Ms. Jane Tolmach
City Hall
Oxnard, California

Dear Mr. Tolmach:

I want to take this opportunity to congratulate you on your recent election to the city council. I know that your success will mean a lot to the improvement of the public service in your city.

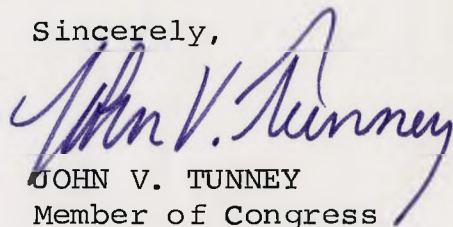

As you know, I am a candidate for the United States Senate this year in our state. I would greatly appreciate

any assistance that you might be able to offer my campaign in your area.

I would be most happy to discuss any ideas that you might have in this regard.

Again, congratulations!

Sincerely,

JOHN V. TUNNEY
