00:06:13:08 - 00:06:32:16

Speaker 2

After the ceremony, judged at the start of 23, 29 and \$30 000 2930.

00:06:32:18 - 00:06:48:14

Speaker 3

Which just I think for the other fella.

00:06:48:16 - 00:07:54:26

Unknown

right. I think so.

00:07:54:28 - 00:08:20:04

Speaker 3

yes.

00:08:20:06 - 00:08:22:28

Speaker 2

81.

00:08:23:00 - 00:08:28:19

Speaker 4

So first when you get.

00:08:28:22 - 00:09:41:11

Speaker 2

Like you have a mortgage here right now it's in your car, Michoacan, to go here, you know, there's a few thousand new. I can't I don't see the finished guy was out in an hour yet And you see, you know you know those General Motors that they got make no muscle, man. I just wish that I guess he now be willing to.

00:09:41:14 - 00:10:05:05

Speaker 2

My name's, My name's Gordon Hoagland. I raised and train this horse myself. She's an Arab, about 14 years old now. It's been pretty good horse. We use it for hunting and and parades and. But all I can tell you about her. Well, how long have you been riding horses?

00:10:05:05 - 00:10:06:23

Speaker 3

How long you been doing this?

00:10:06:25 - 00:10:08:02

Speaker 2

about 22 years.

00:10:08:02 - 00:10:09:06

Speaker 3

22 years?

00:10:09:09 - 00:10:27:18

Speaker 2

That's right. Why did you take it out as a hobby? I grew up on a farm. I liked horses when I could afford them. Then I bought them. I started training them. Available horse. Thank you very much. Want to wish you luck tonight? Today. Thank you.

00:10:27:20 - 00:10:44:01

Speaker 4

Hi. My name is Susie and this is my horse Shadow. We came here to the Cinco de Mayo parade in San Jose. Just for the fun of it and for the turnout of enjoyment and other people.

00:10:44:03 - 00:10:46:13

Speaker 5

00:10:46:15 - 00:11:24:18

Speaker 4

His name is Shadow. He's backing up. Know. Here we go. Now. Now he's going forward. We're from San Francisco, up in Calif. Ah, up and up and a little north of here. And he is in Golden Gate Park. It's home with Golden Gate Park. He's not so sure about parades. Thank you.

00:11:24:20 - 00:11:52:28

Speaker 2

You are really awesome. I mean, your costumes, your just according to the CSA. And I really advise if you're going to be parading a lot, check your old books and see how you're to be judged before you go into this class. I mean, you're judged by comparison so big, you're all, you know, working Western type of outfits. Then I will judge you accordingly.

00:11:53:00 - 00:12:21:06

Speaker 2

But to be to constitute a parade horse, that means a silver ring. You know, all the fancy equipment, the sequined costumes and the whole thing. So before you enter in this class again, check before you go into this class. Okay? Is that understand? And if you want to get a see, I think a rule book, you just contact the state office in Santa Rosa and see what the rules actually are pertaining to these different classes.

00:12:21:09 - 00:12:40:24

Speaker 2

Because you all look good, you're clean, but you're in the wrong class. So check the rule book and find out how what classes you should be in. From the looks of most of you would be a plain Western type class. You could go in to more or less a working world, right? But the rest of you would be plain western.

00:12:40:24 - 00:13:39:16

Speaker 2

So check the class. Maybe we can get it added in this parade next year. So you won't be you know, it will be more fair to everybody. Okay? Yeah. I say the Santa Clara County Sheriff's Department. I am primarily a reserve. I've been with the unit for 19 years.

00:13:39:18 - 00:15:52:18

Speaker 2

We do search and rescue park patrols and Santa Clara County Fair. Gilroy Garlic Festival work for Easter Sunday are at Marriott's. That's pretty much it. Some of the people here are regulars with the department and. And like I said, I'm a reserve and some of the other people on reserves also. Thank you. How's it going? All right. It's we're pretty busy all morning.

00:15:52:20 - 00:15:57:11

Speaker 5

I'm all right. You know, this morning.

00:15:57:13 - 00:16:02:18

Speaker 4

I believe Cinco de Mayo, I thought as we went on some egos in the GI forum, I think with Mayo as an event of cultural, social, economic or political emasculate that comes out as we know personally, then Patrick said, Lovely is a case like Colonia mexicana. They ask you that so you can even find the guy from Sig and our president on us on the or those the animals that don't like Colonia mexicana when I roll near say finally very and I was sad but I can be more I look yes Mexico grass yes.

00:23:09:28 - 00:23:38:21

Unknown

Speaker 3

What do you do for a living?

00:24:45:15 - 00:26:01:17

Speaker 6

I paint yes. Harp car painter. The car with the car was driven back in 82 to Mexico. Mexico City when I started as the numbers. Carmelo Olivia. So I wonder how they got another one of high school is there to attend a companero Leopoldo Mr. de Nemours or retiree. They can say companeros, his peers Hidalgo Para la and they are looking I mean this was a nice took street to the escalator to a winner is the crew Hispano It's lucky to be that customers hacienda especialmente to the LA Comunidad Hispana I say go on Mr. Brumfield Estamos and Mr. Kultura Yesterday, Mr. Tendo, the junior and Mr. Raza, for many of the patriotic of LA.

00:26:01:20 - 00:26:23:28

Speaker 6

But they get a salutation and then Mexico. And they said, Well, I wonder which I chose. It's okay. Now I can do doodle. Yeah, I want to massively cross.

00:26:24:00 - 00:26:36:17

Speaker 2

The city just they gave it to us. Carnaval yesterday and last year we paid 36,000.

00:26:36:19 - 00:26:41:02

Speaker 4

Figure for it, you know. What's that? Is it a bigger parade this year?

00:26:41:05 - 00:26:48:00

Speaker 2

I guess that's why they want people in there all the normal time. Yes, sir. You still want.

00:26:48:00 - 00:26:49:09

Speaker 6

Me to get off?

00:26:49:11 - 00:26:50:10

Speaker 3

Yes, sir.

00:26:50:13 - 00:26:55:16

Speaker 2

You get off. You can get off. Okay, You get off.

00:26:55:18 - 00:26:57:15

Speaker 3

00:26:57:15 - 00:27:24:17

Can anybody else give us, you know, you know, GI Forum.

00:28:09:09 - 00:28:32:28

Speaker 2

We also participate in this, this celebration of the Cinco de Mayo pro-Trump party. También You know, we had a meeting in Los Angeles the other day where we discussed the GI Forum and the need to be able to represent the the Chicano Fighting Man in all of the wars that the U.S. has participated in. So as a filmmaker, I'm trying to take care of of that part of our history.

00:28:33:00 - 00:28:59:23

Speaker 2

And so I appreciate any contacts that I can get with the GI Forum. We're looking for stories, but beyond that, I think it's really important, the GI Forum itself communicate with with the movie industry and to let them know that the image of the of the Chicano and the Chicano in modern wars that the United States has waged is has been forgotten and put aside, because it's very important to have this visibility in order to be able to advance socially and politically.

00:28:59:23 - 00:29:06:01

Speaker 2

Okay. Well, do you have warm and fuzzy give you a look that on which you can know he gave a Cinco de Mayo.
