

Dear Michele,

Thanks allot for coming to our school and talking to us and sharing your poems with us. I especially liked the story you told about your sister going on television on "The Price is Right" and her bidding 1,000 dollar on a new washing machine because your mom always said, "I would give 1,000 for a new washing machine" and the price was wrong. Then there was a new microwave and again she bid 1,000 dollars and she lost. Then another item came out and she said 1,000 again and she was close but she lost to the girl next to her. But anyway thanks for coming.

Thanks allot,  
Gabriel
