Dear Voter:

The purpose of this letter is to reaffirm my personal commitment to you that, as your representative in the State Assembly, I will continue to work hard to be sure that your rights as a resident, a taxpayer, and as an individual will always come before everything else.

In my many years of public service, I have always believed, in people as individuals - as human beings who deserve the very best from their elected officials.

The broad support that I have received from people who have earned a position of respect and leadership in the various communities in this District is a good indication that I have been fair, compassionate and sensitive to peoples' needs and concerns.

The enclosed literature should illustrate that I offer you my proven record of public service, experience and performance - and NOT just a lot of promises.

Working as a City Council Member and School Board Trustee, I have proven that I can exercise independent judgment and be fair and just in representing the people in this District.

As a member of the Assembly, I intend to be the kind of hard-working, effective, and honest representative that you should have.

I ask for your support and your vote on November 2nd.

Sincerely,

A handwritten signature in cursive script that reads "Jane Tolmach".
Jane Tolmach
