

V I C T O R Y   G R A M  
TO VENTURA COUNTY DEMOCRATS

June 1958

The overwhelming Democratic victory in the California primary election of June 3 is well known to all of us, and has been widely reported in all national magazines as an event of major national significance.

Life Magazine of June 16 carries the story as the lead article of the week. One significant paragraph reads as follows:

"In California, as in other parts of the Country, Democratic ascendancy stems from both smart politics and hard work. New registrations have brought in almost three times as many Democrats as Republicans. The California Democratic Council, a collection of 500 local clubs with 40,000 members, has supplied a new note of maturity to California politics. Republicans, who have not developed a parallel organization are frankly respectful. During a campaign C.D.C. members supply some \$200,000 worth of voluntary labor, ringing doorbells, licking stamps, staffing offices."

The Ventura County story is a noteworthy part of the California story. Great numbers of loyal, dedicated Democrats gave generously of their labor, time, and money to help create a resounding victory in Ventura County. Your campaign coordinating committee is proud of this effort, and wishes to acknowledge with thanks the contributions of all these fine people. The following lists are as complete as we are able to compile at this time. To those whose names are inadvertently omitted, or whose contributions were anonymous, this likewise is set forth as a sincere tribute.
