

OFFICE OF  
**WILLIAM RANDOLPH HEARST**  
LA CUESTA ENCANTADA  
SAN SIMEON, CALIFORNIA

ZJ

June 10, 1939.

Dear Miss Morgan :

I realize fully that everything has  
been most delightful and most liberal, and I of  
course would, if it were possible, prefer to have  
it continue on the same basis.

But circumstances demand the most  
limited possible expenditure on my part.

In fact, for the rest of the year I  
must not contemplate anything of any consequence.

Sincerely yours,

*W.R.Hearst*

Miss Julia Morgan,

San Francisco, Calif.
