YOU CAN HELP STOP DIABLO CANYON!

MANY MEMBERS OF CONGRESS HAVE TAKEN A KEEN INTEREST IN THE DIABLO CANYON CONTROVERSY. IN A RECENT CONGRESSIONAL HEARING, THEY TOLD THE NRC COMMISSIONERS THAT THE LICENSING OF DIABLO WAS A SCANDAL! THE CONGRESSMEN SUPPORTED AN INDEPTH, INDEPENDENT REVIEW OF THE PLANT. THE NRC WILL ONLY REQUIRE SUCH A REVIEW IF ENOUGH PRESSURE CONTINUES TO BE PUT ON THEM. TO SEE THAT THE REVIEW DOES NOT BECOME A WATERED DOWN WHITEWASH, WE MUST ALL WRITE/OR WIRE THE APPROPRIATE OFFICIALS NOW, BEFORE THE REVIEW IS UNDERWAY.

INSIST THAT THE REVIEW:

- * GO BEYOND A PAPER REVIEW OF THE PLANT'S DESIGN; IT MUST ALSO LOOK AT ACTUAL PLANT CONSTRUCTION AND EQUIPMENT.
- * BE DONE BY EXPERTS WHO HAVE NOT WORKED FOR PG&E OR ON THE DIABLO PROJECT IN THE PAST.
- * BE AN OPEN PROCESS, WITH ALL INFORMATION AND DATA AVAILABLE TO TECHNICAL CONSULTANTS FOR PLANT OPPONENTS AS IT IS UNCOVERED, UN-EDITED BY THE NRC.
- * BE COMPLETED AND CORRECTIVE MEASURES TAKEN BEFORE FUEL IS LOADED.

THE DIABLO CANYON FIGHT IS FAR FROM OVER! THE NRC HAS SCHEDULED A HEARING FOR A FULL POWER LICENSE FOR JANUARY 19. THE PLANT COULD RECEIVE A FULL POWER LICENSE BEFORE IT WINS BACK ITS LOW POWER LICENSE!! WE MUST SEE THAT THIS DOESN'T HAPPEN. HELP US SECURE A TRULY INDEPTH AND INDEPENDENT REVIEW, AND MORE PROBLEMS ARE BOUND TO TURN UP!
