

Godly, Roy, and Viora - asleep in the
house - Cop & I are in the trailer -
& what are the words - as each day is
less the descriptive word poses - and
there exists nothing - but not held in
course - but changeably realized and -
I wish to write to express the
force that is free to act & be
realized.

I shall take it unto and produce
in Jan. 1968. Then being established
Probate procedure, I shall set up a
will and lay up designs.
In Feb & March Federal & State income
tax must be completed.

By April-May I should have mastered
some guitar / piano / singing study.

Then I will concentrate on Persian
volumen through pen, music, body,
and photography. I have I
wish to I (file) across number 2 and

Photography in the Spring.
I will have also learned basic
Spanish for travel to the Olympics &

Viora & I are to attend them in
Mexico City - summer '68.
