Save this date

October 2-25: Culture and Ecology of the Indonesian Rainforest, C.E. Smith Museum of Anthropology. Museum hours: M-F 11am-3pm.

October 3: Women's Council address by President Rees. Noon. Biella Room. Reception follows in Library Conference Room.

Dossier submission deadlines for 1991-92 announced

In accordance with the recent revisions to the Promotion, Tenure and Retention Policy and Procedures, the deadline dates for dossier submission by candidates for retention, tenure and promotion are as follows:

Tenure	October 1
Promotion	October 1
Retention	
1st & 2nd year	November 10
3rd, 4th & 5th year	January 15

Section 3.8 provides: "A candidate who submits the dossier after the established deadline will not be considered for promotion that year, and the Department Chairperson shall so notify the School Dean in writing, with a copy to the candidate. In the case of a candidate for retention or tenure who fails to comply with the obligation to provide within the established deadlines a dossier of materials in accordance with Article 15.12 of the Memorandum of Understanding, the evaluation will proceed on the basis of material deemed appropriate by the Department Chair after consultation with the School Dean."

If you have any questions, please call the Office of Academic Affairs, ext. 3714.

Interim director named

Effective fall quarter 1991, Dr. Steve Ugbah, professor of marketing, will serve as interim director of the California State University, Hayward, Faculty/Student Mentoring Program. Dr. Ugbah is replacing Dr. Sonjia Redmond for the academic year.

Write to State Controller to change United Way deduction

To make a change in your United Way payroll deduction send your name, social security number, deduction code (017-XXX) and state the reason for the change to: State Controller's Office, Payroll Services Division, Miscellaneous Deductions, P.O. Box 942850, Sacramento, California, 945420-5878.

Pioneer Bookstore sponsors Banned Book Week

The titles are as familiar as *The Diary of Anne Frank*, *Mother Goose*, *Catcher in the Rye*, *To Kill a Mockingbird*, *The American Heritage Dictionary*, *The Color Purple*, *The Adventures of Huckleberry Finn*, *Native Son* and *The Handmaid's Tale*. What they have in common is that these books have been banned from schools, including some schools in this area.

As part of Banned Book Week, September 28-October 5, Pioneer Bookstore will give a 10% discount on any banned book in stock. In addition, the bookstore will hold a daily drawing to win one of these books. Bookstore hours are Monday-Thursday, 7:30 a.m.-8:30 p.m.; Friday, 7:30 a.m.-6 p.m.; and Saturday, 10 a.m.-2 p.m.

Nominations sought for Outstanding Professor Award

The CSU Board of Trustees each year presents Outstanding Professor Awards to two faculty members selected from a group made up of one nominee from each campus.

The award recognizes excellence in teaching and contributions made to students, to academic disciplines and to the various campus communities. It includes a cash award. Formal presentation of awards will be made at a trustees meeting. The two outstanding professors have traditionally had the opportunity to make a presentation to CSU colleagues on other campuses.

The selection of a nominee from Cal State Hayward is made by a special subcommittee of the Faculty Affairs Committee. The successful candidate for the nomination also receives the George and Miriam Phillips Outstanding Professor Award of \$1,000. In early fall, the subcommittee will be available to discuss the application process and criteria for selection with potential nominees.

Each nomination shall be supported by evidence which includes detailed lists of the nominee's achievements as a teacher, as a member of his/her profession, and as a part of the campus community.

Evidence shall also include written statements, which are both descriptive and evaluative, by present and former students, colleagues in the nominee's academic discipline, campus administrators, and others who are qualified to comment upon the nominee's teaching and related contributions. The evaluations shall include a description of the type of evidence used as a basis for judgment. Written statements shall include a brief paragraph identifying the writer.

Faculty members interested in competing for the nomination and Faculty Award, or in recommending others, should notify the Office of the Provost and Vice President, Academic Affairs in writing by October 11.

Candidates must submit supporting evidence to the office by October 25. The evidence shall include (a) a table of contents, (b) full curriculum vita, (c) documentation and evaluation of teaching accomplishments, including student course evaluations, (d) documentation and evaluation of professional achievement, (e) documentation and evaluation of service to campus and community, and (f) any other material deemed relevant in support of the nomination.

For additional information, call Jodi Servatius, assistant vice president, Research and Faculty Affairs, at ext. 2205.

Versatile—Virginia Palmer, described by nominators as the "epitome of the Vivian Cuniffe Award," was saluted for her knowledge, helpfulness and friendship. She'll be parking for free on campus for the next year.

Virginia Palmer selected for sixth annual Cuniffe Award

Calling Cal State Hayward "my home," Virginia Palmer, administrative operations analyst in the School of Science, accepted an engraved plaque as this year's recipient of the Vivian Cuniffe Staff Award. She recounted that she started working in the School of Science washing dishes in the biology lab while earning her degree in biology. She met her husband Tom, an equipment technician, there in 1963 and married him a year later. Their son Christopher earned a special degree in photography and visual communication at CSUH in 1989.

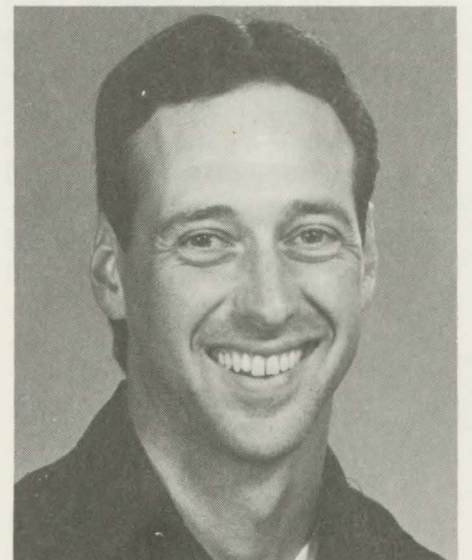

Nancy Harrison, associate dean of the school, wrote "If everyone were as willing to help out as is Virginia, the world would be a wonderful place. Serve the punch at a reception? Catch the bird that flew in the window? No problem if Virginia is around."

The other nominees for the award were Maximo Galo, Grounds and Landscape Services; Mario Lavagnino, Department of Public Safety; Karen Turnbull, Student Health Services, and Alice Van Wetter, Accounting Office.

The award includes free parking for one year and a crystal iceberg.

Maximo Galo

Mario Lavagnino

Karen Turnbull

Alice Van Wetter

Rolemodels—Cal State Hayward will sponsor its first “Expand Your Horizons” workshop for girls in grades 6 through 12. Women from throughout the area will participate as workshop and discussion leaders.

From gene splicing to sleuthing in the crime lab, conference will introduce girls to careers in math and science

Cal State Hayward will offer the conference “Expanding Your Horizons in Science and Mathematics” on October 12. The conference is aimed at girls in grades 6 through 12 and will cover both hands-on work in campus laboratories and career information. Between 200 and 300 girls are expected to participate.

The conference planning committee is seeking volunteers to help with setting up of equipment and guiding groups to meeting sites. Individuals interested in participating in this way should contact Virginia Palmer at ext. 3441.

The conference is part of a nationwide network of workshops, sponsored by the Math Science Network since 1976, aimed at encouraging girls and young women to seek careers in science and mathematics. The conferences also provide the opportunities for students to meet and form personal contacts with women working in traditionally male fields. At the CSUH conference, twenty-five women will lead career exploration sessions. They include Alameda County deputy coro-

ner Cheryl Gibbs; Marsha Englebrecht, senior aquarist with Marine World Africa USA; cell biologist Monique Carver and molecular biologist Lyn Powell-Braxton, both of Genentech; and Cathleen Coulman, M.D., director of health services at CSUH.

The hands-on workshops will be led by faculty from Cal State Hayward, the Exploratorium, Lawrence Livermore Laboratory, Amdahl, the Oakland Schools, the Oakland Zoo, Gordon Chiropractic, Genentech, Sybase, Cyto-genetic Technology, the Oakland Police Department and the Hayward Fire Department. Topics include the greenhouse effect, seismology, electron microscopy, genes, fad diets and computers.

Four workshops for parents and teachers will also be offered. They cover thinking and learning styles, math games that families can participate in, and preparing your child for college.

The planning committee for the conference includes faculty, staff and students from Cal State Hayward as well as representatives of high schools, colleges and corporations. JoAnn Aiello Hatchman, teacher education, Nancy Fegan, geological sciences, and Ann Heuer, biological sciences are the co-chairs.

Registration for the conference closes October 1, although applications will be taken after that date if spaces remain. Chabot College will also be holding an Expanding Your Horizons Conference on November 3.

Rees named to community group

President Rees was named to the Hayward Alliance Round Table. The Alliance grew out of concern that too many organizations overlap in dealing with community issues such as education, traffic, crime, housing, planning and business development. The current focus of the group is education; future issues to be addressed are economic development, quality of life and community pride.

Fall quarter computer courses

The Information Center’s microcomputer classes are open to staff and faculty. The “Introduction to PC/DOS” class or equivalent experience is required for all of the Information Center’s microcomputer classes. To signup for this class, please contact the Warren Hall Computer Lab, ext. 4152.

PREREQUISITES: The Information Center’s introductory level classes on computer programs require participants to be familiar with DOS. An intermediate or advanced level class requires participants to have taken the corresponding introductory level class for the program or to have equivalent knowledge.

If fewer than five people enroll in a class, the class may be cancelled. For more information about these classes or about prerequisites, please contact the Information Center at ext. 3596 or send an electronic mail message to “~info” on OA/sys.

DAY	DATE	TIME	CLASS	ROOM
Thu.	10/17	8:30 to Noon	Interm. DOS	WA B53B
Fri.	10/18	8:30 to 11:30	Hard Disk Management	WA B53B
T.-Th.	10/22-24	9:00 to Noon	Intro. to WordPerfect 5.1	WA B53B
M.-Tu.	11/4-5	1:30 to 4:30	Interm. WordPerfect 5.1	WA B53B
T.-Th.	11/12-14	1:30 to 4:30	Intro. to WordPerfect 5.1	WA B53B

M.-Fi.	12/16-20	1:30 to 4:30	Using R:BASE	WA B53B

Summer programs for young students improve their chances for college success; special program offered in the sciences

Two very different programs were offered on campus this summer to encourage students to complete a college education.

Focus Physics brought forty seventh graders from three Oakland schools to campus. During the year they will return to campus for workshops, followed by another four-week session next summer. Students in the program had mixed GPAs and were selected on the basis of recommendations and interest in the program. The goal of Focus Physics is to increase the pool of underrepresented students in science and to encourage them to take college preparatory work.

Summer Bridge is a five-week program offered to seventy-five entering freshman. Students take courses in mathematics, English, biology and computers, as well as receiving an orientation to college. Graduates of Summer Bridge have a higher retention rate than the general student population.

Graduates—Above, Judy Sakaki, director of Student Academic Services, congratulates two Summer Bridge program participants on their scholastic achievements this summer at a luncheon marking the end of the program. Parents, friends and campus members attended the ceremony. Below, students from Focus Physics display their certificates of completion following a picnic on the last day of the program. The students will return during the year for Saturday workshops and will also complete a second year of the program next summer. Cal State Hayward faculty conducted the program.

View

The View from California State University, Hayward is published every other Monday except during academic recesses. Deadline for submission of material is Monday, 5 p.m. two weeks prior to the publication date. Please address all copy to The View, 908 Warren Hall. All copy over 50 words must be submitted on a disk or through e-mail to ~view. Copy may be edited for style, length and appropriateness.

The View is a publication of the Office of University Relations and Development.

Publication Dates for Fall Quarter
October 14—Deadline September 30
October 28—Deadline October 14
November 11—Deadline October 28
November 25—Deadline November 11
December 9—Deadline November 25

October

1 Tuesday

- Volleyball. College of Notre Dame. 7:30pm. 881-3038.

2 Wednesday

- al fresco. 11:30am-2pm. Amphitheater.
- Women's soccer. UCB. 4pm. 881-3038.

2 Wednesday through 25

- "Cross Currents, bookworks from the edge of the pacific," over 140 artists. Opening reception, October 2, 4:30-7pm. Gallery hours: M,T,W 11am-3pm; Th 1-7pm; Sat 1-4pm. 881-3111.

2 Wednesday through November 15

- "Culture and Ecology of the Indonesian Rainforest," exhibit, music, classes, lectures, film. M-F 11am-3pm; C.E. Smith Museum of Anthropology.

3 Thursday

- Biology Seminar Series. "Ecdysteroids occurring in embryos of the melon fly," Dr. Deborah Sanders, University of Hawaii. Noon. N Sci 321.
- Women's Council address by President Rees. Noon. Biella Room. Reception will follow in the Library Conference Room. Mary Hirsch, ext. 3357.

4 Friday

- Diane Schuur with the Cal State Hayward Orchestra and Jazz band. 8pm. Rheem Theatre, Moraga. Benefit for the music department. \$19.50/\$21.50. 376-1490.

5 Saturday

- Football. University of San Diego. 1pm. 881-3038.
- Women's and men's swimming and diving. Alumni meet. Noon. 881-3038.

9 Wednesday

- Women's soccer. St. Mary's College. 4pm. 881-3038.

10 Thursday

- Biology Seminar Series. "Satellite remote sensing of climate variability effecting shrimp fisheries in the Gulf of Mexico," Dr. Marie White, Entrix Environmental Consulting. Noon. N Sci 321.

12 Saturday

- "Expanding Your Horizons in Science and Mathematics," a career conference for 6th-12th grade girls. 8:30am-2:30pm. Registration deadline, October 1. \$6.
- Men's soccer. College of Notre Dame. 2:30pm. 881-3038.

15 Tuesday

- New faculty reception. Union 311. 3:30-5:30pm. Sponsored by CFA. Everyone welcome.
- Volleyball. Sonoma State. 7:30pm. 881-3038.
- Men's and Women's soccer. UC Davis. Women's, 2pm; men's 4pm. 881-3038.

17 Thursday

- Biology Seminar Series. "Dispersal of ascidians (sea squirts) in Seagrass Beds," Suzanne Worcester, Ph.D. candidate, UCB. Noon. N Sci 321.

19 Saturday

- MELA, an international folk festival. Arts, music, food, games, yoga for children. 10am-4pm. Meiklejohn Courtyard. Free. 881-3173.
- Football. Sonoma State. 1pm. 881-3038.

22 Tuesday

- Volleyball. UC Davis. 7:30pm. 881-3038.

24 Thursday

- Biology Seminar Series. "Molecular ecology, and environmental regulation of physiological processes in seagrass growth," Dr. Richard Zimmerman, Hopkins Marine State, Stanford University. Noon. N Sci 321.

25 Friday

- Annual East Bay High Schools Press Day. Sponsored by mass communication. 8:30am-2:30pm.
- Volleyball. Chico. 7:30pm. 881-3038.

26 Saturday

- Education in a Changing World conference. 8:30am-4:15pm. Sponsored by Extension Division, CSUH and California Association for Childhood Education.
- Pioneer (Cross Country) Relays. Men and women. 9am. 881-3038.
- Men's soccer. Stanislaus State. 2pm. 881-3038.

29 Tuesday

- Women's soccer. Sonoma State. 3pm. 881-3038.

30 Wednesday

- Men's soccer. Sonoma State. 4pm. 881-3038.
- Volleyball. UC Santa Cruz. 7:30pm. 881-3038.

31 Thursday

- Biology Seminar Series. "Sexual encounters of the floral kind (or 'Sex and the Single flower')," Dr. John Cook, UCB. Book signing before and after seminar. Noon. N Sci 321.

November

1 Friday 2, 7-10

- "Cassandra," adapted from the novel by Christa Wolf, a retelling of the story of the fall of Troy through the eyes of the woman who foretold the tragedy. 8pm, Nov. 1-2,8-9; 2pm, Nov. 10, 6pm, Nov. 7. \$5/\$4/\$3. Box office hours: M-F, noon-1pm and 4-6pm (week of performance only), 881-3261.

2 Saturday

- Football. Humboldt State. 1pm. 881-3038.
- Women's and men's swimming and diving. Bakersfield JC. Noon. 881-3038.
- Men's soccer. Humboldt State. 2pm. 881-3038.

3 Monday

- Men's soccer. Humboldt State. Noon. 881-3038.

4 Monday through 23

- Retablos & Ex-Votos. Reception, November 13, 5-7pm. Gallery hours: M,T,W 11am-3pm; Th 1-7pm; Sat 1-4pm. 881-3111.

11 Monday

- Student Show. Reception, November 13, 5-7pm. Gallery hours: M,T,W 11am-3pm; Th 1-7pm; Sat 1-4pm. 881-3111.

6 Wednesday

- Men's swimming and diving. University of Alaska, Anchorage. 3pm. 881-3038.

7 Thursday

- Biology Seminar Series. "Are lizards smarter than deans? Do they learn to forage optimally?" Dr. Jonathan Roughgarden, Stanford. Book signing before and after seminar. Noon. N Sci 321.

7 Thursday through 10

- "The Inclusive University: Multicultural Perspectives in Higher Education." Parc Oakland Hotel. Sponsored by CSUH, Center for the Study of Intercultural Relations, Extension Division.

8 Friday

- Instrumental Music Festival. 8pm. University Theatre. \$5/\$4/\$2. 881-3167/4299.

12 Tuesday

- Volleyball. SF State. 7:30pm. 881-3038.

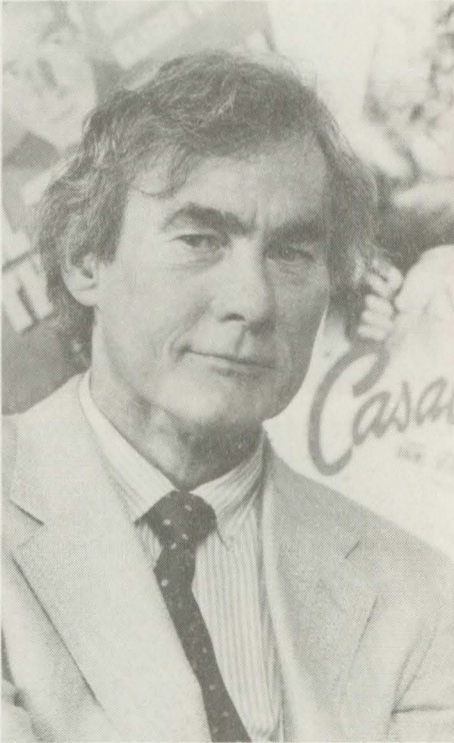

14 Thursday

- Biology Seminar Series. "Sharing research data in the sciences: a new funding agency requirement," Dr. Joan Sieber, CSUH. Noon. N Sci 321.

15 Friday

- Friends of the Arts dinner with Theodore Roszak. Reading from Professor Roszak's new novel "Flicker ." 6:30pm. Union 311. 881-3724.
- Operatic Arias and more. Tom Acord, tenor, guest baritone Richard Wagner, Donald King-Smith, piano. 8pm. Music Building 1055. Free.

Coming up in November

Paula Gunn Allen, a major Native American poet, writer and scholar will be among the distinguished participants in "The Inclusive University Multicultural Perspectives in Higher Education," which will be held November 7-10 at the Parc Oakland Hotel. The conference is being sponsored by CSUH, the Center for the Study of Intercultural Relations and Extension Division. Theodore Roszak, a member of the faculty since 1963 and author of a widely-reviewed novel on the film industry entitled "Flicker ," will speak at a dinner for Friends of the Arts on November 15.

Items in this section are printed in the order in which they are received in the Office of University Relations and Development. We receive numerous submissions each week and print them as space allows.

Jay Umeh (Public Administration) presented a paper at the Annual Western Political Science Conference in Seattle, March 21-23. The topic was “A Comparison of Administrative Characteristics and Political Systems in Southern Africa.”

Jay Umeh (Public Administration) and **Steve Ugbah** (Marketing) presented a paper during the Annual Conference of the American Association of Management in Atlantic City, New Jersey, August 6-9. The topic was “Information Management: Perceptions of Public Administrators in Government Agencies”. The paper was published in the *Association of Management Proceedings, Multi-Disciplinary*, 2:65-70 (1991).

Donald J. Knapp (Management & Finance) will present an invited paper at the 8th Annual International Maintenance Conference, sponsored by the Institute of Industrial Engineers, and the American Institute of Plant Engineers, to be held in Dallas, November 12-14. His topic will deal with planning issues to meet technical support requirements for the start of the 21st century.

Doris Duncan (Accounting and Computer Information Systems) received a University Faculty Grant to attend the National Engineering Consortium in Chicago, September 29 - October 2. She also has been selected for inclusion in the *International Book of Honor*, 3rd edition, published by the American Biographical Institute.

Anna Buising (Geological Sciences) gave an invited presentation titled “Small-scale late Cenozoic faulting in the Colorado River Extensional Corridor, western Arizona and southeastern California” at the Eastern California Shear Zone Workshop sponsored by the Institute for Crustal Studies, University of California at Santa Barbara, September 4-6.

Karl Schonborn (Sociology) recently wrote and produced a nationally broadcast TV program about how the San Francisco Police Department is fighting increased crime on MUNI buses, trolleys and cable cars.

Richard A. Garcia (Ethnic Studies) spoke to the Phi Alpha Theta Honorary Society of Santa Clara University on “Becoming a Historian: Personal Reflections” at their May 8 dinner. He also presented a paper entitled “Dolores Huerta: Woman, Organizer and Symbol” at the Pacific Coast Branch of the American Historical Association meetings held in Kona, Hawaii, August 14-18. In addition, he spoke on a panel at the Peralta Community Colleges Faculty Orientation day which addressed the topic of cross-cultural education held August 19 at Laney College

Pauline J. Kelzer (Health Sciences Department) was an invited speaker at the 18th Annual Statewide Conference of the University of Arizona, College of Medicine, held in Phoenix. Her presentation was entitled “The California Tobacco Tax Initiative: Review of Prevention Programs and Smoking Policies at the Local Level”.

Sharon Friedman and **W.L. Borskey** (Student Health Services) participated in a seminar, “Primary Care Medicine: A Practical Approach”, sponsored by the Scripps Clinic and Research Foundation in San Diego, August 23-25.

Vladimir M. Ozerney (Management & Finance) participated in the Joint International Meeting of the Institute of Management Sciences (TIMS) and the Brazilian Society of Operations Research (SOBRAPO) in Rio de Janeiro, Brazil, and presented an invited paper titled “Some Issues in Developing Expert Systems for Multiple Criteria Decision Support” July 16.

Sterling Sakai (Relations with Schools) recently served on the faculty of the Institute for Contemporary Leadership (Western Association of College Admission Counselors) held at Loyola Marymount University. He led a session in enrollment management and facilitated the Asian Pacific Colloquium.

Jake Fuchs (English) will publish his article “Versions of Female Nature” in Gay’s *Fan* in the next *Studies in Eighteenth-Century Culture*. His review of Annable Patterson’s *Fable’s of Power* will be published in a forthcoming issue of *Eighteenth-Century Studies*.

Richard E. Bozak (Chemistry) performed on clarinet with the Slippery Gulch Band at the memorial plaque dedication for the legendary “Bridge Railway Service” [the key system] at 41st & Piedmont Avenue, Oakland on September 7.

Harmon Brown (Student Health Services; Kinesiology and Physical Education) served as Medical and Drug Control officer for the International Amateur Athletic Federation at the Pan-American Junior Track and Field Meet in Kingston, Jamaica, July 18-20, and the Caribbean and Central American Track and Field Championships in Xalapa, Mexico from July 26-28. On July 17, he spoke to the Jamaican Sports Medicine Association on the topic “Harmful Effects of Drug Abuse in Sports.”

Samuel I. Doctors (Management & Finance) has been appointed to the National Advisory Council on Environmental Policy and Technology. This Council advises William Riley, Administrator of the Environmental Protection Agency.

California Fault-Zone Theatre shakes up Edinburgh

Traveling under the name of the California Fault-Zone Theatre, students from Cal State Hayward performed at Edinburgh’s Fringe Festival in August. Of their performance of *A Dream Play*, a critic wrote “Under the thoughtful direction of Edgardo de la Cruz, the play has the hypnotic inevitability of a dream and sudden excitements. The horrors have their full effect, yet the sinuously Oriental style of the production, with its stress on visual images, and the ambient music, create something beautiful, even when the pessimism is most profound.” Of the second production, *Recent Disappearances*, another critic wrote, “The finale is chilling. The overall effect chastening. The question of collective guilt swirls, soars and hovers before settling on an almost distanced audience. The director, Arlene Hood, is responsible for this effect. It is quite right that such a scenario should do such things to Festivalgoers.”

According to Tom Hird, who accompanied the group to Scotland, the theater company took its name as a strategy to interest playgoers who have many productions to choose from and who often overlook college troupes. Members of the theatre department spent months trying to come up with a name that was representative of the Hayward and the Bay Area.
