Dear Jane:

Well, you can't say I didn't try to help you to bring Senator Jackson to Ventura County for a speech this Fall. I not only invited him to stay with me, but also suggested that he could profit from an inspection of the facilities at Point Mugu. But, as you know, other matters interferred and he is not going to be in the South this year.

The enclosure may be of interest to you.

Yours very truly,
