Your life here is what you make it. Both academic and social opportunities are available . . . don't be afraid to go out and get what you want."

Boredom played no part in the lives of students who balanced study, social life and work. Seventy-four percent of Cal State students held part-time or full-time jobs, working at least 20 hours per week, according to the Office of Institutional Studies.

They worked at everything from traditional student occupations — slinging hash and ringing sales — to communicating with computers. Some didn't even have to leave campus. There were plenty of paid positions in the University Union, the bookstore and administrative offices. Money was not always the motivation. Unpaid internships provided many students with the experience from which great resumes are made.

University Union

Birth of a Union

Amidst controversy over delays, budget over-runs, and other minor problems, the University Union opened on September 26, 1985 with an official ReUnion Day gala a month later.

Plans for the \$3.4 million project originated in 1976 and was approved in 1977 by the largest student election in Cal State's history. Seventy-one percent of the students who voted agreed to institute a University Union fee which now amounts to \$20 per year.

Setbacks pushed the opening, originally scheduled for the beginning of fall quarter 1984, to the September 26 date. Despite these early problems, the Union now enjoys popularity among students who use the facilities to relax between classes. If that was the intention of those who originally voted to begin construction, their vision of a central place for activities has been realized.

ReUnion Day, Oct. 26, 1985

A Day in the Life of a Union

The much anticipated facilities of the University Union provided what many had hoped it would — a place for students to eat, socialize and gather for special activities between classes.

The puzzle, a place for students to buy beer and wine, quickly became a popular area on campus for students to gather. Equipped with multi-colored tables in various geometric shapes, a juke box, and a unique puzzle wall which divides the area from the regular eating section of the Union Square, an area providing an atmosphere for students to relax and enjoy themselves.

In the game room, pool tables, a ping-pong table, video games, and other board games, including Trivial Pursuit, are available for check-out use by the student body.

Students government offices were moved from the old, temporary student union building across from the bookstore to the top floor of the building along with other administration offices. Banquet facilities and meeting rooms are available for use by student organizations.

Throughout the building, students can listen to the campus radio station, KSUH, which broadcasts directly into the building.

Other special programs and activities were organized for the students, bringing what many see as an opportunity to change what has been called an apathetic atmosphere on campus.

Eventful year for campus Italian Club

Il Quartiere Italiano, the Italian Club, has existed for over a decade and is one of the most active foreign language clubs on campus. Club events include dances and film series, food sales, and end-of-the quarter socials. The Italian Club has sponsored a pasta feed during the winter quarter, a Columbus Day parade in the fall, and is planning for its Festa Italiana for the summer quarter.

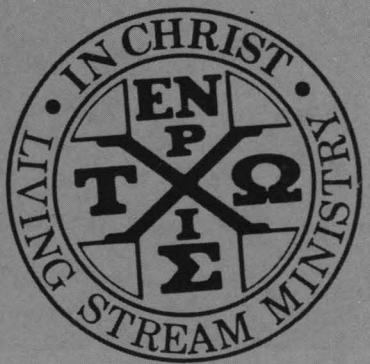

Asian Students Union enjoys year-round fun

Cal State's Asian Students Union provided fun-filled activities for students throughout the entire year. This year the club sponsored ski trips, canoe trips, luaus, picnics, volleyball games, and bake sales. The Asian Students Union also participated in this year's science fair and the annual Asian Pacific Heritage Week.

Year of growth for Volleyball Club

The 1985/86 school year has been an eventful one for the CSUH Volleyball Club. The club, one of the largest athletic clubs on campus, increased its membership this year from 25 to almost 50. The Volleyball Club is open to all Cal State students and alumni who are interested in playing volleyball. The club accepts volleyball fans of any skill level. The Volleyball Club sponsored gym nights once a week during the school year and sponsored an occasional "volleyball night" on weekends to gather students together for a good time. Club officers were Eric Voogd, secretary/treasurer, Julie Wood, vice president, and Wanda Worthington.

Filipino Club opened to any ethnic background

The Filipino-American Students Association is a socially active club on campus. The club consists of students of different races including Vietnamese, Korean, Chinese, Japanese, and Filipino. The Filipino-American Students Association sponsored food sales, dances, and picnics this year. They welcome all students, staff, and faculty to join. At left: top row; Calvin Lee, Gemma Grace Remos, Eric De La Rosa, seated; Jeanne Reyes, Lily Wong, Arlene Garcia, Myra Lozada, Beverly Amboy, Rose Han.

Asian Pacific Heritage Week

Asian Pacific Heritage Week, an annual, eventful week honoring Asian culture and heritage, was sponsored by the Asian Business Association, Interclub Council, University Union Program Council, Asian American Educator Council. Cal State students were treated to an Asian folk dance group and fine Asian delicacies as part of the festivities.

Jazz Ensemble performs for lunchtime audience

The CSUH Jazz Ensemble delighted Cal State students this spring with a concert in front of the Music & Business building. The ensemble, under the direction of Dave Eshelman, played for a lunchtime crowd of students and visitors during its annual spring concert.

In 1983-84 the University celebrated its 25th anniversary. That was a year to look back and recall with pride the accomplishments of former years. 1985-86 has seen the beginning of many projects that point to a bright future for Cal State.

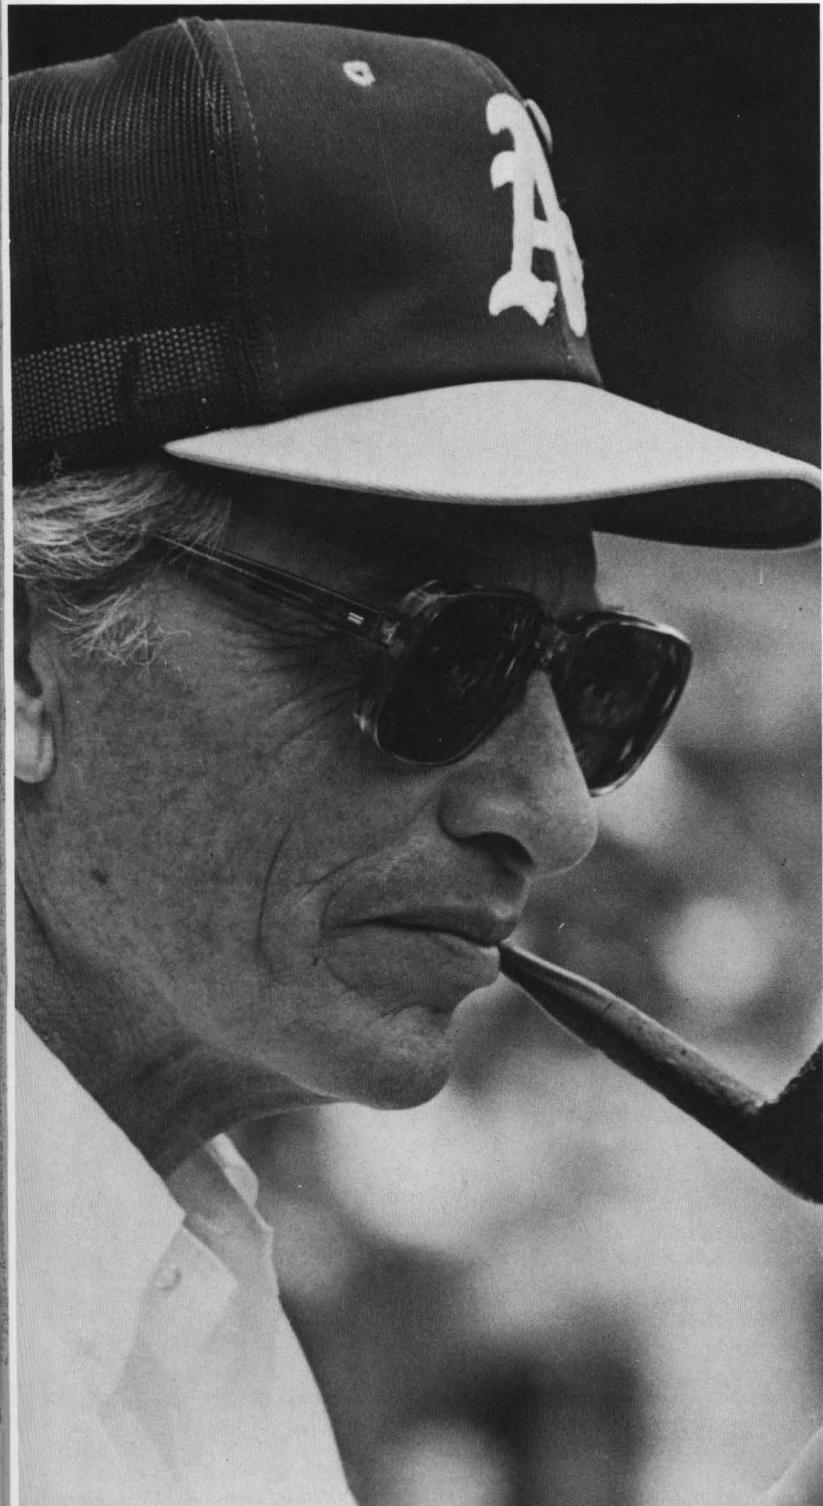

The opening of the University Union in Fall 1985 has added a new focus and vitality to student life on campus. This integration of student government, meeting rooms recreational activities and greatly improved eating facilities in a single building has helped to make Cal State an exciting and attractive place for students.

The class of 1985-86 was also privileged to witness groundbreaking ceremonies for the first University-owned student housing, an attractive student apartment complex on campus. Student housing, scheduled for occupancy in 1987, will accommodate 400 students. For the first time, Cal State will have a nucleus of resident students to participate in student government as well as the recreational activities of the campus.

The University also began intensive programs to reach out for new students and to renew our ties with alumni. We instituted a program to rethink, reorganize and intensify our efforts to reach many high school and community college students who have traditionally not attended a four-year university. The Office of University Relations contacted many thousands of graduates of Cal State, renewed their ties to the University, provided a means for them to learn of the accomplishments of other alumni, and provided a network for future contacts between alumni. Acacia, an attractive magazine of University and Alumni affairs, has brought Cal State to alumni as well as to friends, supporters and prospective students.

The Class of 1986 is a class of the future. I congratulate you upon the attainment of your educational goals. You take with you, as you leave, our warmest best wishes and our hope that your experience at Cal State has provided you with the intellectual tools, the knowledge and the skills that will ensure a rewarding and successful life.

Transition key theme in student government

Associated Students, the arm of the University which is student government, has used change and transition as its central theme throughout the course of this year. Beginning with the rebuilding of positive relations with University administration in July through to the ground breaking for new student housing in May.

AS moved from the temporary student union to the newly opened University Union in September. Since its opening, the University Union has been integral in the success of student sponsored programs such as Homecoming, ReUnion Day '85, Greek Week, and Pardi Gras. Although this year was the first real year of change and transition, it is certainly not the last.

Campus Media have successful year.

The 1985/86 school year has been an eventful one for the campus media, KSUH, *Escape*, and *The Pioneer*.

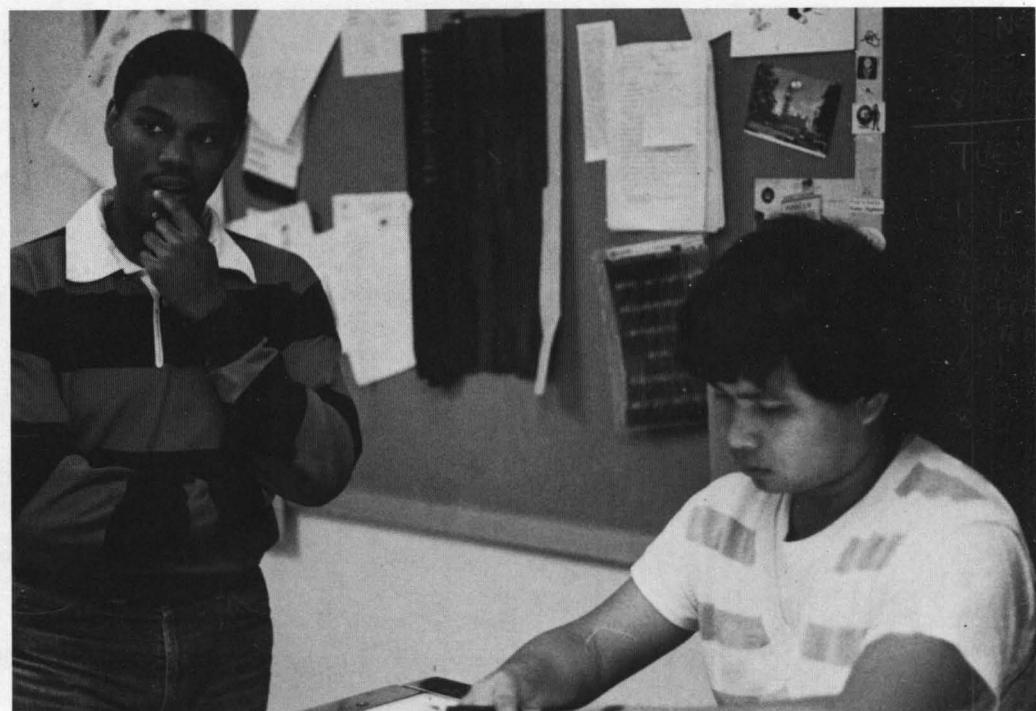

Campus radio station KSUH began broadcasting its signal into the University Union this year. The broadcast marks the first return to the Union since the building reopened from years of remodeling. KSUH broadcasted live from the University Union on April 15. General Manager Dave Corona and staff played various styles of music with occasional interruptions for news updates. KSUH airs weekdays from 8:30 a.m. to 3:00 p.m. and its broadcast frequency is 890 on the AM dial. Mass Communication Lecturer Patricia Robinson was this year's KSUH advisor.

The University Union magazine, *Escape* ran away with several awards at this year's California Interscholastic Press Association magazine awards, winning seven out of the eleven categories. The CIPA sponsored competition was held in Irvine, California, with about 25 Cal State University and University of California campus publications participating. *Escape* was honored with an award for general excellence and an award in the 1986 Magazine Sweepstakes, which is given to the magazine that presents a well-rounded representation of category awards.

Cal State student newspaper *The Pioneer* also won two awards from the CIPA convention in competition with other weekly newspapers. Vicki Wong won first place for Best Editorial Cartoon, and Glenn Gehlke won an honorable mention for the Best Newspaper News Story.

Paste-up person Deanna Horvath and Advertising Manager Maxine Zeehandelaar lay out *The Pioneer*.

Meanwhile, Managing Editor Stefan Bogan and Sports Editor Reuban Magbanua contemplate the sports page.

Scott Bentley, Constance Hodges, Janine Lundberg, Mercy Sichan, Patricia Robinson, Bob Bestor, John Norikane, Michael Anthony, and Dave Corona gather at the Mass Communications awards banquet on May 30.
