OFFICE OF
WILLIAM RANDOLPH HEARST
LA CUESTA ENCANTADA
SAN SIMEON, CALIFORNIA

March 25, 1934.

Dear Miss Morgan :

It would help greatly if you could send to Mr. Williams the photographs of objects sent out to the ranch by McGregor, so that he may show them to me together with the list that you send him. The photographs can be returned to you after I see them.

Sincerely,

Miss Julia Morgan,
San Francisco.

P-S Mr. Williams will send you some drawings by Henry Clive-- originals of first pages of the American Weekly. Mr. Hearst asks if you will kindly have them appropriately framed for use at Wyntoon. Thank you.
