

### ALUMNI ASSOCIATION

The Alumni Association has a program designed to advance the welfare of the college, to promote common interests of its students and alumni, and to serve as a liaison between the college, alumni, and the community. The self-directed group sponsors numerous activities during the year, provides scholarship assistance to students, and supports the development of the college. Membership is open to graduates and to any student who has attended one or more semesters at Fresno State College. Annual dues are \$10; life memberships are \$100.

The Fresno State College Alumni Trust Council is a charitable organization which receives contributions from alumni and friends of the college. Funds received by the Trust Council are used to support scholarships and programs of the Association, and to promote the welfare of the college.
