

## Mock Interview Process Evaluation

What did you see as the CSUCI students' strengths through this interview process? Could you see enough of a pattern across candidates to let you identify or hypothesize about strengths in our Multiple Subject Program?	
What did you see as the CSUCI students' areas in need of improvement through this interview process? Could you see enough of a pattern across candidates to let you identify or hypothesize about areas we need to strengthen in our Multiple Subject Program?	
Do you think the Mock Interview process is a valuable use of local educators' time? Why?	
Do you have suggestions for improving the Mock Interview process?
