Dec. 2, 1937

Dr. Paul S. Taylor
University of California

Dear Mr. Taylor:

As chairman of an Assembly Interim Committee on Social Welfare and Institutions, I am compiling information relative to California Agricultural Labor.

I find reference to a report prepared by you for the U. S. Resettlement Administration. May I have a copy of that report for my committee files?

Any other material dealing with this problem will be appreciated.

Sincerely,

ELMER E. LORE
