BACHELOR OF EDUCATION DEGREE AND ELEMENTARY CREDENTIALS

Holders of a California provisional kindergarten-primary or provisional general elementary credential who have completed a minimum of 60 semester units of standard college work are eligible for admission to candidacy for the bachelor of education degree and may qualify for the general elementary and kindergarten primary credentials by including requirements for these credentials within the requirements for the degree. A minimum of 24 semester units must be completed at Fresno State College. At least 12 semester units must be in campus residence subsequent to an accumulation of 90 semester units. Consult chairman of Elementary Education Department for program planning.

JUNIOR HIGH SCHOOL CREDENTIAL

The junior high school credential authorizes the holder to teach grades seven, eight, and nine in elementary and secondary schools.

The minimum scholarship standards for the junior high school credential require a grade-point average of 2.5* on the total college record of applicants for admission to the credential program; a grade-point average of 2.0 in professional education courses and the assignment(s) in student teaching; and strong subject matter competence in teaching fields.

SPECIAL SECONDARY CREDENTIAL

The special secondary credential authorizes the holder to teach the subject named in the credential in elementary and secondary schools. Fresno State College offers special secondary credentials in art, business education, homemaking education, industrial arts, music, physical education, public safety and accident prevention, and speech arts; and special secondary limited credentials in industrial arts education and music. See department concerned for details of various curricula.

A scholarship record of "C" or better is required in each of the following: the total program; professional education courses; student teaching.

* On a four grade-point system.
