

Dear Jane -
Congratulations on your Mayor-ship.
I know you would have pre-
ferred a different way of doing
it but obviously your fellow-
councilmen felt it was the
time for you to take the step.
Everyone is aware that you tried
to prevent the harshness but
sometimes, in spite of our integrity,

Others take matters into their
own hands.

Anyway, I'm happy for you.
This will even carry you through
next year's election.

Again, congratulations & best wishes
Major Elect Jane. Another first
for Oxford

Very truly,
Berry Funn.
