. Is there any that on any of those means at any one time and in setting the face and I mean certainly better than watching a gay he's looking at a lot less than what's happening on on non violent.

00:18:55:15 - 00:19:16:02

Speaker 4

Systems tango and yellow radio and yellow radio. Let's play there manana. Video it's done is done. And a part of their classes in an assignment for those Lamia from games. So I live away that I don't know the quality of my classes that 90 equal kind of classes maybe even want to say.

00:19:16:02 - 00:19:20:19

Speaker 2

Late afternoon that's what you will know. The difference that those classes.

00:19:20:19 - 00:19:21:16

Speaker 4

Will start to become.

00:19:21:16 - 00:19:41:16

Speaker 2

4:00, sometimes 6:00 am at this will start at 7:00 and went in 950 or 8:00, whatever the time. When you go into registration, you stand in line, you give this to the operator and the operator will go ahead and put all the section first and then she will tell you how much you will. now, now things have changed.

00:19:41:16 - 00:20:03:29

Speaker 2

You went up from \$6 per unit to \$10 per unit. So it could be you're taking 12 units, it's going to be 112 and then \$20 for semester. But that's not including the healthy to help. These went up this semester also from 750 to \$10 per unit. So that's going to be changed. Also, parking is going to be changed this semester.

00:20:04:02 - 00:20:27:15

Speaker 2

It used to be \$20. Now in my school, up to 40. We don't know yet. It hasn't been hacked. Okay. Or you can pay \$0.50 each time. Come on campus. Now, once you go ahead and register, you have to have your money. You have to be prepared and you have to have your money. By doing this, you have an option to pay by cash, by cashier's check, check.

00:20:27:15 - 00:20:32:02

Speaker 2

Many order Visa or MasterCard account.

00:20:32:04 - 00:20:56:23

Speaker 3

And so, you know, had our mom and dad, Fernando said he saw many calls made out that have here what income like this one by because in fact if you look at that only narrows right he's.

00:20:56:25 - 00:21:22:15

Speaker 2

Now for those who are continuing student if you go got a boss which is the California Community College Board of Governors Grant if you fill this out, if you're continuously this school for one year from fall to fall. So just let the authority know that I'm on a boss and no check in the information on computer so you don't have to pay for the enrollment, but you do have to pay for parking if you want parking.

00:21:22:17 - 00:21:43:05

Speaker 2

And it involves metro fees for the passage take taking that, then you have to pay the material. What is a box? A box was in said Board of Governors Grant. If you're eligible under three categories like for agency and SSI or general system, you feel that you own it.

00:21:43:05 - 00:21:44:20

Speaker 4

So three categories.

00:21:44:22 - 00:22:01:22

Speaker 2

When you come to register, there will be somebody here before you go into register and let them know I might be eligible for fee waiver. Okay, If you want AFDC or you got SSI or general assistance, then look, if you want to be called to fill out and your questions will be.

00:22:01:22 - 00:22:03:07

Speaker 4

Determined if you are eligible.

00:22:03:07 - 00:22:07:10

Speaker 2

For a fee waiver.

00:22:07:12 - 00:22:19:13

Speaker 4

A bug is a grant to pay your registration and you help me and a thought if when I wake up, get fired for letting young people of services make.

00:22:19:16 - 00:22:21:03

Speaker 2

Now, if you want.

00:22:21:05 - 00:22:26:26

Speaker 4

You know, I've been looking to get my stuff when I was sad if you have nothing to get by that.

00:22:26:29 - 00:22:45:08

Speaker 2

Now return to G for I'll give you an explanation what the eligibility is. Yeah. If you look in the middle of your schedule, stated shot shaded area here for G for look in the middle 1.1.

00:22:45:10 - 00:22:48:08

Unknown

Okay. I think there's a question for that.

00:22:48:11 - 00:22:51:01

Speaker 4

So if we want to fill.

00:22:51:01 - 00:23:00:03

Unknown

Out the form for an administration already or we have all everything ready before that we've written really feel that you're.

00:23:00:03 - 00:23:02:26

Speaker 4

Eligible for will be somebody.

00:23:02:26 - 00:23:25:19

Speaker 2

They're checking to make sure everything is what you have is correct before you go into register. Okay, let me start getting reports. If you time to register January 4th, you go in that time and you would just show me a person there you will do is check, approve a person to say, I think I might be eligible for a fee waiver.

00:23:25:21 - 00:23:28:08

Speaker 2

So give you the form and the questions that you will ask.

00:23:28:08 - 00:24:01:09

Speaker 4

Or determine if you're eligible. Right. Okay. Let me explain a little bit more about this part of there are two ways you can you can be eligible. Okay. The method A okay. That method is if you're unable to see Social Security, you are receiving general assistance. You're going to need your medical stickers to register. Okay, then the method me is by income.

00:24:01:12 - 00:24:22:07

Speaker 4

And you see in this little table over here, it will tell you there's one in the family. Two in the family, three in the family, four in the family. What's the maximum the family can make for you to be eligible for this? Okay. Now an expense I those classes this the fee waivers.

00:24:22:07 - 00:24:23:25

Speaker 3

The first one.

00:24:23:25 - 00:25:15:09

Speaker 4

Must be offered by at least in method A and the law is is that in welfare that is even though you that handed out there will be a no I see that as having this sort associated if that is reimbursement may see feedback on making your own on chicken welfare laws stickers the medical provider and doctor or there's a lot of just young fellow now you can wear the chicken so therefore mathematical being a sporting director I not on again fabulous going to be 6709 in Latin in that can be familiar so I'm just a maximum of us in some under stress of what okay so yes they're in metal they'll be you know trying

00:25:15:12 - 00:25:35:22

Speaker 4

to low income but the funny is still of women to be in a mission of rectors or similar. You know, you have to exactly what did I forget to put those little places in my.

00:25:35:25 - 00:25:39:15

Unknown

On one main thing that I.

00:25:39:17 - 00:25:43:21

Speaker 4

Thought if and if one person that for elected.

00:25:43:23 - 00:25:46:04

Unknown

What if you are you live at home with your.

00:25:46:04 - 00:26:14:21

Speaker 4

Parents but they're not helping you get over yourself and have one have care and everything like that. Can you fill out one or get to the whole family? Okay. Question is that what if she's a dependent student, live at home with parents? If you were born after 69, you are a dependent student. No matter what. You have to be 24 to be independent.

00:26:14:24 - 00:26:54:07

Speaker 4

So we're going to need your parents and maybe Spanish again. So I see Spain and Quebec on those calls bothering me. I said if and get said it again, they've been doing research. So this is from a man that is 12 days by there have yet it's only 60,000. I saw this with about this depending on the simple system this employer can employ, they can go in in an office, another simply only then in a format.

00:26:54:10 - 00:27:08:15

Speaker 4

And what that's my getting to one number. So in castle one no I could not if one thought I never got up on me we've got a moment to as try so combination of format that if you got it.

00:27:08:18 - 00:27:36:25

Speaker 2

Once you go to registration would you be receiving is your schedule. It will look something like this will give you the breakdown of the section numbers department, the course number of the child. How many units was the name of the instructors and the date and time. So don't lose it. Once you lose this, then when you come back to the office and ask for another one, it's going to cost you \$2 per printout.

00:27:36:27 - 00:28:06:18

Speaker 2

So please keep that. This will be your reference. Also, you've be receiving information regarding registration will look like this and please take the time to read the information. We have important

events, important dates on the back regarding the date for dropping and adding class and the holidays. Important vindication all throughout the semester and last year beginning a verification card.

00:28:06:20 - 00:28:17:15

Speaker 2

It will give you a short little description of what this is all about, but it's mainly for the usage of the bookstore, the library, and some say discounts. When you go to the movies, you can try it.

00:28:17:15 - 00:28:20:26

Speaker 4

I don't know, but it might work.

00:28:20:29 - 00:28:53:14

Speaker 2

Or Computer labs, whatever. But you need to have this or don't lose this. This is very important. These are very important. And how services this is another brochure that you should go ahead and look into the information. This is what the verification form is good for. When you go and see a doctor or a nurse here on campus, if we have a doctor that comes twice a week and a nurse twice a week, and if you have a problem, if you just need an aspirin or you just want to give you an explanation of what it's covered, I believe that the dollar.

00:28:53:19 - 00:29:04:23

Speaker 2

But the verification is you got a green card. The nurse associate proves that you can.

00:29:04:25 - 00:29:24:19

Speaker 4

Okay, let me mention your stress hormones system we've worked more is one the survival rates that are in lieu. I know that if that is supported, do I have to enumerate it? Ethics unilateral. I think they whether it wound up in the case like classes just because you only to deliver.

Speaker 2

A lot of you didn't get that letter continuing. Students often don't get that letter. We have the wrong address or you've moved and you haven't informed us. And so a lot of continuing students don't know when they're supposed to register. We have a big book in the admissions office that has every appointment for every continuing student. If you have not received your registration letter, you need to come in as soon as possible and find out when you're supposed to register.

00:55:17:15 - 00:55:43:18

00:55:48:21 - 00:55:53:05

00:55:59:06 - 00:56:02:03

Speaker 3

For the first time after a year in North Carolina.

00:56:02:07 - 00:56:07:00

Speaker 2

I don't know. So I think that, you know.

00:56:07:02 - 00:56:12:23

Speaker 3

You have to check in on the matter for my face back to the memo that okay. And I.

00:56:12:23 - 00:56:17:03

Speaker 2

Don't know if it's your boy, if you can do that.

00:56:17:06 - 00:56:18:24

Speaker 3

But.

00:56:18:27 - 00:56:46:03

Speaker 2

Why is it give me over of how I see I can not in this that I'm going to take a dramatic I got I have nothing evidence that I say loonies, but I figured when I got home I think that's perjury that if they're come up to me, if they're going after you and I ask them if they could come on that they can bring, I think you're yeah, nothing will see that.

00:56:46:08 - 00:57:01:06

Speaker 2

But not in a van. Copy. What I just cannot I live and that's when I started shooting mostly off you know, the little how happy they'll get when I don't have.

00:57:01:08 - 00:57:08:01

Unknown

I me and then I don't know how but I just gave in my pocket. They go.

00:57:08:02 - 00:57:13:19

Speaker 2

It's just like, no, see stories and just get it.

00:57:13:21 - 00:57:30:20

Speaker 4

Like I took it in and and formulario with me is that I see. You have to wonder why are you threatening your liver? You on the phone? In my phone glasses. If Vivian Noy if you wouldn't had all the other view of it, although it's going through your mind.

00:57:30:23 - 00:57:35:21

Speaker 2

I'm very returning to actually have my patient what I can.

00:57:35:21 - 00:57:38:11

Speaker 4

Report what she did and not have to see a couple.

00:57:38:11 - 00:57:42:21

Speaker 2

Of things she wants to see. I want you to come in. I need time.

00:57:42:23 - 00:57:48:01

Speaker 4

We open this all right?

00:57:48:03 - 00:58:01:19

Speaker 3

Yeah. Yeah. Well, what do you want to set up? So that come looking for people, You know, they can't get out right now.

00:58:01:22 - 00:58:42:07

Unknown

You are giving a number of companies. I'm Republican. Republicans are not many. And is that in order to see that applied to give her any information or anything I read your name I you you after that. Well, I'll talk to her about.

00:58:42:09 - 00:58:52:19

Speaker 4

They're out here. I need to break down. What can I do? And you.

00:58:52:21 - 00:59:16:14

Speaker 3

If you're asking, are you then is finally gonna make it something that has to do some of it. But I can tell that most people I know I'm a rookie not to report on the details. Yeah, I'm it at the top, but next time will be a little bit better prepared to subpoena the types of questions I should be asking.

00:59:16:16 - 00:59:45:29

Speaker 3

I also are just some of the questions that are asked in Spanish. We should translate that into English. I mean, I'm talking common sense. You're not English. That's just questions to be answered that are people that they're looking for that to promote evil. And I am just like on behalf of financially, I.

00:59:46:01 - 00:59:48:28

Speaker 4

Okay. There's a lot of question.

00:59:48:29 - 00:59:53:28

Unknown

I know there's a lot of questions about financially. So what I'm going to do is I'm going to do the.

00:59:53:28 - 00:59:57:03

Speaker 4

Most important things that you guys should know or should bring.

00:59:57:03 - 01:00:01:24

Unknown

To the financial right off the bat. We've got to go.

01:00:01:26 - 01:00:03:08

Speaker 4

I want to talk first.

01:00:03:10 - 01:00:13:12

Unknown

Then I want to hear the questions. Okay. So that way everybody, you know, can hear at least know my view of the allocation members.

01:00:13:14 - 01:00:43:24

Speaker 4

That you are. Yeah, we have national data. Point of importance is good evidence of it. But my point amongst young you can I could be like even for my thinking, even if I don't I do that commissioner and don't allow to my fact also been in as it is but okay if this were not an application that you documented it but but if you missed it the primavera on your in the primary that you'd better then.

01:00:43:24 - 01:00:56:08

Speaker 4

I don't know I think that this is the application for fall spring and summer somewhere spring 93 and summer 90 LA application the United States.

01:00:56:13 - 01:01:06:15

Unknown

I love it has to be filled out so the that.

01:01:06:17 - 01:01:10:27

Speaker 4

The applications started with information that I don't.

01:01:10:27 - 01:01:23:24

Unknown

Know about you I mean your name, your address, your Social Security number if you're a U.S. citizen or not and all that information that application and stuff. In terms of metro.

01:01:23:26 - 01:01:37:22

Speaker 4

This older socialist anomalous that it can offer o income, I think you're nothing. So it's very important that you fill these out before you come to the financial aid important to get this information and that.

01:01:37:22 - 01:01:43:19

Unknown

The giving us you know you're going to hear the most of.

01:01:43:19 - 01:01:46:09

Speaker 4

Us are Hispanic.

01:01:46:11 - 01:01:51:19

Unknown

All give you the information you're going to need.

01:01:51:21 - 01:02:31:08

Speaker 4

I mean this information and rules have changed so all of the Hispanic that are undocumented in this country will not be eligible for financial aid. Ask of August 1993. Okay, If this is your first semester that

both Hispanics stand those and if I know anything and you never you it-gen see through and by this time and in particular that they are also we're leaving the question for you.

01:02:31:12 - 01:02:55:28

Speaker 4

But the last part. Okay. Are you a trust for us? They use that information from my last no butterfingers. If any of those this is fine. Okay. Notwithstanding those more or less because so much in and and on those people, you know, say that I need they know everything they see and so forth, bring that out to my point of view enables them.

01:02:56:01 - 01:03:41:18

Speaker 4

Yes. Asked them if it is now throwing in other funding for them this being I'm still this was the in thing when it is different in this is but if you were born after 69 you are dependent there are some cases we can make you independent but that's something you have to check with the financial aid office I, I, you know, so that's all my stuff is good but almost a significant difference in the statement by the union application thing, I was giving \$50 plus money to the great.

01:03:41:20 - 01:03:44:03

Speaker 4

And if because of the knowing that you.

01:03:44:05 - 01:03:46:09

Speaker 3

Want.

01:03:46:11 - 01:04:02:28

Speaker 4

To fill out the application, we going to need that income tax in 1991 because there's some information right here that we have to take information directly from the income tax form to right on the application.

01:04:03:00 - 01:04:09:13

Unknown

This by year I get the money for a only that coming to the funny yes but but I may not it.

01:04:09:13 - 01:04:29:09

Speaker 4

Is just something I wanted is definitely you know I've got to see that I you have to consider it it's just that it you want to still be just eligible to get picked up on alarming or maybe it is what I believe because of.

01:04:29:12 - 01:04:31:23

Unknown

That's a lot of people should be.

01:04:31:29 - 01:04:57:04

Speaker 4

If you are going to apply for financial aid your mail under between 18 and 26, you have to be registered with it. So like you says, it's a lot harder. Otherwise you're not going to receive money to resolve it, isn't it? I'm I'm in I'm sitting here.

01:04:57:06 - 01:05:09:14

Unknown

You see a lot of people. And so what I what we want and there's the contract.

01:05:09:16 - 01:05:12:29

Speaker 3

They should have the papers and.

01:05:13:02 - 01:06:06:08

Speaker 4

Once we send, he's asking if you're like, the information is matched with the Selective Service information, and then they send us a note or a message saying this person is not registered or the national, you know, they didn't come through. And that's when we take action in parentheses. He just doesn't have services. Civic won't give us if that that information is done and no because you know services are like yeah, I have my my my you know, if you start an invalid search, everything's going to feel like that is my government 30 of the personal stuff and so going get bombarded with that Yeah might have difficulty not yet anyway because.

01:06:06:10 - 01:06:07:28

Unknown

I've got my my my.

01:06:08:04 - 01:06:37:18

Speaker 4

My personal account non saying even CFL to me so they make it up to on its own eligible it is done go on your profile you have done this in dramatic in in the year for people if I support it's on in the unit so Lieutenant junior Christina was how many went missing okay okay you got that she goes to the end that was definitely commentary stuff or specifically immigration officer about it.

01:06:37:20 - 01:07:10:10

Speaker 4

Lieutenant General I was just asking if that's affected commodity, geopolitical or decision that was definitely made up. Maybe you are here under if you're a refugee, you might be eligible for financial aid, but you are here under as you have a decent student student visa or a visitor's or a tourist will not be able to report financially no to from when they see what's what you are financiera.

01:07:10:12 - 01:07:38:11

Speaker 4

Nope. I am almost support for or just yes from of that's everything there. Also it has to be how you looking at student even a lot of justice you know if that the model does not what the class is working up what is some of its and on this class just give us some idea you just going to get off but I'm going to get set up about what I'm quoting here if does not keep out of the my classes that they spoke about.

01:07:38:13 - 01:07:56:04

Speaker 4

So get us out of here initially. Did it okay to you and follow up? But I don't know what that that's very so does but I only received no final sexual if you're if you're taking courses that repeat courses we're not going to pay for you because we already paid for it. We pay for one more thing.

01:07:56:04 - 01:08:20:09

Speaker 4

You take you fill it, you take it again. We won't pay for it. You're taking on classes. Like we said, we don't pay for those. All the classes you take have to be approved by the council. You have to be working towards your major, your degree, or your transfer form That directive out. this is it. Does it for my whole life.

01:08:20:09 - 01:08:43:07

Speaker 4

It does seem to me of what it can help better. It does think from when you dropped out, you need to let us know because sometimes that information or your situation will change some or not. And what? I like it that I'm on it. And we went about it before day of it uncontested. Unless you give us your data.

01:08:43:10 - 01:08:46:17

Speaker 3

What is it? I use that when I you get.

01:08:46:19 - 01:09:15:05

Speaker 4

The support for them and then if there was an idea then you are kind, you know, are you looking to set up what community are you put in that what is the program is a primary language in an area so you look for us liberal. Yeah you're going to like that. Yeah we went don't get that name here personally filling language so you know it's like you know when you sit in Canada.

01:09:15:08 - 01:09:17:18

Speaker 3

Notice that we use it.

01:09:17:21 - 01:09:39:09

Speaker 4

And it opportunities programs and services in extended opportunity programs and services and yet everybody here. No, you don't have to be bilingual. The staff there is bilingual. You can be bilingual, but they're over.

01:09:39:09 - 01:09:40:22

Speaker 3

There. They come in with tutors.

01:09:40:22 - 01:09:42:11

Speaker 2

Books are are.

01:09:42:14 - 01:09:43:09

Speaker 4

There. But now.

01:09:43:11 - 01:09:47:01

Speaker 2

Good. And I.

01:09:47:03 - 01:09:50:20

Speaker 3

Tell you what, Vegas.

01:09:50:23 - 01:10:14:27

Speaker 4

Is doing it on program, not the liberal you know pronoun my good they looked a little bit different this semester throw a homeless phone up but I thought it was silly on those voices to back and check you out. You have to get up out of the ministry manner. That's where a lot of them do. They use the foreign policy?

01:10:14:27 - 01:10:18:09

Speaker 4

Leave it to me. So I think checking in and.

01:10:18:11 - 01:10:25:13

Speaker 3

People like that is the way can you look at my life and really is the stuff of course he does does.

01:10:25:16 - 01:10:34:22

Speaker 4

The office but you from in the home? No, no, no. Because you have to keep going systemically. That doesn't mean that.

01:10:34:25 - 01:10:40:11

Speaker 3

More people, especially though the past man was made in that First Amendment, which means.

01:10:40:14 - 01:10:45:05

Speaker 4

Yes, that's advice. Gone, gone. Documents assume they're going.

01:10:45:07 - 01:10:54:26

Unknown

To and it's.

01:10:54:28 - 01:11:01:08

Speaker 4

So I'm interested in in me but I have a phone in so you.

01:11:01:10 - 01:11:08:06

Unknown

Know that people get away all these etc. but you know I think.

01:11:08:09 - 01:11:11:27

Speaker 4

Stuff is not available No, no no, no.

01:11:12:00 - 01:11:16:27

Unknown

No, no. I think I'm not in any given in addition to and.

01:11:16:29 - 01:11:42:25

Speaker 4

Stuff in it for no minimization. That's your statement. Let me let me translate. But he announced how the Europeans can help you have to get or they have different ways to help you. Sometimes you have to work for them for 2 hours and they give you some work. Sometimes they give you the book until your financial aid check comes through.

01:11:42:27 - 01:11:47:27

Speaker 4

It's something you have to work with them. Sometimes they have to say you can make copies.

01:11:47:29 - 01:11:56:16

Unknown

Until you have, you know, money to buy your books. But the other questions you value at.

01:11:56:17 - 01:12:13:02

Speaker 4

A minimum have it is for financially. If you apply for financial aid, you're qualified for it for state and federal grants. If the minimum 60 or below the minimum of lending.

01:12:13:04 - 01:12:17:00

Speaker 3

What about the people that are not resident in the state of California.

01:12:17:02 - 01:12:33:00

Speaker 4

Like people that are working for the state? California Financial, They can pay. If you qualify, they will pay for your registration, but you will have to come up with some you will have to come up with this an extra \$20.

01:12:33:02 - 01:12:48:03

Speaker 2

To get them on top of that money. You it. Yeah I do that but I know but I would want to just inspire them for how to keep up with all the losses in Alaska more and less comfort in them in the bottom.

01:12:48:03 - 01:12:51:11

Speaker 4

I don't know that but it is true how much that.

01:12:51:11 - 01:12:52:10

Speaker 2

You are.

01:12:52:12 - 01:13:16:04

Speaker 4

Coming up instead that I've been inflating fear. Why they sued the other state for my honesty to see left passive honest that I you but at the court case to say I didn't know that really that I think she's asking me if the promo will help you to get the classes if you want. If you're in the program, they're going to change you.

01:13:16:05 - 01:13:25:22

Speaker 4

They're going to help you to get into college, enter the services through the classes, but they cannot give you preference and a telephone.

01:13:25:22 - 01:13:30:09

Speaker 2

Number for a European.

01:13:30:11 - 01:13:39:15

Speaker 4

It's in the book, it's in the registration is in the 1980 2288378.

01:13:39:17 - 01:13:42:23

Unknown

And I might be wrong, but one of the.

01:13:42:23 - 01:13:46:24

Speaker 2

Restrictions on page one was her own on the bottom here.

01:13:46:27 - 01:14:19:19

Speaker 4

He was asking a question, one of 11 of them. So that was to the end. You know something? This is the California. But after she went to California, you knew you would be on the second semester. See you guys in not go. So this is giving both I said in a hearing. But I said, isn't it obvious you don't show that knowing they did she know that, but that they might not be able to get by to think for more go and you get going.

01:14:19:21 - 01:14:44:13

Speaker 4

Are you the financier that what are you that if they said he knew better put in is going on those two stories that is if that's going gonna get domain and notice how you get the four that you that I find it impossible to edit to I know by the standpoint that you're.

01:14:44:20 - 01:14:52:08

Speaker 3

Not claiming to have broken the law that.

01:14:52:11 - 01:15:27:09

Speaker 4

No control I was in place when you look looking and selecting him from I can see him at work study this is do they throw out those you said so the supplement does get us to a no comment though you you get the report on my when you eliminate it us so many good things that I on this responsiveness but what those things went the no matter what system on it nobody thought forget about it and just find.

01:15:27:09 - 01:15:28:14

Speaker 2

That following.

01:15:28:16 - 01:15:48:17

Speaker 4

And this is part 561i got it looking to see if I feel I can't get because he was after work study work in school. We're studying the program is part of the financial aid. If you qualify you.

01:15:48:20 - 01:15:54:00

Unknown

Know for grant.

01:15:54:03 - 01:16:01:20

Speaker 4

Animals you know this you know that you know, I think that if can you know you started throwing out all those.

01:16:01:22 - 01:16:07:18

Unknown

People complain that keep them belongings in a very dim indifferent is probably.

01:16:07:21 - 01:16:33:02

Speaker 4

Not being a good complaint. But I was going to say this is not the anything gifted and anybody can use the missing information, which is only, you know, if you look at you know, when I was doing is loving, I feel good about somebody that I don't think they might have. But, you know, mandatory citizen who didn't want to keep up with my benefit.

01:16:33:05 - 01:16:37:17

Unknown

So that when someone you didn't and.

01:16:37:20 - 01:17:00:09

Speaker 4

Let me know that it's important do I didn't you know not think that you know but better be up on the news but there is no evidence that those but at the moment I mean that you know this once you feel this guy, you're going to take 4 to 6 weeks for the project. So if you're planning to come here in the spring, you should be doing this now.

01:17:00:11 - 01:17:18:02

Speaker 4

So everything will be ready by the time you think about this prior to the semester, before the semester you know, if you did this in the fall, you don't need to do a no. Okay. This is going to go through this summer. But if haven't done.

01:17:18:02 - 01:17:23:28

Unknown

One, then you will be eligible for next year. Well.

01:17:24:01 - 01:17:29:12

Speaker 4

There's another application coming for the year 1994. We're going to have those available.

01:17:29:18 - 01:17:36:17

Unknown

And that's I'll fill it out anyway. You can count it. Yes.

01:17:36:19 - 01:17:42:21

Speaker 4

We can feel both of them. Go and see.

01:17:42:23 - 01:17:46:01

Unknown

The you know, the.

01:17:46:03 - 01:18:11:23

Speaker 4

Application complaint that. But I submit, did not get a filter for this semester given Islamism middle an application, but I don't know anything that I'm going to give. So I started moving and it'll be my yeah.

Remind I in Marcellus and then knowing they could have challenged it but I think that's better that you that if the my Pell grant.

01:18:11:26 - 01:18:16:25

Unknown

Next week I know they of.

01:18:16:27 - 01:18:45:13

Speaker 4

You do it so it got myself that it gets a federal benefit and I love we got on we mandated about a fadama so those are the incentive dilemma not this question. No I thought that was irrelevant. I don't know if this was blessed with enough focus group being. And so it's the grant the state of California.

01:18:45:15 - 01:18:49:04

Unknown

And the ones that I mentioned only three years from now.

01:18:49:07 - 01:18:59:00

Speaker 4

You have to fill the application by them to be considered from top of that for you. That's what that's why they're coming out in general. Okay. To fill it out for me.

01:18:59:00 - 01:19:04:13

Unknown

Anyway or for the final 24.

01:19:04:16 - 01:19:07:13

Speaker 4

Yeah, yeah.

01:19:07:15 - 01:19:17:09

Unknown

Yeah. Okay. I find it.

01:19:17:12 - 01:19:23:11

Speaker 4

Interesting that in Louisiana not I can't. I do Bureau of.

01:19:23:13 - 01:19:27:18

Unknown

Biology live, but I'm a pilot in a.

01:19:27:20 - 01:19:54:25

Speaker 4

Year a folk are up until December. It's been working out. You go out. I thought it was me that were going to keep asking. Going through the muscle of the state. They say this America, the Foreign ministry for them. I saw that is going to expose young guy. She's just to the end of this and makes interest in it.

01:19:54:25 - 01:20:28:10

Speaker 4

And you know, I don't know. I'm on my boat. I'm gay liberation those leaders put on semester you in a I don't get it you know programs that I'll get to I'll get you anything you're giving up on a mission are because I know step up which is I a record but I hope that your was the political backdrop on what your personal life can if whether you run federal in a perennial database of that very little but I would just say you've got to find out you got I think you know.

01:20:28:13 - 01:20:33:16

Unknown

I think they needed to make that so your.

01:20:33:18 - 01:21:03:28

Speaker 4

Little effect myself in a simple issue you put it but I don't know what what get but I want everyone to more importantly get something it's going to be going Are you going to set up a seminar? There's a lot of ways that you can be helping that in the college to help get to be successful. So if even though I don't know about Mission or Records, I might be able to connect you with a person that can help you, so.

01:21:04:01 - 01:21:11:18

Unknown

I'm there to help you. You can be quite your on. What is that.

01:21:11:20 - 01:21:41:07

Speaker 4

About? When there's a nurse on that program here that is now, I'm not in students convention, you know, and they have like a like a moment where they want you to have to turn it back by the end of the semester. You don't have to by the school, but they will be talking about it and they, you know, through a medical placement test.

01:21:41:08 - 01:21:59:03

Speaker 4

But I'm would be okay placement. Thinking about it didn't give me really you have to take the placement before you read so they will know what level of English know the questions, get.

01:21:59:03 - 01:22:10:07

Speaker 2

It, know, look up. But then they will look at their foreign affairs and they dig out from that. They get us a little bit.

01:22:10:11 - 01:22:11:00

Speaker 4

Of, you know.

01:22:11:06 - 01:22:24:23

Speaker 2

Analysis and stuff like that. Then going up you must get up on a metal and metal. People you don't associate with is they. you have got a problem.

01:22:24:27 - 01:22:54:10

Speaker 4

It goes there. What is she have a question about the results of a placement test and if she's going to talk about it, how long you have to wait to get the results you have to come through on the important issue of the solar system, that is that for my high school did it on my alter examine the the neglect by the hospital.

01:22:54:11 - 01:23:00:21

Speaker 4

You have the name of the primary study and I didn't get that.

01:23:00:21 - 01:23:06:23

Unknown

In high school or indeed me and.

01:23:06:26 - 01:23:12:13

Speaker 4

I'm do that for my that is you know you.

01:23:12:15 - 01:23:16:14

Speaker 3

Are usually there I know.

01:23:16:17 - 01:23:49:26

Speaker 4

I you this but that is like European or and then tell me like how Congress not like you that it can for some those are you estimate so he's asking about what other grants we have state at that European country specialist the Tuesday friend and I was telling him about 8018 you can test you have to take if you don't have GPA or high school or definitely.

01:23:49:28 - 01:23:53:21

Speaker 2

Not. And that was kind of the worst. I think.

01:23:53:21 - 01:23:59:11

Unknown

That I will find a moment, think that they go and.

01:23:59:13 - 01:24:12:22

Speaker 4

She's asking me if she had the grant before, if she can get that the eight again. Yes, she can. If you know you then they are meant they were able to get go of it.

01:24:12:24 - 01:24:27:24

Speaker 3

But I think you're going to see a drastically or not that people care if you want a classical if somebody does go this is the proposal to get the student that you live in fear that they don't get the medical press. Mostly that is.

01:24:27:26 - 01:24:28:18

Speaker 4

That.

01:24:28:20 - 01:24:29:04

Speaker 2

I see with.

01:24:29:06 - 01:24:31:03

Speaker 4

You obviously don't.

01:24:31:05 - 01:24:32:12

Speaker 3

Ask me about financial.

01:24:32:12 - 01:24:55:29

Speaker 4

Aid. That's the opiate. If that was just you know, you live in the European it was getting good don't know 20. That's nice but it is a stressful time. Then you just go back on it on whatever. This is just pompous class services for getting less and if it's, you know, bothersome, you end up with it a lot.

01:24:56:02 - 01:25:16:19

Speaker 4

So Cinnabon, if 15 is interested in a lot of you, that if you refuse the plan, Europeans have to have a 12 year. You have to have told me that. And Europeans sometimes pay for me because if you don't catch to living in another country, they usually.

01:25:16:21 - 01:25:25:00

Unknown

Have. If you live in a country.

01:25:25:02 - 01:25:51:09

Speaker 4

Like you have been a student for, and you start giving me a second thing, look at the name so you can be quite annoying. But then when they go to this episode, I got that annoying because it didn't mean anything in Verano in 26. Not at all. Right. And they don't want to send the focus up because I know this funny, but I always say technology works but for our external student.

01:25:51:09 - 01:25:56:03

Speaker 4

But I knew and knowing that I don't think quite a bit about it and Mr. Good.

01:25:56:06 - 01:25:57:06

Speaker 2

Say I've got it in there.

01:25:57:13 - 01:26:24:20

Speaker 4

But I need to give it to you. She was asking me you how you have to apply every semester for financial aid despite academic year. This, this is the one for 90 to 93 academic year, but this is for spring and summer break. Then in general, we're going to have the one for 94 every year.

01:26:24:23 - 01:26:30:16

Speaker 3

And the ceramic disproportionately of the total that this.

01:26:30:18 - 01:26:32:27

Speaker 4

Fails because that it seems that in.

01:26:32:29 - 01:26:50:00

Speaker 3

Order for one to know, as you said from a parameters that would make a bucket will will with that unique biology name but that's not.

01:26:50:03 - 01:27:11:06

Speaker 4

It's the needle and then you up Instagram this is a breakdown. So what they do is based on what they think that given school, given is that if you have to pay back, right, it doesn't have to sound like student loans, then you have to.

01:27:11:06 - 01:27:18:13

Unknown

Pay back in the financial world. You were working last year this year. Is that.

01:27:18:13 - 01:27:30:29

Speaker 4

Still, if you qualify based on your income for last year, then you don't have to worry about it. But if I don't but if you don't qualify by the previous year, then we're going to kind of.

01:27:31:01 - 01:27:34:11

Speaker 3

When you look at this person, obviously after they put time.

01:27:34:13 - 01:28:04:16

Speaker 4

Or total spending. That's the promise of opinions. Immigration, the thing Facebook, you let us do that you have it done and going to mean was taking me to see so I'm in the business inspired me to write down what I meant apparently like a battle and does it get them out of meaning or is also some common threads of what.

01:28:04:18 - 01:28:10:02

Speaker 2

Someone will get to them and that's what I'll be. Get to the bottom of the.

01:28:10:03 - 01:28:16:25

Speaker 4

Identified by just to be a little bit. I didn't start.

01:28:16:27 - 01:28:19:26

Speaker 3

It and it's that before but after days time sitting on the.

01:28:19:27 - 01:28:21:28

Speaker 4

Campus and I.

01:28:22:00 - 01:28:26:03

Speaker 3

Had said this was state university that faculty carry on.

01:28:26:05 - 01:28:54:06

Speaker 4

But you don't have to reapply. We can transfer all your paperwork, but we cancel your eight year and then they award you again over there. Okay? If we don't transfer the money from here to there, I'll bring focus, see if you looking at suitcase if know you just mentioned a fee. He said spit it out on English. See that scene that you have you set up with the transfer fee.

01:28:54:12 - 01:29:01:11

Speaker 4

The 15 seconds. It almost said this question listed on in the middle begins when you say that.

01:29:01:13 - 01:29:06:00

Speaker 3

This is immigration service delivery. So anything that of course when you go to.

01:29:06:02 - 01:29:18:01

Speaker 4

See some banker no some of the same he asked if you have attorney will pay back the money if there are grants. No, but if they're wrong.

01:29:18:06 - 01:29:21:10

Unknown

Yes, you have to pay them.

01:29:21:12 - 01:29:25:14

Unknown

Okay. Okay. Let's sort of because you.

01:29:25:16 - 01:29:36:19

Speaker 4

Know, you don't report back and then all the money or here.

01:29:36:21 - 01:29:57:04

Speaker 3

They have you I think you have to recognize Maria. You know, it's almost like they have on.

01:29:57:07 - 01:29:58:11

Speaker 2

I don't know, since I.

01:29:58:11 - 01:30:03:09

Unknown

Got a lot of money in day, I feel.

01:30:03:12 - 01:30:13:16

Speaker 4

Like I don't get that get stuck employing stuff. Fantasy number seven almost a lot of Latinos get thrown house in and they collect like.

01:30:13:19 - 01:30:20:26

Speaker 2

You got to get them on our thing And I got a card that I need to go all the time.

01:30:21:02 - 01:30:27:21

Unknown

Looking at it but they get it that Manolo yeah yes there I think that.

01:30:27:23 - 01:30:43:24

Speaker 2

Not enough. Yeah I'm in an assignment, but I am. I said I'll have the Yankees if it's not their phone. I know they you have to come out of a need for like recap persona get online Campbell mutandis as well. Guy can stand up.

01:30:43:27 - 01:30:51:05

Unknown

I don't have any assets that I could get. No you know Chris what on the head off Kevin it's funny on.

01:30:51:08 - 01:31:21:18

Speaker 2

This it's I looked on Alex Avaya but Erika I guess I'll go down. Suzanne Gutierrez Yes, I'm actually Priscilla Santos so it's really good provided I give him that I'm happy for my girl is fabulous. Look I didn't get I said if they see here I he and Fernandes and you know he said I could get enough like on so we're not experts on us.

01:31:21:20 - 01:31:43:08

Speaker 2

He's only known for that. I have no greater concern at all. She's not. Are these them and others Forget what they had to pop in if never talk about like on upstairs. Lopez He nodded and figured out that fact. And I still don't know why. Hannah At the house, whatever, that I'm okay. I feel good. You think I know where I'm going?

01:31:43:08 - 01:31:59:03

Speaker 2

Even India. Pakistan do have a handle if they get up when they need him. I don't know. Don't know. Cause I had a family spaniel. As I said, I am not, if at all. Or had. I guess they all kind of thought I knew that they want us to come on that I, I on my Ghana I left my baby.

01:31:59:05 - 01:32:04:07

Unknown

Then I don't get.

01:32:04:10 - 01:32:35:21

Speaker 2

The manual for the further give me time to go to handle it. We don't talk at the end of the time go from \$0 cattle even but I woke up yesterday you know five get this I can't just there's to get a but and I do that get I'm in town and all but they had a gun battles that's going on I saw the ways Roland knows I'm going to head out because I'm based on a fence when I thought the was rolling and helicopter Wendy I guess I.

01:32:35:21 - 01:32:40:18

Unknown

Knew that the video.

01:32:40:20 - 01:33:08:11

Speaker 2

I'm going to fight and he'll be under Rosalie Gonzalez. Get out. I'm not that I know that thing saw this. He knows that and I got the better tracker. I have to look at it. You know, if I'm in this way, there is on the side. Yes. But I want to ask thing, I think, you know, is this I mean, they want to say I figured that I have a male Maricela Flores.

01:33:08:13 - 01:33:12:18

Unknown

Damian, it's a how do we keep track?

01:33:12:21 - 01:33:44:05

Speaker 2

Do they throw down like a damn Adelante? He made it clear that he somebody that I can't seem to get enough when I want that Michael that that and another thing they in the fabric they belong not I mean I think okay now they were captured by what I wanted to say is for those people that want a counselor to speak Spanish, these are the four counselors that speak Spanish.

01:33:44:07 - 01:34:10:29

Speaker 2

And sometimes when you when you see a counselor and you're still confused, and even if you don't need to talk to someone in Spanish these are the people that we work very closely with. And these five people are not counselors, but they could help you like if you don't know how to work out your schedule or you want to know something about instructors, these four people, these five people will be there to help so you can.

01:34:10:29 - 01:34:15:01

Speaker 4

Have them practice to it. You can change course.

01:34:15:04 - 01:34:39:25

Speaker 2

Yes, you can change your counselor. Before I forget, I just want to say in English, the office the counseling office is open from eight in the morning to 9:00 at night. Okay. The way you get a counselor, if you don't ask for a particular counselor, then you're trying to get whatever counselor. But if you can change any time that you want, nothing want that way.

01:34:39:25 - 01:35:15:28

Speaker 2

Okay. You know where they can? They are, of course. They had up where they had all they lose them. So you stand out not knowing got because they had. Okay. I don't like it when I had. Okay look at that about that from that found out I don't have to focus on continuing students. Okay look if I had excuse was going to get Kate I know 50 minute feedback for those of you that are continuing students, I need to go to the counseling office and make an appointment to see a counselor before you can register, especially if you're green.

01:35:15:28 - 01:35:35:26

Speaker 2

Sheet says you have to see a counselor and you do all the all your appointments through the receptionist because they're all on a computer. Can't get that. I think there's a lot of stuff he's done for a dollar sign and have a look at all that you said. I'm going to let him know this and get out, get off it.

01:35:35:26 - 01:36:03:08

Speaker 2

And I see that they were not make an appointment. You know, that's not gonna you know, look, I didn't give any campus on the elevator. Sorry that he got on the inevitable. Okay. I going to get glad to hear that I've even thought about that. Got his placement test. Get that. Don't get them. Don't make this. Just think that'll be stand on.

01:36:03:08 - 01:36:35:19

Speaker 2

I know it and place on this goulash. It is a place just I was a little tunnel and when he went to visit the I would have problem and thought this kid that might not have obvious but I look at some place I guess ESL if that's okay if it happened and that that might be it. But I thought if they had no skin in those they could put it in there.

01:36:35:21 - 01:37:03:20

Speaker 2

But then secondly, the instructor didn't have to be aware of it. For those of you that take the regular English placement test, we get the results in about 24 hours. For those of you that take English as a second language, it's going to take longer. And that's why you can only come in on Tuesdays and Thursdays to see the ESL instructors and then someone else.

01:37:03:20 - 01:37:39:27

Speaker 2

And I wanted to look at this because you say, I'm not gonna let me see it. See? Yes, I get that out. Yes, I seen language I have to. But I do know if if you go every year boy is there Bulgarian which I have, they know how to stop. Look at this. But I want to ask, I guess because we were topic is that if they had their body back if okay you didn't give me for my feeling they get it I mean it was on Afghanistan go down okay I guess I'll get it Tomasino that and get out of here.

01:37:40:00 - 01:38:03:21

Speaker 2

Some people are asking me what do I do if I don't know what career to take? What generally say? Then I'm off and look at the head of Italian and Lopez and I could see on my career center that I have that finance because the AMA major she's backing out Blanca so I'm not got enough money so not good enough for you.

01:38:03:24 - 01:38:21:18

Speaker 2

I know now in New Jersey that if that if a that's I know if you get infected we're not going to see that come out. Construction technology, electronica. I live on eastern atoll computer information systems.

01:38:21:21 - 01:38:26:01

Unknown

Some of that just.

01:38:26:06 - 01:38:28:04

Speaker 3

Because.

01:38:28:06 - 01:39:07:26

Speaker 2

Okay what happens that that I had you know I guess if they get the high ranking that we don't get a letter on us and I've got Iraqis filling up and I'm very I want to I don't want ever see that this is for the to hear not transfer vocational majors and this is for the two year transfer majors if you know you got I'll have you said there was a villa fighting up there and I don't get if you know not in Kentucky get into it whether or not I left I mean I could give you that general general education.

01:39:07:29 - 01:39:31:10

Speaker 2

Look that can young candidate but I want to be fit into that. So life is like that. Architect Why do you focus on that? Classes get in and get so mad. Engineer that and that's all time, you know. But I like that. I think we're exceptional. You went into lab like anything and a degree of I love it so much.

01:39:31:10 - 01:39:39:02

Speaker 2

And don't forget it got to a campus they don't get it if they are bad your skills 15 years.

01:39:39:04 - 01:39:41:00

Speaker 4

Or so you that's okay.

01:39:41:03 - 01:40:00:20

Speaker 2

That that's how we do that is there where there has to be together you know make it easier for the one of my classes in out but I if I got into the house people are that this idea if kids left last this madness is that if I did good enough I wouldn't get them on the flesh madness of Korea.

01:40:00:23 - 01:40:33:17

Speaker 2

So I'm in. You might they had to get Italian didn't get to have I you know, a lake. Yeah I look at it for that but I they're giving to a lot of my classes there. Yeah. I just get I don't understand the territory here. I'm not going to give you not imagine. I got in order for you to graduate the basic classes that you have to take a math class, a writing class, and a reading class, and they have to be at a certain level.

01:40:33:19 - 01:41:05:15

Speaker 2

I'm not going to go into the levels right now, but just know that you need to start with those three classes. If we were to understand it, could. Danica comments are going to have that, but I don't think anybody on that on active we get that those classes in exactly that that are not taught in Albuquerque or not but I know that they they have a degree Cindy and as a second test and that only got it down okay 60.

01:41:05:15 - 01:41:11:12

Unknown

Units and this semester we need to learn that they've been.

01:41:11:12 - 01:41:38:22

Speaker 2

The last year don't ask don't comments are coming let's go with it. When a man who says I don't know my my hand holding that I can't do that. There's so much comments I can only get that in this case. And then the whole issue and I did it on my I think they all need others for semester and those I know that I know and go back.

01:41:38:22 - 01:42:15:23

Speaker 2

What do you say you wanted to know how many classes do you need to get an eight day degree? You need to have 60 units, 60 classes. Occidental knew that it had 50 advanced. That being the classes. Okay. But when I was saying is a lot of it depends on what what level of English you start out. If you're an ESL student, it's going to take you longer or if you started an English 92 or you started in English three different times, it means extra semesters for you.

01:42:15:25 - 01:42:23:07

Speaker 2

Also, you all have to know your math and not began.

01:42:23:09 - 01:42:27:10

Unknown

In English on a tactical. So you say.

01:42:27:12 - 01:42:39:06

Speaker 2

Okay, get math written. You know what you make of them. I'm here, but I'm going to never make all your math any better. So lucky to have you done, but I'm not.

01:42:39:06 - 01:42:42:26

Speaker 3

If they come in, I'm across. You're not finding the tally?

01:42:42:28 - 01:42:47:20

Speaker 2

No, no. But I stack them up five.

01:42:47:22 - 01:42:52:02

Unknown

Letters on I it could get it. If they can't get it.

01:42:52:04 - 01:43:22:07

Speaker 2

In, I get Jesse. You've got to check it out. Leave it at that. I think for those of you that are taking a vocational or two year contract here, you just have to finish algebra two, Algebra one, If you're planning to transfer, you have to go one level higher than algebra two. So you just you need to know that.

01:43:22:09 - 01:43:24:11

Speaker 2

Are there any other questions.

01:43:24:13 - 01:43:34:25

Speaker 3

Excuse me on when they go to pursue this. They didn't say it was the only age grade E apparently. Come here.

01:43:34:28 - 01:43:59:29

Speaker 2

Forget it. You're going to age, you know, yet we're not ready. It's not like 88 with an inferior cooking. But they say eat out is okay. So that bad? Even if you get whatever third get, if they get a letter sort of focused on this, that's often been found out. I mean, I'm going to go talk at the AMA.

01:44:00:01 - 01:44:25:02

Speaker 2

I have to pay for a transfer agreement, but I love it. So my kids, they get a quantity. And I look at the AMA, the transfer agreement, and I love your son at the heart of the future. Not only that, I mean that is, but I guess if we didn't translate it when I finished, the application began to get into over 20 years without it getting in that I think I can use that happen.

01:44:25:02 - 01:44:50:29

Speaker 2

Eric If you'll get read out loud directly, I that got us. Where is he? And you're kidding. I know your dad I not the kind of your from it. Okay we have a lot of stuff classes those that read my name Madam Public madame on Santa Clara Santa Clarita and he said okay she took complete that's all his our classes and other stuff I'm not saying.

01:44:51:02 - 01:44:53:08

Speaker 3

They.

01:44:53:11 - 01:44:55:16

Speaker 2

Were like but I think.

01:44:55:18 - 01:44:58:19

Speaker 3

Just for the most everyone will love classic He used to say.

01:44:58:21 - 01:45:21:03

Speaker 2

No, no, no. Don't you get the idea that classes the classes for the public that thought that the classes came back in this thing on Daniel and Dr. Santa Clara. But did I have that look at not getting to get the runner that you got to get up walking. I'll get up, get back up. I think it to get us we need lucky.

01:45:21:10 - 01:45:25:27

Unknown

Enough to get how many minutes for that you have to.

01:45:25:27 - 01:45:58:00

Speaker 2

Have 18 units before you can do the take And so you had you take the 18 units of the classes and whatever, and then you put the application and and promise to take certain classes of 18 units have to be transferable units. And you think that. Sure, if you have 18, if you're planning to transfer and you have complete 18 transferable units, then you can see a counselor and do a a transfer agreement.

01:45:58:03 - 01:46:19:23

Speaker 2

What that means is let's say you want to go to the University of Santa Clara or the University of California, Santa Cruz, or Santa Fe State. Do you fill out this application you put down? I'm going to take all these classes and I want to apply to your college or university. You sign it, it goes to that college.

01:46:19:26 - 01:46:42:14

Speaker 2

The college looks at it and says, okay, we agree. We will save you a place. So when you finish all these classes, you will have a place here. So you you get a copy of that and that's your contract. That means

when you're ready to graduate, you've got a place. And that doesn't mean they're going to give you the financial.

01:46:42:16 - 01:46:44:28

Speaker 2

It simply means you've got a place.

01:46:45:01 - 01:46:49:27

Unknown

Okay, I don't.

01:46:49:29 - 01:46:51:22

Speaker 4

Either college for us.

01:46:51:24 - 01:47:14:11

Speaker 2

To get it. Secondly, you need to post. Okay, look, I think I said to give that that just goes on. And if the fact is, if I got to Chicago to go a semester, I'm going to get over to that. Could I have can you get that over there? You say a petition to graduate a I feel a competition away.

01:47:14:16 - 01:47:34:02

Speaker 2

I got yeah complicated. That's almost like if you go or thought about the fact that is a complex complex that I love I can sit down and understand that I it okay. Yeah. I think what you have to he's asking how do you, how do you know? Did you comprehend all the requirements for.

01:47:34:02 - 01:47:43:17

Speaker 3

Your you know, how to deal with the legal pressure in the course. I don't know.

01:47:43:19 - 01:48:13:10

Speaker 2

Okay. Yeah. And anyway, all you have to do, how do you get a degree here without transferring to a four year college? Okay, so you do the same thing. You get a major sheet, you follow all the coursework the semester before you graduate, you come to see the counselor, fill out a petition to graduate. We send that counselor that we send the petition over to admissions and then admissions.

01:48:13:17 - 01:48:35:08

Speaker 2

Okay? You've completed everything. You can now graduate, or they're going to say, no, you still need this and this credit score pros, right? That that's what. I'm not kidding. I think it's important to get it and look at they said back take a different place every year you know okay if you get it decent off and get easy character, they'll find you.

01:48:35:10 - 01:49:01:05

Speaker 2

But I have to confess, I feel that it so often offer gets so Chicago you get like I've got that and I got to go. But unless people understand what it is that if they're sticking out of it but the commonality Ed like this on the whole time, yours or mine if they don't last night to take up the.

01:49:01:08 - 01:49:08:26

Speaker 3

Student loan for not offering some classes in order to keep them honest.

01:49:08:26 - 01:49:20:11

Speaker 2

01:49:20:14 - 01:49:24:28

Unknown

01:54:55:12 - 01:55:01:05

Speaker 2

Yeah, I think only. Okay, single people, you'll be set up.

01:55:01:05 - 01:55:07:24

Unknown

01:55:39:00 - 01:56:07:01

Speaker 2

If she has a degree in another country. What how many units does she have left to do to get a degree here. And what you have to do is you have to send your transcripts from another country to be evaluated. When those come back, they tell you you can get credit for this and this and that. And then you can sit down with a counselor and a counselor to say to you, you need this class.

01:56:07:01 - 01:56:13:24

01:57:38:10 - 01:57:42:29

Speaker 2

No so you I mean I think that financially.

01:57:43:02 - 01:57:44:28

01:57:48:03 - 01:57:50:24

Speaker 3

Little but I wouldn't want to do.

01:57:50:26 - 01:57:51:11

Speaker 2

What.

01:57:51:13 - 01:57:55:01

01:57:55:04 - 01:58:02:03

01:59:16:13 - 01:59:20:00

Speaker 4

For permission for their records. If the point of.

01:59:20:03 - 01:59:28:24

Speaker 2

The this on this program Come on, come on, come on that the question is what's the difference between a W.

01:59:28:26 - 01:59:34:20

Unknown

And a credit? No credit. What we're saying is a W means you simply drop the class.

01:59:34:22 - 01:59:48:06

Speaker 2

But then no credit means you stayed in a class, but you didn't pass it, so you felt bad. Their GPA? Yeah, I was told it, but it's not in your GPA, but it's on your account with progress probation.

01:59:48:09 - 02:00:01:05

Speaker 4

But they do count the class one when they come out with it. Yeah. So they do count those three in your household by non credit.

02:00:01:08 - 02:00:05:14

Speaker 3

And by the teacher the she.

02:00:05:17 - 02:00:22:08

Speaker 2

02:00:22:10 - 02:00:27:09

Unknown

I think if they want to march on our credit no credit what it.

02:00:27:09 - 02:00:28:15

Speaker 2

Is where they can sit down.

02:00:28:15 - 02:00:33:24

Unknown

And look at it you said that I went back and I don't. I don't like laughing.

02:00:33:26 - 02:00:54:05

Speaker 2

02:00:54:05 - 02:00:59:17

Unknown

02:00:59:20 - 02:01:07:06

Speaker 2

You know they say, okay, I want to get and I get credit. No credit. No, nobody ever.

02:01:07:08 - 02:01:11:09

Unknown

02:01:54:19 - 02:02:02:17

Speaker 3

02:02:02:20 - 02:02:26:18

Speaker 3

Yeah I think that doesn't present them. We the industry added Chicano. They actually like as soon as like the Latinos and African-Americans that this lecture stands for software student movement. But two months and probably the oldest student organization that campuses are.
