Mrs. Daniel Michael Tolmach
Oxnard, California

Dear Jane:

Thanks for your note of January 31, and the clippings from the Oxnard paper.

This right wing extreme fanaticism is disturbing and requires our thoughtful attention in the days ahead. I know the problems you have had in that connection.

You may be interested in my five-minute talk over an Oakland television station when I demanded equal time after my name was mentioned by the Schwarz operation. A copy is enclosed herewith.

I hope to get in touch with you soon regarding the campaign. I am sorry that you resigned as chairman, but I assume there were valid reasons.

Kindest personal regards and best wishes.

Sincerely yours,

A handwritten signature in cursive script that reads "Stanley".
