## Leisure Village Board Candidates

**Karl Cannon**

When the nominating committee in 1979 invited me to send in a resume for their consideration as a candidate for the Board of Directors of Leisure Village, I declined. When invited again in 1980, I asked for time to think about it. When Karl Joehnck, former Board Director commented to me at a house party that our Village faced many problems, not the least of which was the refusal of qualified villagers to accept the responsibility for

See Cannon C-23

**Robert Karlin**

Among the people chosen by the Nominating Committee for a position on the LVA Board of Directors is Robert Karlin, a two year resident of the village. An easy-to-meet man, he quickly becomes "Robby". His conversational banter sometimes disguises the deeper feelings he has regarding human relationships, care for the defenseless, democratic justice, and the free enterprise system.

Karlin, born in New York City in 1913, left school after the 8th grade to find a job. A friend recommended him to showman Billy Rose who hired him as assistant Stage Manager. He then spent two and one half

See Karlin C-18

**Donald P. Moore**

I recognize that being a member of LV Board of Directors is a very responsible, time consuming job. For two years I'll take my turn and do my best for the welfare of our Village. We have a saying at our house, "Be careful what you want, you might get it." Nevertheless, if I didn't want it, and believe I can do a good job, I wouldn't be asking for your votes.

We in LV are very proud of our little city. When we have

See Moore C-23

**Milton Sherman**

Milton Sherman was asked three times to become a candidate for the LVA Board of Directors before he agreed to send a resume of his experience to the Nominating Committee. "I believe I can offer assistance to the place where I have chosen to live," he simply explains.

Some of the high points of his career are here enumerated:

Graduated Southwestern

### HELP!!

Next month ILV will again bring you the views of prospective board members on important issues of Village management.

For those of you who were in LV last May, you probably remember that we printed candidate's opinions and answers to representative questions which you had sent in. Again we ask your help. Will you please, within the next five days, drop any questions that you wish to ask of them into our mailbox by the parking lot door? No unsigned questions will be considered.

### Welcome to Mr. Parness

L.V. residents welcome Mr. William H. Parness, appointed by the Board of Directors to serve as our new General Manager.

We say thank you, best wishes, and Godspeed to Stan Berman, who has worked with the Association for our first eight years.

### Highway 101: Where Are We?

By Joe Gaynes

A panel of highway engineers discussed the issue of widening Highway 101 before a large group of residents at the monthly meeting of the Community Relations Committee on April 16th. The panel agreed that the completion of 101 will take years. John Kenan, Engineer-in-Charge for Cal Trans indicated that everything is on

### ILV Workshop

On Tuesday, April 28, at 10 o'clock, ILV will hold its quarterly Workshop in the carpeted area of the MPR. At that time we shall try to answer any questions you may have regarding your participation in this publication. We shall also try to give pointers to you that may help us all to do a better job together.

We hope to welcome back many old friends but especially invite new people who have never attended before, as we are constantly striving to widen our horizons. Do come in and let us meet you while you find out more about us.

# INSIDE LEISURE VILLAGE

## • O P I N I O N •

### POINT OF ORDER, MR. CHAIRMAN!

At official meetings of the Board of Directors of the Leisure Village Association, to which all resident owners are invited on the first Monday of each month, there is a slot on the agenda for those present to comment (in three minutes or less) on items listed under New Business. To alert those who plan to attend, the agenda is posted in the Library on the Friday before the Board meeting.

On the surface, this would seem to be a democratic procedure. For here is an opportunity for any Villager to offer "input" into the Board's decision-making process, before the Board acts.

This is fine so far as it goes; however, reflecting on how this works in practice, one would have to conclude that what we are witnessing is nothing more than a "gesture" by the Board at engaging in dialog with the Village constituency.

Those who take the floor mike for questions or comment are at a disadvantage. They have not yet heard the Board members' background summaries of the items of New Business; so the comments from the floor are not based on all the relevant facts and considerations.

When discussion from the floor ends, the Board proceeds to take up the New Business in a perfunctory manner: A report on each item is given by one member, followed in most instances by no expression of views by other members. When the vote is taken, an observer has the impression that the outcome was, in fact, determined at a previous, "closed," meeting.

In the same spirit in which the editors of ILV have offered other suggestions to improve the Board's communication with Association members, we suggest the following procedure to re-invigorate Board meetings:

When New Business is being considered, each item shall be taken up seriatim, as follows:

- 1) The report and/or motion presented by a Board member.
- 2) Discussion invited from the floor.
- 3) Board members then voice their opinions and/or debate the issue.
- 4) Board votes.

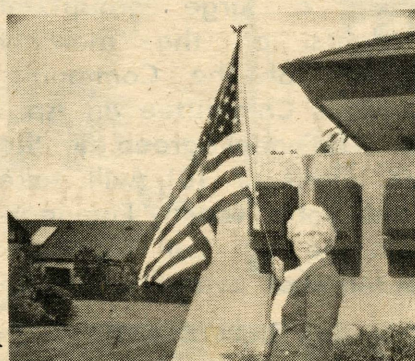

Attendance at Board meetings would become more meaningful to Village residents, who, taking note that their opinions are indeed an influential part of the decision-making process, may even be inspired to offer themselves as candidates for service on the Board.

We invite not only present Board members, but the nominees to the Board in the June election to respond to our proposal.

## Letters

Dear Editor:

At the April 6th meeting of the Association Board of Directors Karl Joehnck, a former Board chairman, suggested that the Nominating Committee to be appointed by the Board for the year beginning July 1st be "charged" or instructed to make only as many nominations as there are vacancies to be filled.

The reason given for changing the present procedure, which has been to nominate at least one more than the number of vacancies, is to avoid an outcome where the person who "loses" supposedly suffers humiliation. Joehnck stated that he knows of instances where those who lost the race for a seat on the Board subsequently withdrew from volunteer service on committees and other such activity.

One can appreciate Joehnck's concern for a defeated candidate; however, his proposal not only is contrary to the letter and spirit of Association By-Laws, but would be harmful to our Association.

Article VI of the By-Laws gives the Nominating Committee discretionary power to screen candidates and to recommend to Association members those who are qualified to serve on the Board. It is then up to the members to vote for the candidates of their choice -- by secret ballot.

Exercise of this franchise is an essential part of Leisure Village democracy, which the Joehnck proposal would torpedo, because it would make voting by Association members redundant.

Deprive Association members of the right to vote for Board members, and attendance at the Annual Meeting would decline. In the absence of a quorum (50 per cent membership attendance), Association business could not be transacted.

Fortunately, our By-Laws offer protection against precipitous action by the Board of Directors, should the Board be inclined to implement the Joehnck proposal. The Nominating Committee cannot be deprived of its discretionary authority to nominate any number of candidates for Board Office without the Association's first amending the By-Laws by a majority vote. (Article XVIII).

I have no doubt as to the outcome of such a referendum.

Harry Becker V. 20

Dear Editor:

I want to thank my many friends in the Village and especially the wonderful women in the Friday Rosary Group for all of their prayers, thoughts and cards sent to me during my recent illness.

Theresa Ianaro, V. 4

**Your coordinator for the month of May will be Betty Murray. The first deadline for May issue is May 11. Only late breaking news will be accepted after that, with final deadline May 18.**

ILV believes that your club activity can best be reported by you, but whenever this is impossible, we will arrange to cover the event when we receive advance notice, and two reserved tickets for our reporter. The same is true for picture coverage.

Be sure to warn us as soon as possible for this coverage. Remember that this is your newspaper too, for all of us.

## More Letters

Dear Editor:

We wish to take this opportunity to thank all of our friends in Leisure Village for their special thoughtfulness and kindness during our deep sorrow caused by the death of our dear husband and father, Lewis Simon.

We also wish to express our appreciation to the Inside Leisure Village staff for the beautiful thoughts and words written in Lew's memory in the last issue of this paper.

Lee Simon and Sons

Dear Editor:

Many thanks to all our neighbors and friends for their kindness during our seven years in Leisure Village.

A special thanks to both the Men's and Women's Golf Associations for the beautiful plaque.

We love you all and will miss you.

Bill and Rosa Lee Howell

Dear Editor:

Congrats to ILV on celebrating their Second Anniversary! This monthly paper has been most welcome to Villagers because of the news content that keeps us all abreast of what goes on in the Village. Now that it is in its third year perhaps some New Year's Resolutions might be in order for your Editors. I suggest the most important one might be to refrain from burying your hatchets in the tender heads of our LVA Board of Directors. These hard working and dedicated people whom we elect to manage our multi-million dollar business do not deserve the constant carping from the editorial pages of ILV. In recent months I have noticed the situation much improved and to the credit of our Board they have never dignified the criticism by either a rebuttal or other means. Perhaps they should.

If our Board disapproved of ILV in the beginning they did so with good and sufficient reasons. All of us disagree with some of their decisions but all of us must realize that they base their decisions on facts, not rumors, and for the most good for the most people. It is to our Board's credit that they have adopted some of the

## Outreach Lecture Scheduled

By Joe Gaynes

The Your Neighbors Care Group has over the years been responsible for bringing to the Village outstanding speakers in a great variety of areas of vital concern, dealing with health, recreational, medical, legal and other problems.

The Ventura Health Care Agency has recently directed its attention to the needs of senior citizens. Through it a new program of Out-Reach Services will develop with their essential elements being consultation and education. LV has been selected for a series of eight lectures dealing with topics affecting seniors.

Barbara Weed, an outstanding advocate of senior issues, was the first speaker at our March 24 meeting. She is known throughout the State of California for developing "Special Programs for Special People". Mrs. Weed gave a very stimulating lecture on the critical needs of seniors.

The second lecture will be on April 28 at 7 p.m., in the MPR. Mr. Frank Thompson, President of the Grey Panthers, Carpenteria, will be the featured speaker. He will discuss the following topics: Bettering Lives of Seniors, and How to Use Advocacy. Mr. Thompson is an engineer and a recognized world authority on Solar Energy.

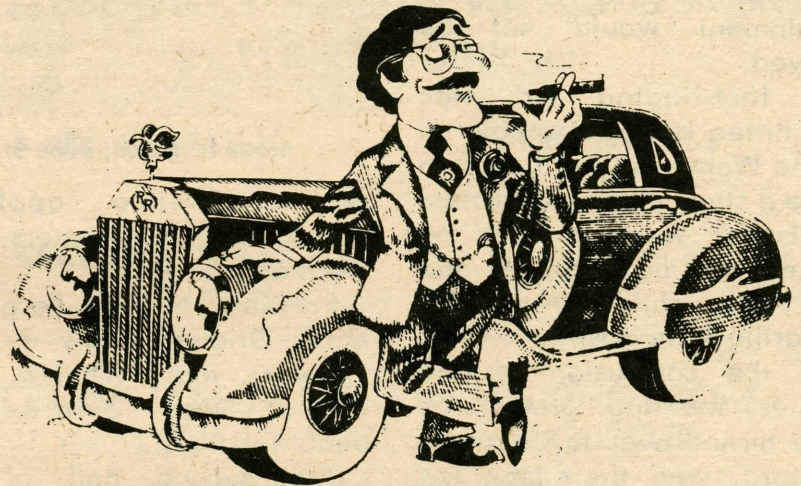

suggestions made in the pages of ILV and as time goes by I look for more cooperation on both sides.

One glaring error in the operation of our Association is the lack of communications and complete lack of good public relations. This method of operating is unthinkable in modern corporate life today in the business world. ILV has, in an important way, done much to correct this situation.

Let's all pull together and keep our Village the ideal life style it has been since its inception and stop the unwarranted and undeserved abuse on our LVA Board.

Kenneth R. MacKaig

## The Leisure Village Women's Club

By Millicent Hofmann

There was a record attendance of Village ladies at the April 2nd meeting of the Women's Club.

Prexy Lillian Skellenger and her staff made a very special effort to condense the business meeting, so that the entertainment would not be delayed.

A fact-finding Ad Hoc Committee is to be appointed by the Women's Club Board to make a study of area charities. An Easter week project: 60 baskets will be prepared and taken to children at the Camarillo State Hospital.

At the conclusion of the business meeting, procedures were turned over to Gertrude Dorward, who thereupon set into motion the first part of the program, a colorful parade of Easter bonnets; beautiful, funny and original in design,

Irene Ferguson, Billie Brooks, and Mary Whalen. Photo by Stabler

with audience applause determining the winners, who were as follows:

Prettiest: Irene Ferguson; Most Original: Billy Brooks; Funniest: Mary Whalen. Each winner was awarded a beautiful plant.

The second half of the program featured an exotic fashion show of ethnic dresses from many lands, becomingly modeled by Club members.

They were introduced by 1st Vice-President Edna McCormick, who served as commentator. The models showed off their apparel by doing graceful mini-dance routines of the countries they represented. Musically highlighting the production was that excellent organ virtuoso, Florence Krueger, playing selections indicative of each nationality.

Program Chair-person Edna McCormick announced that the Village Players have accepted an invitation to provide a pleasurable bit of theatre for the Women's Club May 7th meeting.

Everyone familiar with the accomplishments of this prestigious group is aware of the treat in store. Village ladies, both members and non-members, are invited to attend!

On meeting days, from the moment the Assembly Hall doors are opened by the vivacious greeters, one can sense an aura of exhilarated expectation emanating from members as they enter. And why not? They have learned that this is not an all-work and no-play organization! Join us and see for yourselves! We welcome your attendance and will be happy to share with you the delicious refreshments provided by our hostesses, Sylvia Plann and Minnie Fierstein and their hospitable assistants!

## Village Library

By Janine Blymer

All of us who work in the library, sixteen regulars and six substitutes, are kept very busy because the library has to be one of the most popular spots in the Recreation Center, and we are very happy it is so.

We are grateful to the many who are considerate and respect the few rules we have: there are many books and you take out as many as you like, and you return them, on the proper shelf, within a reasonable length of time. We are lucky also to have several encyclopedias and these should not be taken home since they are reference books. Several numbers of the medical encyclopedia are "absent", and have been for some time. Several dictionaries, among them a brand new English-Spanish one, have disappeared, we hope not forever.

The Association subscribes for the benefit of all to the Wall Street Journal, Time, Newsweek, Fortune, Consumer Reports, and The Ladies Home Journal; the current issue of all

these should remain in the reading room. The Wall Street Journal is kept for a month in the library itself. Please do not remove it: back issues are much in demand.

To ease our work, be sure to return books and magazines to the Return shelf, and place books you are donating on the shelf above; if you want to donate more than just a few books, kindly contact one of the library chairmen: their names are posted in the library.

Remember the library is for everyone and we all have a responsibility toward it.

## Single Scene

By Lori Kaye

We are often asked, "How many singles are in L.V.?" We don't have a count, but I would 'guesstimate' about 500.

Here is something to think about. If you believe you will never move again, chances are that someone in your home will be left single. There is a bright side: singles do meet other

## Needlers' Show Creates Much Interest

Leonie Ziler works on crewel at needlework exhibit.

Photo by Stabler.

The Needlework Exhibit on April 5th was well attended by residents and friends, who saw a number of different techniques on exhibit, and several demonstrations. One outstanding piece was the Cathedral Window quilt. Entirely handmade by Vi Shirk, it took three years to complete. There was other lovely quilts, cutwork embroidery, weaving, crocheted tablecloths and afghans. Also included were knit and crocheted articles of clothing, macrame, and crocheted toys. There were stitchery pieces large and small, and many examples of needlepoint. The pieces

showed a great diversity of talent and careful execution.

Leonie Ziler demonstrated shisha work (embroidery with small mirrors). There were also demonstrations of knitting, crochet, silk thread embroidery, and needlepoint.

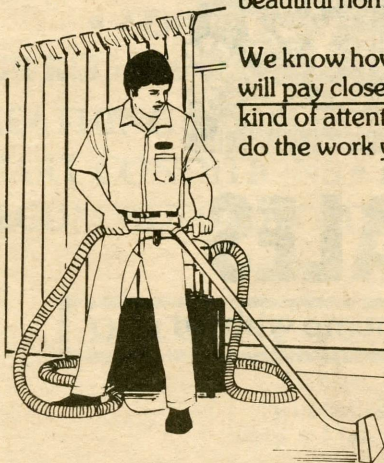

Several people expressed an interest in learning some of the techniques. Perhaps others will be inspired to try new kinds of handwork.

The show was sponsored by the Needlers, and many thanks are due those who helped to make it successful. The Needlers meet Friday mornings in the Women's Club Room from 9:30 to noon,

**"And make sure  
you do not  
scratch the floor  
while cleaning it."**

We know. We know how people like yourself have suffered when they hired a cleaning service that scratched your expensive floor from heavy equipment, or did other "accidental" damage to your beautiful home that you felt could have been avoided.

We know how hard it is to find a cleaning service that will pay close attention to those small details, the kind of attention you would give if you had time to do the work yourself.

## Saturday Night Ballroom Dance

By Henry and Betty Hebert

Spring was formally welcomed with our "April Showers Dance" on April 11, by the Saturday Night Ballroom Dance Group, with Max and Helen Lustig and Sam and Rose Lorber as our genial hosts and hostesses.

The A.R. was beautifully decorated with an array of colorful bunting, balloons and parasols. Lovely ladies and handsome gentlemen arrived in colors announcing "Spring", in their best "bib and tucker".

As we watched everyone come through the door, we wondered what was going through their minds. Did they recall a high school prom, a college dance, or a playback of a quiet rendezvous? With the help of a wonderful planning committee and the choice of excellent hosts and hostesses, we could join all our friends for an evening of dancing and reminiscing. Since everyone has a chance to be host and hostess, it gives them a feeling of belonging.

Dancing was enhanced by the

inclusion of appropriate songs of the season, such as "Singing in the Rain", "April in Paris", "Rain, Rain Go Away", and "It Might as Well Be Spring".

Refreshments included punch, coffee, tea and popcorn. As an added treat, we had the good fortune of helping O.C. and Ruth Marler celebrate their third wedding anniversary. Cake and champagne were served to everyone, as a special surprise by O.C. in honor of the occasion.

Our next dance will be April 25th, with Bill and Donnie Weigel and Bill and Helen Trumbo at the helm.

Please look forward to our 5th annual Saturday Night Ballroom Dance on June 27th. All are welcome.

**BABYSITTER NEEDED.** 3½ days a week. Infant and 3½ year old, in my home. Mission Oaks area. Mon.-Tues.-Wed. 7:15 am - 4:00 pm. Thurs. 3:00 - 5:00 PM. Call 482-6218 after 4:30.

**SWING  
DISCO  
JAZZ**

By John Laub

The SDJ group will host the following two Saturday night dances in the AR at 8 P.M. May 2, Cinco de Mayo and May 23, May Dance.

On May 2nd, we will have three performances by various entertainers at the 9 o'clock dance break. First; the Dance Workshop under the direction of Marguerite Abdelnour will give us a number. Second; Charlotte and Joe Romero will perform an authentic Mexican dance.

Third; the Ballet Folklorica

Cuicapan will give us their rendition of dances and music from some of the states of Mexico. This group of 19 adult members was organized two years ago in Oxnard with a desire to share these beautiful cultural expressions with others. All members are professionals outside of the dance media. They have performed in Disneyland, Los Angeles, Santa Ana, Fontana, 16th of September and May 5th celebrations in Oxnard, Camarillo, Ventura, Santa Barbara, and in schools, hospitals, theatres, etc.

Come join us for an evening of dancing, entertainment, fun, and socializing with your neighbors. BYOB. Coffee, tea, punch and ice will be provided. Donation, 50 cents per person.

### YOUR CRUISE HEADQUARTERS

## LAMBERT'S TOURS and TRAVEL

35 S. Oak St., Ventura

**Call Collect  
653-1911**

We wanted to take this opportunity to wish all of you, our traveling friends, the very happiest of New Years. We at Lambert's Tours and Travel are moving forward in this new year, planning a variety of exciting tours which we think will be of interest to you. We have included a brief list of some trips which have already been planned for 1981. We will be adding to this and will keep you informed as we do. If a particular trip is of interest to you, we encourage you to make your reservations early as they do fill quickly.

|             |                                                               |                                |
|-------------|---------------------------------------------------------------|--------------------------------|
| May 17 - 19 | LAS VEGAS                                                     | \$79.95                        |
| June 2-10   | UTAH/COLORADO ROCKIES 9 Days                                  | \$488.00 Via Rio Grande Zephyr |
| June 3      | SAN SYLMAR, Merle Norman's Tower of Beauty                    | \$9.95                         |
| June 8      | RENO/LAKE TAHOE                                               | \$169.00                       |

schedule, and that it will be processed through three stages, each under separate funding.

Al Knuth, Director of Transportation for Ventura County, felt that the three stages will create functional problems, and that availability of funds is the most critical problem.

Dan Greeley, Camarillo City Engineer, pointed out that the City is working rapidly on agreements with the State to keep everything on schedule.

Bill Esty, our L.V. resident member of the City Council, assured the audience that Camarillo will move urgently for road construction and leave other issues for later considerations.

Robert Karlin, chairman, and Haig Ayanian, former Cal Trans Director, were complimented by Dan Greeley for bringing issues of this nature to the attention of the Camarillo community. L.V. shares a concern with the entire community.

The portion of Highway 101

from the bottom of Conejo Grade to the railroad crossing in Camarillo is scheduled to be the last section finished. As the eucalyptus trees have been designated a State Historical Monument, the main roadway will be built south of the trees on land to be obtained by eminent domain. Bridges over the two principal drainage creeks will have to undergo environmental impact studies before their design (height) is changed.

For L.V. there are no significant changes. Citizens will have to continue to pressure the State Legislature for funds, and be patient.

**VILLAGE  
SWINGERS  
SQUARE  
DANCE  
CLUB**

By Romaine Lambert

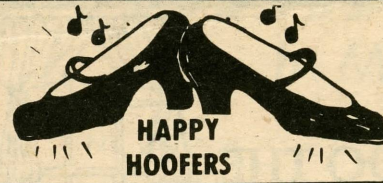

The Gregersons did it again--planned a Mystery Bus Trip which proved unique. When fifty square dancers boarded the bus before 4:00 P.M. on February 28th, the guessing immediately started. When the bus headed northwest on 101 the predictions narrowed. In about an hour the bus left the freeway at Summerland and arrived at the Big Yellow House where a real country-family-style dinner was ready. By 6:30 we were on our way again and the mystery was solved when we pulled up to the American Legion Hall in Solvang--an inviting hall with a wooden floor.

The unique feature of this event was that it was no ordinary visitation to another club in Solvang. No, the Sets in Step from La Crescenta had rented the facilities for their annual President's week-end,

and we had just horned in (with their permission, of course), and tasted their enthusiastic hospitality. The caller was Darryl Hamilton from Santa Maria, and there was nary a boring tip the whole evening. On the way to our destination all of us had out sung ourselves with the help of songsheets Mae had provided, so the trip home was completely relaxed and satisfying.

Close on the heels of this successful outing was the Monte Wilson March Mixer, and indeed, again the Committee as well as Monte produced a whole evening of mix-ups. Perhaps Charlie Dugan deserves a thank-you at this time for all the good callers he has arranged for.

Another surprise! A guest caller in the middle of the month! It turned out to be Joe Lukocevich (and Cathy) of Santa Barbara who pinch hit for Wyane. Wyane and Mary Anne were in Kansas City for the Callerlab Convention. One had to be at this dance to fully appreciate the surprise. (Wyane will no doubt have

**By Roie Beck**

The Happy Hoofers performed for the 19th Hole party on March 29. Daisy Bien, Dorothy Karlin, Shirley Heller, Mimi Kaufman, Trudy Orsan, Helen Gold, Sophie Lebetkin and Ginny Cordell did a Jazz routine and a specialty, Rock-a-Bye.

some for us on his return, too).

Did you all pay your property taxes and your income taxes? Are you in shape, then, for the Poverty Promenade on the 28th? Don Schadt is definitely not a poor caller, as most of you know, and the party will be completely tax free. Do you need any other incentives? There will be prizes.

On April 22 the Hoofers put on an hour show at the Pleasant Valley Convalescent Hospital. The entire ensemble performed a Jazz routine. Vocal selections were provided by Miriam Hasen and Mimi Kaufman. Disco exercises were capably presented by Eldred Silva, Joan Johnson, Daisy Bien, Piff DeSimone, Shirley Heller, Ginny Cordell, Dorothy Karlin and Betty Murray. Puppets by Rawza Kates were well received. Joan Johnson did two of her incomparable mimes. The Three Shoppers were Daisy Bien, Mimi Kaufman and Dorothy Karlin. Specialties were: Goofus, by Helen Gold, Sophie Lebetkin and Trudy Orsan; Shoe Shine, by Shirley Heller and Ginny Cordell; Rock-a-Bye, by Helen Gold and Sophie Lebetkin. The program concluded with Me and My Shadow, by the entire ensemble. Roie Beck was M.C.

## ♥ All Hart ♥

By Ruth Hart

We had a terrific Easter in San Francisco with our children; hope you had a Happy Easter and a Happy Passover. Spring has arrived, let's all get out and enjoy it.

Our travelers are all out seeing the country and parts of the world. Elsie Banchik, V. 4, is off on a three week trip to the Orient, her Jerry, not yet retired, had to bach it alone.

Jerry and Esther Robbins, V. 11, spent a few weeks in Israel where their son Mike and his family are living temporarily while he sets up a cable TV and component plant. What a nice experience for their two school-age children!

Larry and Esther Sawyer, V. 16, were off again to two seminars in Ottawa and Toronto, Canada.

Minnie Fierstein, V. 7, is back from two weeks in Chicago with family and friends.

Our own gals here in the village, members of the "Sweet Adelines" are back from a jaunt to Fresno, where they competed with other groups from all over California and emerged in 6th place, and with the Number One quartet. How about that? We're proud of you gals and you're always Number One with us.

Howard and Genevieve Bolten, V. 25, celebrated a quiet 55th Anniversary on April 13th, after a big party on their 50th. Sony and Eliot Leonard, V. 5, celebrated their 35th Anniversary on March 25th, by proudly announcing the graduation of their son from college in La Jolla. He received his Ph.D. in psychology and is heading to Boston to practice. (Do you think he's trying to tell us we don't need help in California?) Other anniversaries include Mimi and Art Kaufman, V. 1, March 6, 43 years; and Steve and Ethel Belanger, V. 15, 6 years, March 25. Happy, happy to all.

Shirley and John Hutchinson, V. 18, welcomed their 5th

## Hart Cont. from C-12

grandchild, not so unusual you say, but Shirley is only 42. (I have shoes older than that.) Georgette and Ed Schottland, V. 26, are beaming over becoming grandparents for the first time. Little Kate Grutman weighed in at 7 lbs. 1 oz.

Hope you all caught the John Denver, George Burns Special. Our own Sid Feller, V. 4, was the conductor and arranger for all the musical segments. Terrific, Sid!

Henrietta Perusse, V. 6, shyly but proudly told friends her granddaughter Cindy Kerby, from Westlake Village, became Miss California 1981. She goes on to further competition in May in Mississippi, for Miss U.S.A.; then, for the lucky winners, on to Buenos Aires for the title of Miss Universe. All your grandma's friends and neighbors are rooting for you, Cindy. Not to be outdone by her big sister, Cindy's sister Susan was chosen Miss Conejo Valley. How about that?

Paula and Herman Mogill, V. 23, are thrilled over the news

that their daughter Joyce received the Humanitarian Award of the Year in New York City. Only six awards are given each year. She produces and directs plays and programs for the mentally retarded on a voluntary basis, rehearsing with them eight months of the year, besides working as a voice and piano teacher for a living. God really must have put in overtime when he worked on these special people.

My neighbor in V. 4, Des Moore, had the village in an uproar for a couple of weeks trying to figure out what he was building in his garage. Many joggers, walkers and bike riders stopped and tried to guess, almost taking bets. It turned out to be a pig feeder, which he was making for his grandkids, who are raising them for the 4H Club. Needless to say, we all breathed a sigh of relief, as he lives on the golf course and there are no pigs allowed here.

We wish a speedy recovery to President Reagan and all of our ailing villagers.

**THE OAKS MALL** (Lower level between Broadway and May Co.)

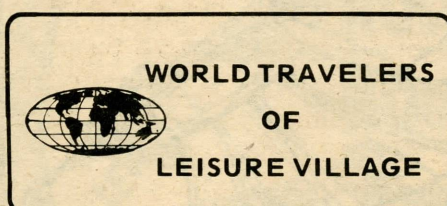

By Winifred Moffitt

On March 17th and 18th the L.V. Women's Golf Assn. hosted the annual Spring Mixed Men and Women's tournament and luncheon. Golf was played on Tuesday, the 17th, and the morning of the 18th. A delicious lunch was enjoyed by all participants at 1:00 P.M. on Wednesday, the 18th at the Sunset Hills Country Club. Prizes for the winners were awarded following lunch. Gretchen Young and her committee did their usual fine job of coordinating these most enjoyable two days.

On March 27th, 65 members of the L.V. Women's Golf Assn. met for lunch at the Mercury Savings and Loan Assn. office in Camarillo. Following lunch a most interesting and instructional talk on golf was given by Ralph Perry. With lunch donated by the Mercury Savings and Loan Assn., the L.V. Women's Golf Assn. are proud to announce enough money was raised to enable the Assn. to donate \$200.00 more to the Paramedics in Camarillo in addition to the \$100.00 formerly donated by the club.

Herman Mogill

The Officers and Members of the Board wish to thank you, our fellow neighbors, for your continued support during this our second year of operation.

Do join us at our next meeting, May 7, at 7:30 pm in the Assembly Room for the installation of our newly elected officers. Following a very short business meeting you will certainly enjoy our presentation of another most interesting Travelogue.

At this meeting we will have available for your benefit, further information on the following outstanding trips:

By Zita Wayne

The third meeting of the L.V. Bocce Club for 1981 was held on March 26.

We are mushrooming every month; 26 new members to date - 250 in all.

There was a successful bake sale on April 4th in the M.P.R. Many thanks to everyone who participated.

Members only and their guests will be participating in the Potluck Dinner-Dance on Thursday, April 30th at 6:00 P.M. in the A.R. Tournament trophies will be presented to the winners of the women's and men's singles matches at this time.

The Cardiac Combo consisting of Bill Marvel, organ; Larry Killeen, guitar; Jerry Robbins, drums entertained the members at their meeting on March 26th. Great toe-tapping music, fellows. Ed Abdelnour, our Music Director provided taped music for the dancing pleasure of our members.

We had a nice letter from the City of Hope regarding donation in memory of Isidore Struhl's wife Yvette.

Get well soon, Mary Manzella, we all miss you. We wish the same to Gus Cappello. Why do these things happen to such nice people?

Thanks to Marguerite Abdelnour and her Dance Performers for their colorful dance routines at our February 26th meeting. And also to Ed Abdelnour for his fine dancing music.

A 14-day "Italian Holiday", departure date August 23.

A 17-day Trans-Panama Canal Cruise, departs September 29.

A 15-day tour of Portugal, Spain and Morocco, departs L.V. on October 15. The cost is a modest \$1650.00.

A Caribbean Cruise aboard the "Fun Ship" Mardi Gras, sailing date of October 17.

A 14-day Four Island tour of Hawaii, departs October 21.

## Billiard Club

Henry Carfagna

On Friday February 6, 1981, the Billiard Club held a very successful social luncheon at the Mercury Savings. Present were Jim Dobbins - President, Joe Carfagna, Vice President - Stew Siers, Secretary-Treasurer and many members and their guests.

Ronnie Niesen has obtained and erected a 40 watt fluorescent light above the bulletin board. Members please check board for dates of monthly meetings and future events. All members are urged to attend meetings in order to participate in any decisions to be made.

Tentative plans have been made for a billiard tournament in the near future.

Note new meeting dates: first Wednesday of each month, 7:30 P.M. in MPR.

## Solo Club News

By Eleanor Knutson

The bi-monthly covered-dish dinner for the Solo Club was held Friday, April 10, in the A.R. with nearly a hundred attending.

After a delicious dinner members were treated to a program by local artists.

Dave Lambiotte, President of the Camarillo Community Theater group, and Deena Wallace, an Oxnard vocalist, were accompanied on the piano by Freda Drezner of Village 3.

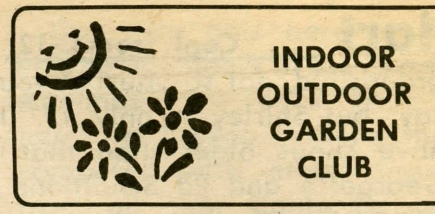

Lambiotte sang "September Song", "The Last Farwell", and "On a Clear Day".

"Love Letters", "Over the Rainbow", and "All of Me" were solos by Wallace.

As a duet they sang a medley from an Irving Berlin revue.

Lambiotte led the audience in a sing-along with such numbers as "Let Me Call You Sweetheart", "Daisy, Give Me Your Answer True", "In the Good Old Summertime", and "Goodnight Irene".

The next luncheon meeting of the Solos is Friday, May 8. Members bring their sack lunches and meet at 12:30 p.m. in the Women's Club room. After a brief business meeting, members play various card games or visit.

By Beulah Lester

How does your garden grow? Did you get the list of Acceptable Plants that has been prepared for you and distributed by the Garden Club? If you haven't, attend a meeting and get one. A clarification of the red-yellow-no stakes program was most helpful.

The short talk on Small Garden Design will be continued with additional information at the May 14 meeting. We will also be visiting some special gardens within walking distance of the Clubroom.

We have several people who have volunteered to provide a HELP service to those who call with questions on plants. Margaret Wilson at 482-5036 is an expert on African violets, Virginia Preece has a wealth of knowledge acquired over many years of gardening, call her at 482-7371, and Lee Vaughan at 484-3430 has much experience and knowledge. For the rose specialist, call Roy Lester at 484-8847. Anyone else willing to share some time and help, please let us know.

It is not too late to get those plants going for the Bazaar in September. Don't put it off! Some of your things surely need splitting or thinning, Call Mary Hale, 484-2688, if you need additional pots.

We shall see you at 10:00 a.m. on May 14th in the Women's Club Room.

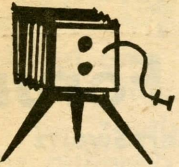

## Village Choral

By Ethel Goldfarb

Music is in the air, and what sweet sounds they are: nostalgia, Americana. The Chorale, soloists, duets, quartets and more, are preparing for the June 5th and 6th Festival.

Mark your Calendar for this great Musical Event. You won't want to miss it. The music of your youth will make you young again and bring back fond memories, sweet and bitter-sweet youth!!

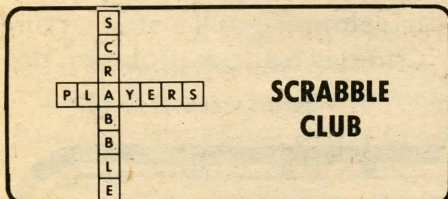

## CAMERA CLUB

By Charles Possel

Our last field trip was to Solvang where we scoured the many shops and partook of some delicious food. We even got to take some pictures in the rain.

At our first meeting in April we enjoyed a pictorial tour of Germany and Austria. If you haven't seen one of our slide shows at our meetings on the first Wednesday of the month in the Men's Club Room at 7:30 p.m. you can save the cost of going to the many exotic places that our members have visited. Coffee and cookies are included.

We hope that you like the prize winning photos by our members that we display in the atrium.

By Pearl Greenfield

The first official meeting of the Scrabble Players Club No. 130 met at 7 p.m. in the MCR. Thirty residents of Leisure Village came to learn and play what is known officially as the Scrabble Crossword Game.

The first part of the evening included some explanations of the rules and distribution of handouts designed to improve the scores as well as to add enjoyment and challenge to the game.

Officers were elected on a temporary basis. When the members know each other better, new elections will be held for the coming year. Those serving for a period of six months are: Yolán Lipscher, President; Wilbur Schreiber, Treasurer, and Zeldá Robinsons, Secretary.

If you have any questions, contact Pearl or Murray Greenfield, 494-1398. We meet on the second and fourth Thursday of each month, from 7 to 10 p.m. Refreshments will be served.

## Controlled Smoking Bridge

By Joe Selber

Bridget's Bridge Club on Monday nights has become a controlled smoking Duplicate game. The players voted for a smoking break about every 45 minutes, but no smoking in the game room. This is now the only game of its kind in L.V., and will accommodate all those who could not or would not play in a smoky room.

If you play bridge but not duplicate, this is a good opportunity to get started and enjoy a fascinating activity. Under the direction of Bridget Peck, the game is truly delightful, and a very friendly feeling exists among the players.

Everyone is welcome in the WCR at 7 P.M. Card donation only fifty cents with prizes.

## The Variety Guild

By Fred Bauch

The Variety Guild is happy to sponsor a reading of the one act play "Please Call Me Sol" in the Women's Club Room on Friday, April 24th, at 7:30 P.M. Miriam Schwarz and George Goldfarb have presented the play on several occasions, but have received many requests to offer it again in the Village. The Guild believes you will enjoy it, as well as the musical interlude afterwards.

There will be no charge, but seating is limited, so we are asking that you get a ticket from the Recreation Office to ensure a spot in the room.

Our Guild Program Chairman Joni Johnson, that bundle of energy, is arranging to present a series of excerpts from musical shows to be given at our meetings in the entertainment portion. Volunteers please see Joni to offer your talents. The first musical bit will be from "South Pacific" on May 7th.

The 1982 "What-cha-ma-call-it" has not been born yet. Our writers and directors are incubating new ideas, and are receptive to ideas of others. Judging from our first two shows, the 1982 show could split my sides, and I can't afford much more side splitting as I'm all stitched up on both sides now, and look like a pin cushion.

## Organ Club

By Harold Wickham

The next regular meeting of the Organ Club will be Friday, April 24, at 1:30 p.m. The musical theme will be Waltzes.

The popular organ workshop meets on the second Monday of each month at 10:00 a.m. and don't miss the practice session on the fourth Monday at 10:00 a.m. The way to improve is to practice, practice, practice. Bill Marvel will try to be present at these sessions to assist you.

Please enter June 7 on your calendar when Bill Million and Del Castillo are giving a joint concert in San Gabriel. A bus has been reserved for this outing. Further details later.

## Racquet Club

Lorraine Friedman

May 22nd is the date to remember. The Spring Fling will be held that evening, starting at 6:30 and catered by Goodies and Greens. The tickets are \$7.00 per person, and either you or your partner must be a member of the Racquet Club.

Tickets are selling fast, so contact Zo Simmons at 484-5205. Tables of ten can be reserved by calling Zo also. It promises to be an evening of food, fun, entertainment and dancing to tapes. Don't miss it.

Team tennis competition has started again and further information can be obtained by checking the board at the courts.

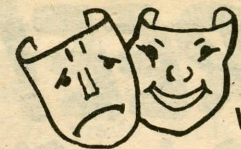

## R.V. Club

By Don Moore

R.V. Club meets the third Thursday each month. 7:30 P.M., MPR. Next meeting is May 21. All R.V.ers welcome.

At our meetings we discuss trips, RV problems and RV lot maintenance. Oren Mullins has been bringing excellent movies each month, Bob Vanderhaven assisting.

The monthly trip for April was to Lake Lopez; Jim Oeswein was Wagon Master (with help from Co-Pilot Jerrie). About a dozen rigs made it, with coffee clatches in the mornings, camp fires and pot luck dinners at night. It was great. Several RVers stayed on through the weekend.

## VILLAGE PLAYERS WORKSHOP

By Millicent Hofmann

The April 3rd meeting of the Players was an exhilarating combination of interesting announcements of coming events, plus the introduction of an innovation consisting of a line-up of names of members who had not yet read or performed, in order to catalogue them for future programs. They were given a small item to read and were then evaluated for the afore-mentioned purpose.

The final segment of Neil Simon's "Chapter Two" was read by Herman Taylor and David and Dolores Tribich. (Have we here, in the latter two, a budding Alfred Lunt and Lynn Fontaine combination?)

It was announced that the L.V. Women's Club has invited the Players to present segments of the Neil Simon play at their May meeting. Selected for this purpose are the following, directed by John Zoller.

NARRATOR - Donnie Weigel; Blanche Follen - Jenny; Esther Robbins - Fay; Herman Taylor - George; Bob Price - Leo.

The Nominating Committee reported that the following slate had been chosen for the coming year: President, David Tribich; Vice-Pres., Chuck Puro; Recording Sec., Irwin Steinhart; Corresponding Sec., Frances Gerard; and Treas., Daisy Bien. According to Hospitality Chairperson, Dolores Tribich, new officers will be installed at a dinner dance in the A.R. on June 7th, to be catered by Goodies and Greens.

Ailsa Muldoon reported that after weeks of play reading by a committee of six, the choice for Fall presentation was made: "Design for Murder", by George Batson. Tallulah Bankhead starred in the Broadway production. The play will be directed by John Zoller, who did such a masterful job with the unforgettable "Majority of One." This will be the first time for the group to do a "Who-dun-it", something that always captivates an audience, and this one is particularly intriguing.

## **FORUM CALENDAR**

April 24 -- "Threats to Social Security" -- Tony Lamb, Director of Senior Survival Services Program of Ventura County.

May 11--Current Issues Program Committee will sponsor a seminar on Proposition B, the low cost housing initiative. Speakers will be the newly chosen Mayor of Camarillo, Ron McConville, and Charlotte Craven, a leading proponent of the measure.

May 15 -- Second Anniversary Luncheon with guest speaker, Supervisor Maggie Erickson.

May 29 -- Dialog on Proposition A, the Camarillo "growth-control" ballot initiative -- Councilmen Bill Esty and Mike Morgan.

(NOTE: May 11th program is on Monday at 2:30 p.m. in the Multi-Purpose Room.)

## **Current Issues Forum**

**By Herbert Swartz**

Crime will always be with us in the opinion of Richard C. Kolze, Superintendent of the California Youth Authority Correctional School in Ventura, who spoke to members of the Current Issues Forum on March 27th. Perfection in the criminal justice system is neither affordable nor attainable, he believes, and the campaign promises of politicians to control crime are mere rhetoric.

All the supposedly new and innovative methods for curbing crime have been known for the past one hundred years, as verified in the report of the Select Commission on Crime in their 1973 survey. Mr. Kolze emphasized that the community must stop believing that stiffer penalties, more judges, more police officers, and new legislation will stop crime. Crime is a social problem, not a

# Current

Cont. from C-16

political one, he said only 24 per cent of the males in custody of the Youth Authority had jobs, although 67 per cent were in the job market. Two thirds came from high delinquency areas, and half of them had brothers or sisters involved in crime.

To give stiffer penalties is no panacea. This is being done, but the crime rate is still on the rise. Fear of the consequences does not deter crime, as the same offense will be committed no matter how severe the penalty. Criminals already know right from wrong, and being incarcerated for longer periods won't help them to cope with their situation on the outside. Mr. Kolze said that the Youth Authority is directed to training rather than

retribution. The average internee at Ventura School is four years behind in his education. The School provides education from the sixth grade through the second year of junior college. Some of the most successful rehabilitation has taken place when private business took over training and employment. It is essential that these young people learn skills, he emphasized.

A major difficulty is the problem of controlling crime is the staggering cost. To maintain just the Ventura School costs ten million dollars each year, and this is one of eight such facilities throughout the state under the Youth Authority. Together with the five forestry camps in the program, the parole services, the yearly cost to the state is

153 million dollars. The Ventura School is now at full capacity, and to build an additional building, without the cost of the land, would required \$125,000 per bed. For those who advocate longer stays in institutions, Mr. Kolze points out that the annual cost per occupant is \$22,000. The average stay at Ventura School is 13 and a half months, and it would cost over \$1800 for each additional month per student.

Those who surmised that a vast majority of offenders are from racial minorities may be interested to learn that one-third of them are white, one-third black, and the other third Hispanic and other. About one-third come from homes on public assistance. The average age is 19, and many are in their twenties. Females make up a minute proportion of the group.

Leisure Village volunteer

workers for the Ventura School gave their experiences and expressed a feeling of great satisfaction from their work at the school. Ethel Goldberg, V. 23, visits with a group on Monday 7-9 p.m. once a month to give them a different kind of evening than their routine ones, playing cards or games, bringing refreshments and gifts. Ben and Shirley Kossack, V. 17, are in a one-to-one program. They meet with students on an individual basis and are like adoptive parents. Leo Gardarian, V. 20, has set up tennis classes at the School, which have proved very successful. Esther Robbins, V. 11, another volunteer, read two poems by students, which showed great sensitivity and intelligence. An appeal was made to Villagers to come forth and enlarge this activity. Many more volunteers are needed.

A student at Ventura School wrote this poem, one of those Esther Robbins read at Current Issues meeting.

## Think and Be Glad

By Vince Whirlwind

It's a busy world we live in.

We get caught up in the race.

And sometimes our sense of values  
Falls a little out of place.

It's a good thing to pull over

To the roadside now and then

And get our thinking straightened out  
Before we start again.

And like as not, we'll find a thought

Or two to make us glad.

Like some blessing that we've overlooked  
Or forgotten that we had.

A few honest thoughts and

Chances are that we'll arrive

At the heartening conclusion  
That it is good to be alive.

There's a new exciting challenge

In the race of life when viewed.

With a heart refreshed with gladness,  
And thoughtful gratitude.

## Karlin

Cont. from C-1

years with Rose as Stage Manager in the Diamond Horseshoe Night Club and worked closely with him to stage the Aquacade Water Show at the New York World's Fair in 1933.

He quit Rose to become a machinist in a N.Y. defense plant. In 1942 he enlisted in the Air Corps, serving a total of three and one half years, with 27 months in the European theater. He managed Post Exchanges in England and France, and was promoted to First Sergeant of his Air Engineering Squadron when transferred to Germany.

When he came home in 1946 he moved to California and married Dorothy Firestone of Los Angeles (out of Ohio). They lived in Northridge for 27 years, and raised a son and daughter. Dorothy taught at Tarzana Elementary School for 21 years. Both Robby and Dorothy have been awarded honorary life memberships in the PTA. They now boast four

grandchildren.

Robby's first California job was with Douglas Aircraft in Santa Monica. He transferred to a company in the Valley and organized a union which became part of the United Auto and Aerospace Workers. As chairman of the unit in his plant, he was pulled out by the late Walter Reuther to be International Representative for the United Auto Workers Union. His new responsibilities included public relations, writing for plant and union publications, teaching, and much public speaking. He became a member of the American Newspaper Guild in Detroit.

Despite the accomplishments attained with his self-educated status, Karlin, who admits to being street-wise and full of moxie as a youth, felt the need for a diploma. He attended night classes in the Reseda High School Adult Education program, graduating when he was 60. He served on the

Advisory Council of the school for two years.

Rob retired in 1975. Prior to moving to L.V. the Karlins lived in a 195 unit condominium complex, and Robby was president of the Homeowners Association for two years.

Since moving to L.V., Karlin has been Chairman of the Community Relations Committee, Stage Manager for the Variety Guild and an occasional ham actor. He actively works with SLAM (Stronger Legislation Against Child Molesters) in the drive to protect all children against sex offenses. He is a member of the Moped Club and is an ardent mopedder.

For hobbies, Robby makes creations with Lucite, does painting, and woodwork. He holds a U.S. patent on a device to assist artists.

Robby Karlin believes that life's best reward is the satisfaction of knowing you've done something to make someone else's life just a little better.

## Board Highlights

The L.V. Association Board met on April 6 with all members present. Anita Westbrook sat in as secretary pro tem. The following are the committee reports:

**Education and Recreation:** A list of recommendations as presented: (a) that hereafter posters no larger than 18x24 and no smaller than 18x12 be mounted either in the atrium or on the rear bulletin board announcing club or organization events; (b) that the Racquet and Paddle Tennis Clubs be supplied with spare nets due to occasional repairs, also that they may continue team matches; (c) that hereafter permission for holding bake sales be gotten only from the Board; (d) use of the AR each Tuesday and Wednesday afternoons for modern dance and ballet exercises; (e) that investment companies not be permitted this year to hold seminars in village; and (f) that the Bingo

machine be permanently attached to a fixture at the rear of the hall.

**Finance Committee:** All auditing, including special audit of the Travel and Special Events fundings has been completed and are in order. Inquiries have gone out to several insurance companies; soon a meeting will be held to accept bids, at which all sub-committees will likewise be present. The Bank of A. Levy is agreeable to handling all Association finances by computer - handling all deposits, pick up checks, handle payroll, etc. on condition a balance of \$50,000 in a non-interest bearing account is maintained at bank. A possible loss of one-half of the interest will more than compensate for present overload of work in the office. There would be no reduction of office personnel.

**Information to New Residents:** Seventeen new residents were visited in March.

Twenty-seven attended last Meet Your Neighbor meeting.

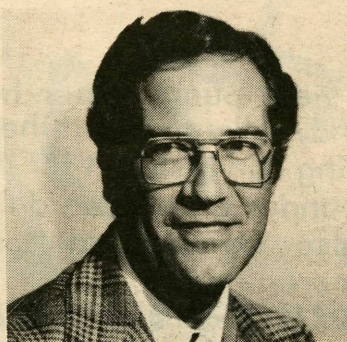

The next meeting will be on April 24. Much information can be gained by new villagers regarding our life style by attending these meetings.

**Community Relations:** A survey is underway regarding the extent of the involvement of L.V. in the activities of the City of Camarillo. We are involved in such important matters as the Boys' Club, the California Youth Authority, the Pleasant Valley Hospital, with many villagers doing volunteer work. We are not the "morgue" that one Camarillo person suggested, but a very vital and active community, and plan publicity establishing that fact. The chairman announced an open meeting on April 16 with the City Engineer, Caltrans, etc., re status of Hwy. 101.

**Nominating Comm.:** Four men were finally selected by the Nominating Committee, to be voted on for the three open seats on the board in the coming election. They are: Karl Cannon, V. 14; Robert Karlin,

V. 38; Don Moore, V. 34 and Milton Sherman, V. 34. Additional candidates may yet be submitted by petition, accompanied by signatures of 160 villagers. The deadline for this is April 24. Committee recommended that the Board of Directors be increased to seven members.

### Old Business:

**Resident Services:** Service needed on anything outside of home will not be charged for, but charges will be made for any inside work. The new numbered forms for needed service are now in lobby. Requests will be taken numerically. Real emergencies will receive prompt attention. Worker will return if work is unfinished or unsatisfactory, and there will be no further charge.

### New Business:

The Association will not take over landscaping and maintenance of V. 41B at this time, pending negotiation. A voluntary ad hoc committee of three has been secured to

serve as a Purchasing Committee to investigate best sources for purchases the Association must make.

Since it has caused inconvenience and delays to Village groups in the past, outside clubs may no longer have use of Village facilities. First reading.

The search for a new General Manager resulted in 48 prospects, five interviews and a final selection. Formal agreement in process. Will be on job by May 1.

Recommendation received that organizations no longer solicit gifts and prizes from local merchants, since complaints from them have been received. First reading.

**Other Board Action:** Accepted with thanks a donation of \$1,000 by Ballroom Dance group for purchase of fifty folding chairs. (b.) Request for golf chipping area not approved. (c.) Two village volunteers accepted as ceramics instructors. (d.)

Available space approved for Scrabble Board meets. (e.) Piano to be moved only by professionals, with group requesting move charged. (f.) Two mornings per month approved for paddle tennis team play. (g.) Streets beyond V. 39 and V. 42 will be capped and striped for bicycles as soon as construction ends. (h.) Resignation of Larry Pfeiffer as Recreation Director accepted.

**Grounds Maintenance:** Since April 1, pest control hereafter to be handled by outside professionals, to be done twice a year at cost of \$74,000 annually. Painting of exteriors and mail box posts under way in several villages. Crews with foremen assigned to four section of village. Board approved \$29,000 for added equipment.

**Comments from Home-owners:** The Finance Committee Chairman stated that he neglected earlier to commend Floyd Prouty for his extensive and expert work on the proposed computerization of our accounting procedures.

A villager of 13 proposed to the board that for future elections a revision be made to the C.C. and R.'s limiting the number of nominees to the number of open positions at the time, so no one is left out.

Next board meeting May 4.

## Gem and Mineral Club

By Don Holmes

The Gem and Mineral Club had a "Fossil Month" in April. The field trip was a return-trip to the Topanga Canyon Fossil beds where members found large and small clams and snails, estimated to be more than 200,000 years old.

At the April meeting, outgoing president Don Holmes gave a short talk on fossils, particularly those found in Iowa, with a display of fossils which he collected near Iowa.

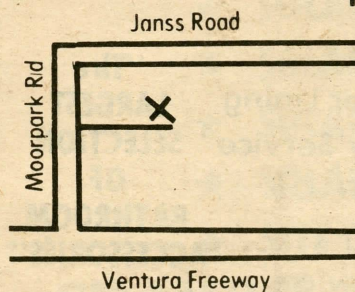

The next meeting will be on Wednesday, May 27, at 7:30 in the MCR. Officers for the coming year will be elected, and membership renewals will be due.

service as a Board member, I was startled. It was then I realized that my reluctance to consider nomination was apparently typical.

We probably receive more for our dollar as homeowners here than we would elsewhere. What makes our village exceptional is the fact that we are blessed with incredibly talented and great-spirited neighbors whose volunteer cooperative efforts breathe life into the bricks and mortar of our facilities by way of the various club and committee activities. I am convinced that

many of them would be able to serve on our Board of Directors much more effectively than I.

Why then did only eight villagers of the many asked by the nominating committee agree to be considered for the board? That is an unhealthy symptom about which I am concerned. I believe that any of the four nominees, of whom three are to be elected, would serve our village well.

If elected I hope my performance and enthusiasm will be an example so that others will want to contribute their experience and talents to help keep this village a wonderful place in which to live and grow.

Recap of experiences:

Born April 19, 1912 New York City. Married 38 years, 2 children. Alumnus of University of Toledo, University of Michigan, Ann Arbor, U.C.L.A. 1939-1947, employed by Apex Smelting Co., a division of Amax Corp. (one of Fortune's 500) 1 year in the Physics Research Laboratory, 1 year as foreman, 6 years as Employment Manager, Safety Engineer-Director, 3 years Editor of company monthly organ and Personnel Director.

1947-1948, Harrison Products Corp. Treasurer and member of Board of Directors. 1950-1952, sole owner of Lucite Co. of Chicago, plastics mfg.

1953-1977, Real Estate Broker

and Salesman. 8 years Treasurer and Board member. 5 Star Realty Co. 14 years, President 5 Star Realty Corp. Member of many civic organizations, Scoutmaster, B'nai B'rith, etc. Served on Board of Directors of San Fernando Valley Board of Realtors (the world's largest) served 2 years on Professional Standards Committee of S.F. Valley Board of Realtors.

Leisure Village resident since August 1976. 2nd year of service on Finance Committee. Program Chairman of L.V. Current Issues Forum. Member of Chess Club, Golf Club, Y.N.C.G.

## Moore Cont. from C-1

guests, we show off our many features with all the activities and hobby shops. We are proud of our grounds and security. All this will cost over two and a half million dollars in the next twelve months. To protect my nearly \$200,000 home investment, and yours, I'm running for Board of Directors.

Some say "There are weeds in Paradise." We do have problems, but for my \$111.50 per month, I wouldn't live any other place in the world! I'd like to keep it that way. If it takes "that many" hours of board work a week, I'll do it. That's my campaign promise.

Respectfully,  
Don Moore

## Resume of Don Moore career.

Born Sept. 7, 1922, in Cincinnati, Ohio. High school graduate, plus some college. Married to Ellen Moore 32 years. They have 6 children, and 4 grandchildren. Southern California resident past 64 years. Active in church activities, Exchange Club, Jr. C. of C., Glendale.

Business background: 1930-34, wholesale and retail bakery sales.

1934-51, Life and Casualty Insurance sales, principally with Allstate. California Sales Manager in 1944.

1953, Sales, programming and announcing at Station KCOY, Santa Maria.

1954-77, Household Polish sales. In 1965 started OLDE TYME PRODUCTS CO., developing high quality line of household polishes. Sold to hardware stores, Certified grocers, and supermarket chains.

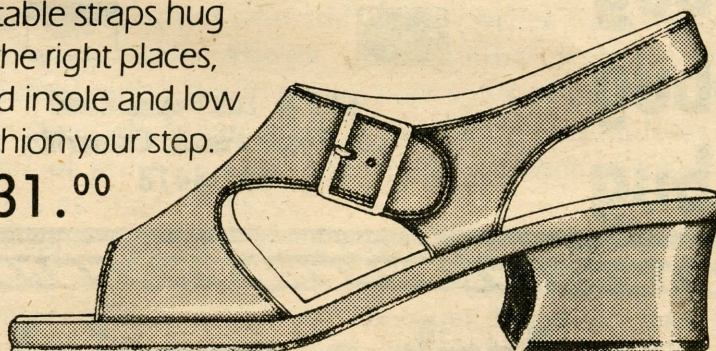

1977, Sold business to retire.

March 1979, moved to LV Active in Camera Club, president of LV RV Club, assists wife at Tuesday night bridge, Bowling League and Men's Golf. Is taking several Oxnard College classes at LV.

Cont. from C-1

University School of Law, Cum Laude, 1937, and was admitted to California Bar the same year. Private practice '37-'42.

Four years in U.S. Air Force; 7 Battle Stars and a Bronze Star medal.

L.A. City Attorney's office 1952-76 with following experiences: Automobile Liability Division, Land Acquisition, handled four of Chavez Ravine-Dodger Stadium lawsuits for the city. In 1960, Chief Assistant City Attorney for L.A. Dept. of Airports with specialties in Property, Public Administration, Finance, and Aviation Law. He was legally responsible for issuance and validity of \$310,000,000 of Airport Revenue Bonds. He was legally responsible for acquisition of 2,834 properties for expansion of airport, (all of LAX west of Sepulveda Blvd.). He supervised defense of \$5 billion of airport noise litigation.

For two years he was

chairman of the Law Committee of Airport Operators Council International (AOCI) which controlled 166 airports in 5 countries. Appointed to a 5 year term on standing committee of Aeronautical Law of the American Bar Assn. Guest lecturer at George Washington University National Law Center. Guest speaker in 1975 at annual meeting of International Bar Assn. in Paris. Professor of Aviation Law at Southwestern University.

When he left the airport in 1976, he went into practice with one of only two recognized Bond Counsels in L.A.

With Elaine, his wife of 35 years, Sherman moved into LV in April '79. They have four children, five grandchildren. He has practiced law for 43 years, is thoroughly familiar with public administration, finance, and property, is hale and hearty, and willing to assist in the administration of the LV Association.

## **Peppertree Pharmacy and Sickroom Supply Celebrates Three Years of service**

This month, Peppertree Pharmacy and Sickroom Supply completes its third year of service to the people of Camarillo. Paul Dwork, owner and pharmacist, has developed a unique practice of Total Patient care. Close coordination between doctor and pharmacist can make home care for a patient as comprehensive as hospital care.

In this age of medical specialty, when many people consult more than one physician, careful drug monitoring becomes a must. The staff at Peppertree Pharmacy maintains complete medical records on each customer. Each time a prescription is filled, a customer's profile card is checked for possible drug interactions or complications.

Peppertree is more than a pharmacy; it is a complete medical and orthopedic supply house as well as a tremendous source of information regarding medical or sickroom supplies, from wheelchairs to back braces, colostomy supplies to mastectomy prosthetics, the professionals at Peppertree handle it all.

The professionals at Peppertree include Paul Dwork, who, as well as being a pharmacist, is a medical supply and pharmaceutical care specialist. He has spoken to many community groups on a variety of topics ranging from nutrition to pain control without medication. Leon Block, a Leisure Village resident, is also a pharmacist who adds his expertise from many years of experience. Edith Akeley, a long-time area resident, handles medical and sickroom equipment sales and rentals along with her other varied duties. Doris McDuff Sayres completes the full-time staff of professionals. She handles orthopedic and mastectomy supplies and fittings.

Peppertree has added many features to make their services more convenient for the community, such as free delivery and senior citizen discounts. No light bulbs or motor oil on our premises. Peppertree Pharmacy and Sickroom Supply is really a professional service to the community. This attitude is a rarity in these days of discount and chain stores. Visit them today and really see what you've been missing. Peppertree Pharmacy is conveniently located at 2260 Ventura Blvd., or call 484-4378, downtown Camarillo, across from Bank of A. Levy.

**HIGH  
TWELVE**

By Kenneth R. MacKaig

The High Twelve Club held their annual spring dinner recently with noted TV personality, Bill Welsh, as the featured speaker. Bill is well known nationally for announcing Rose Parades for the past 31 years. What is not generally known is that he founded a Los Angeles bank, is a Past President of the Hollywood Chamber of Commerce, owns a trust deed company and is a director of numerous corporations. To condense an hour of his speech into a paragraph is difficult but here are the high lights:

"Within a few years TV antennae will be obsolete. All TV will be on cable with 52 channels initially and a year or two later 104 channels! Looking further into the future we will dial our program and have this wide choice of activities throughout the entire world. We might be watching a Spanish class in Spain, a belly dancer in Egypt, the Cherry Blossom Festival in Japan, or whatever. TV worldwide, will be at our fingertips." Bill stated that this will have the effect of less dependence on our newscasters.

He stated the urgency of developing nuclear power and energy, that we must avoid our dependence on foreign oil but that the media has constantly reported erroneous information on this subject. We have heard this many times from experts in the field..the fact is that the public really is not informed. He stated that it is better to act rather than react to our world problems and it is great to retire but we must never quit.

Other portions of the program were the teaming of Joan Woodenschek and Lee Herzoff in some beautiful selections; musical favorites, all of them. After the benediction by Club Chaplain, Kenneth Barrette, Joan had us all hold hands and sing "Let There Be Peace On Earth." A most moving and impressive finale.

Another highlight of the

**Bill Welsh, noted TV personality, at the High Twelve Club Dinner.**

evening was a presentation to an astounded Bill Rasmussen of a handsome engraved plaque from the High twelve Club in appreciation of Bill's work as Secretary during 1979-80.

The Club thanks the Coast Federal Savings and Loan Company for making possible the appearance of Mr. Bill Welsh. All profits, if any, from the proceeds of this dinner will go to a scholarship fund for graduate work in American government at George Washington University.

## Singles from page 5

singles. It is easy to get acquainted in this most congenial and friendly Village. At this writing, in addition to the couples that were married last month, I know ten people, five couples, now anticipating marriage.

The Single Group enjoyed being invited to the home of the newlywed Berlants this month. We expect they may be starting a Double Circle Group for newly married couples.

One group will be attending the presentation of "Sound of Music" given by Oxnard College in the auditorium of the Oxnard Community Center on May 8th.

On May 16th we will be going to the Buena Ventura fashion Center for Senior Adult Day. There will be entertainment as well as displays and sales of arts and crafts.

Single men, have you called Leo Nemetz at 987-3565? They will be meeting on Wednesday, May 6th.
