International Student Services and Programs

Our international admissions staff will process your application for admission. The program sends international students information regarding arrival in the United States, visa and immigration, housing in the Fresno area, and registration after students are admitted. After arrival, the staff guides students through orientation. International students may need to enroll in English courses offered by the Linguistics Department during their first semester, or a course in American culture and society. (See *International Programs, Campus Program* under the Special Programs section.) Visit our Web site for the latest information. (See top of this page.)

Learn about Americans by making friends with families through our International Friendship Program.

Enjoy recreational activities with fellow classmates by participating in trips and activities.
