Mrs. Jane Tolmach
Oxnard, California

Dear Jane:

I want to thank you for serving as Ventura Chairman for the Brown Favorite Son Delegation campaign.

Although this note of appreciation is somewhat belated, I do want you to know how very much I appreciated your efforts on behalf of our delegation.

A significant and exciting week lies ahead of us in Los Angeles. Certainly we can all be proud of the fact California Democrats will be represented at the National Convention by a broad-based delegation. Although our "favorite son" campaign was a difficult one for you to explain to the voters, I think now they will be proud of California's potential for playing an important and responsible role in the nomination of our next President.

Best personal regards.

Sincerely
