Dearest Jane:

Thank you again ever and ever so much for all you did to make my trip a success. The party at your house was a highlight because of the quality of the people, and the four radio interviews were probably the most valuable part of the trip.

Best of all, of course, was being with you, getting caught up with your life, enjoying your lovely introduction, being in your wonderful home, and seeing you looking so marvellous.

Please keep in touch. And won't you please phone me collect if there's anything you think I ought to know bearing on Alan's fortunes? (415-948-4893 or 4905.) Please let me know if I can ever help set things up for you through Melinda on your

trips to Washington.. Come see us!

Much love,

R.E.

P.S. I feel so frustrated that I didn't
say more about you at Betty Stephens'!
(I was in a state of nerves fearing an
explosion of hostilities between Cindy
and Betty (who was having Cindy carry chairs,
answer doorbell etc etc!))
