Oxnard, California

Dear Fellow Trustee:

When the board of trustees meets at the Camarillo State Hospital on April 23, it will probably be the last meeting at which Dr. Garrett will be present, because of his retirement as superintendent.

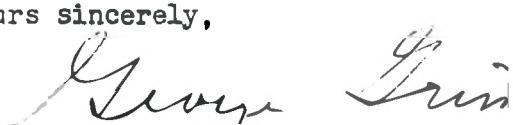

I hope all of the trustees will be able to attend.

May I ask you, Mrs. Tolmach, to draw up an appropriate resolution regarding the long and efficient work of Dr. Garrett, a resolution we can adopt at the meeting, make a part of the record, and give to him for his memory book.

We shall ask Dr. Garrett to tell us in his own way something of his past work at the hospital and something of what he sees in the future in the work of the hospital.

And, of course, we will have the happy opportunity to greet Dr. Nash as the new superintendent.

Yours sincerely,

George Grimes
Chairman, Board of Trustees
Camarillo State Hospital
