# **The Eleventh Annual Commencement**

**Anaheim Stadium  
Saturday, June 6, 1970  
11 a.m.**

To California State College, Fullerton Graduates of 1970:

On behalf of the entire College, I congratulate you on receiving a degree today.

I commend you for your achievement, and for the share you have had in building an institution of highest quality. California State College, Fullerton is becoming known and recognized in many fields, both academic and extra-curricular.

This has been a year of stress and strain on the College community. We have not been alone. Despite this, the College has continued the educational process and has made significant developmental changes.

Perhaps, out of all our experiences together, we are becoming more sensitive to each other and to the need of all men to be more aware of the ties that must bring us together again. It is our hope that you will be a force for reason and goodwill for your alma mater and for all of us.

Wherever you go, and whatever may be your occupation or profession, we at Cal State Fullerton urge you to return here often, and wish you well.

William B. Langsdorf  
President  
California State College, Fullerton
