Rabbi Lisa Bock

Thanksgiving event Nov. 26

By Carol Cannell

This year we are pleased to have Rabbi Lisa Bock of Temple Ner Ami speak to us for our Thanksgiving Interfaith Gathering. Congregants of the Temple will also provide music.

The date is Tuesday, Nov. 26, at 7 p.m.

Also speaking are John Soyster, pastor of Mount Cross Lutheran Church, and Deacon Bob Fargo of Padre Serra, representing the Catholic faith.

Thanksgiving is a wonderful time of year, and the special gathering of all faiths here in Leisure Village will warm your heart. As always we will sing together the wonderful song: "Let There Be Peace On Earth, and Let It Begin With Me."

Following the service, which lasts about one hour, we will enjoy delicious homemade cookies. If you would like to bake some, call Carol Cannell at 987-7570.

Making sure seniors eat well

By Marion Green

Eating a balanced and healthy diet is important at any age, but particularly to senior citizens. Good food choices help in keeping a body strong, a mind sharp and energy levels high.

As we age, eating well can also be the key to a positive outlook and staying emotionally balanced.

Locally, Camarillo has the Senior Nutrition Program, sponsored by the Camarillo Health Care District. Limited food and partial funding for the operation of the project is provided by the Ventura County Area Agency on Aging, Please see **FOOD** on 9

Meet LV's Music Man: Dick Guttman

By Patty Ecker

"When I was in the third grade, I begged my parents to buy a piano," says Villager Dick Guttman. "They found an old upright for \$10, I began to take lessons, and from that time on, music has been an important part of my life."

Which helps explain why Dick and his pals are working hard here in the Village to ensure that live music is an important — and accessible — part of life for all of us.

Listen as you walk through the Rec Center on Tuesday evenings and you'll hear the big-band sound of the Groovin' Easy Swing Band, or the Sing-A-Long twice a month, or the Open Mike performances at the LV Musicians Club monthly

Please see **MUSIC** on 10

The Women's Club's Holiday Bazaar is Nov. 4 and 5. For more, see the club news item, Page 22.

Did you see the waggin' train go by on Saturday, Oct. 19? It was LV Pet Club's first Wag 'N' Walk-a-Thon. It was a howling success! Look for a photo package in the December issue of ILV.

Irv Goodnick's on YouTube

By Stan Reshes

Hey all you old-timers in Leisure Village, do you remember when Irv Goodnick and his lovely wife Linda were mainstays of the Players Guild, regularly performing with original song and dance routines? Well,

if you have a computer, you have the opportunity to look back at a couple of their performances.

If you go to YouTube.com and search for "Irving Goodnick," you will find two videos, uploaded by his son, David.

Enjoy!

Event honors 350 volunteers

By Chi Chun

More than 350 volunteers who contribute to the Village were recognized at the Volunteer Coffee hosted by the Leisure Village Association on Sept. 26 in the AR.

Mary Hurt, assistant general manager, greeted the attendees and introduced the Board of Directors, elected but unpaid volunteers.

Planning and carrying out the event was the recreation staff: Susan Rockwell, Shelly Runge, Danel Stites and Mark Smith, the steady, supportive framework upon which the volunteers rely.

Right from the start, everyone benefited from volunteers who handle the sound and lighting — Bill and Sandy Foeller and John and Kathy Wirtz. The entertainment was a barbershop a cappella group, featuring resident Bill Crome and his buddies from the group Pacific Sounds.

The invited guests came from more than 16 committees, subcommittees and special events committees needed to make Leisure Village the best run, the

most fun place to live.

The Community Association Institute (CAI) has written, "The Community Association Institute in which Leisure Village is a member estimates that the volunteers in the approximately 45,000 associations in California save those associations an overall total of \$1.6 billion a year."

Pat Busch, who recently passed away, was head of the Finance Committee for 10 years. He used his professional wisdom and experience to put us in a very solid position. Bob Ellis will always be associated with the Reclaimed Water Project. He has moved away. Their significant contributions remain with us, but others having special skills or desire to serve are always needed to keep the volunteer pool active and productive.

There are also 54 clubs and several other groups that are led by volunteers. Many of these clubs need younger members willing to take over the reins. Leisure Village has been called a paradise, but can you imagine what it would be like if there were no volunteers?

LV offers Ancestry.com for free

By Bob Cohen

Have you ever considered documenting your family ancestry but thought that it would be too difficult or too expensive? Well, think again, because soon the resources of Ancestry.com will be available to you free of charge.

The Tech Center (formerly known as the Computer Club), headed by Kathy Wirtz, is purchasing an annual World Explorer membership via the Ancestry.com website. The Computer Club has a \$1,000 bequest from Winfred Singleton that is to be used only for genealogy research.

In the past, Winfred taught residents how to use Ancestry.com. With the new program, Pinky Palladino, who has been helping residents for several years, will be giving introductory instructions. In addition, Rita Linsey will be conducting orientations as needed.

All research must be done in the Tech Center; our World Explorer membership does not allow home use of the program. However, the Tech Center is equipped with 12 PCs and five Macs, all of which can be accessing the Ancestry.com website simultaneously. It should be noted that this program allows research only, not the compilation of a family tree. All data must be copied down on paper or typed into a Word document that you then email to yourself or remove using a USB drive. At the end of each day, all data is automatically deleted.

Final procedures are still being developed, but access to the Tech Center is restricted to residents who receive a key from the Rec Center Office. Those keys are not transferable and must not be duplicated or loaned to others.

Interested residents should sign up at the Rec Center Office.

Disaster Preparedness Corner

By Karen Eckles

We have received many requests to explain "shelter in place."

Shelter in place is intended as a short-term strategy. It was originally used as an emergency procedure for people affected by a chemical accident or chemical attack. It entails taking immediate shelter in a readily accessible location, such as a small inner room, and sealing it from outside contaminants and shutting off all heating and air conditioning systems. Depending on the exact situation, everyone within a specific distance of the incident may be ordered to shelter in place.

The phrase has increasingly been used by the Red Cross and police to describe precautions to be taken by the public when dealing with a disaster. Public authorities may call for potential victims in a hazardous situation to shelter in place, particularly in the event of a release of hazardous materials such as radiological, biological or chemical

contaminants. Such releases, whether accidental or intentional, may put surrounding populations in danger. In light of active-shooter events, and the panic that can ensue, shelter in place is also being implemented by the police as a response to armed events. Earthquakes and the damage it has caused could also require the authorities to order a shelter in place.

"What are the first things I should do to get prepared for a disaster?" asks BFM of Village 23.

First, purchase and store your basic food and water supplies: non-perishable foods, canned goods, energy and nutrition bars; 1 gallon of water per day, per person, in the home enough for a week; nuts and dried fruits, etc.

Next, make a kit that has money, clothing, medicines, important papers, flashlight, battery-operated or crank-powered radio etc. Contact your Village Coordinator for a complete list.

NEWS TO KNOW

Realtors Corner: Is reverse mortgage right for you?

By Sharron Parker
Troop Real Estate Inc., BRE 00900167

A reverse mortgage is a special type of loan that allows a homeowner to convert a portion of the equity in their home into cash. It eliminates monthly mortgage payments without losing the title to the home. No repayment is required until the borrower(s) no longer live in the house as the principal residence. The loan is paid back when the senior moves out of the home, sells it, the last borrower on title passes away or when the borrower fails to meet the obligations of the loan.

In order to qualify for a reverse mortgage, seniors must be 62 or older and own a home with sufficient equity that they live in as their primary residence. If the homeowner has a mortgage, that's OK — it can be

paid off with the reverse mortgage proceeds. The senior must continue to pay required property taxes and homeowner insurance.

The amount that can be received depends on the homeowner's age, current interest rates and the lesser of the appraised value of the home, the sale price or the maximum lending limit. There are closing and other costs, most of which can be financed as part of the loan.

Once any existing mortgage is paid off, the net proceeds from a reverse mortgage can be used for any purpose, from making ends meet to living your retirement dreams.

Last month's windstorm created havoc in parts of Leisure Village, with limbs falling from trees, flower pots crashing onto patios, even some sign posts around LV being modified, like this one at Leisure Village Road and Village 30. Fortunately, no accidents occurred, in spite of drivers needing to read this one standing on their head.

Wii Bowlers compete at high level

By Joyce Schifanelli

For the very first time in LV Wii Bowling Club's two-year history, our four highest-scoring bowlers competed with 13 other teams of top-notch bowlers, all members or residents of senior centers and senior living facilities located in Ventura County. The fifth annual event was sponsored by SCAN Health Plans, the benefactor of Wii Bowling systems for numerous senior facilities, including Leisure Village.

The event began Thursday, Oct. 10, with a 9 a.m. check-in at the Pleasant Valley Senior Center. Each team member and two alternates were given bags filled with a T-shirt, snacks and other goodies. Several teams, including LV, invited spectators to cheer them on.

The exciting competition commenced at 10 a.m. and each of the 14 teams of four bowled one game.

LV's Sylvia Edmonds, team captain (257), Barbara Bell (180), William Lamar (240), and Darryl Sobelman (264), took second place in the morning

session with 941 total pins. Rei Sugita and Paul Schifanelli were alternates but did not bowl.

Simi Valley took first place with 1,093 pins. The top five teams of the morning also included South Oxnard Senior Center, Pleasant Valley Senior Center and Colonia Senior Center (after winning a one-frame bowl-off for fifth place with SCAN Senior Center).

After the lunch provided by SCAN, the five top teams of the morning competed to determine the two overall top teams that would compete in a final game for first place. Battling tough competition, the LV team came in fourth, with a total score of 865 pins. Barbara Bell had the highest team score for that game, with 258 pins.

Simi Valley won overall first place in the final game with an outstanding 1,128 total pins. A team member told the VC Star reporter: "The team's secret is simple, we practice three days a week, up to five hours a day." South Oxnard Senior Center came in second with an

admirable 954 pins. Trophies and many prizes were awarded.

Paul Schifanelli, president of our club, was also quoted in the Oct. 11 article in the VC Star Camarillo section: "A lot of people who love to go regular bowling can't do it anymore because it's physically impossible. Wii Bowling gives

them the opportunity to do it."

LV Wii Bowling Club members are looking forward to competing next year, and plan to give Simi Valley Senior Center Wii Bowlers a run for their trophy. For more information call Paul Schifanelli at 419-4124 or Carole Miller at 383-0715.

as well as the City of Camarillo. Dedicated and caring volunteers deliver "ready-to-heat" meals. The menu is intended to provide a diverse diet that meets recommended nutritional guidelines and is offered to Camarillo residents 60 and older.

Chief Executive Officer of the Camarillo Health Care District, Jane Rozinski, wants to ensure Leisure Village residents are aware that the Senior Nutrition Program is available. Requirements are that a client be age 60 or older and housebound due to illness or disability.

The program is comprised of volunteer drivers who pick up frozen meals at the Camarillo Airport and deliver them to their clients. One volunteer said that she is as glad to see her clients as they are to see her. Special bonds and relationships often develop.

The Senior Nutrition Program delivers meals on Monday, Wednesday and Friday by 11:30 a.m. A donation

of \$3 is requested for each meal, and the program also provides at no cost an additional meal for any caregiver at the same location. Some clients go on the program temporarily while they recuperate from a medical procedure; others use it as a permanent supplement for their nutritional needs.

On the second Thursday morning of each month, Food Share offers free produce to the entire community. The following day is when their clients also receive a bag of fresh fruit and vegetables with their delivered meal.

Ann Springer, senior director of Community Services said, "Isn't it wonderful how people have been helping people since the beginning of time. It is just in our nature to help one another."

In addition to nutrition, the program also assists in the safety and wellness of residents with scheduled visits to clients to assess their continued need for home-delivered meals, as well as their general welfare. The Senior Nutrition Program also welcomes volunteers. Please call 805-388-1952, ext. 100, to volunteer or to sign up for the service.

MUSIC

Continued from 1

get-togethers. The show tunes, concertos and instrumental solos are examples of the music now available to residents in large part because of the enthusiasm and hard work of LV Musicians Club Board, according to Dick Guttman.

"It is a group effort," Dick declares. The musical resurgence is happening thanks to the effort of lots of people, he's quick to say: Sam Arouesty, Roy Badger, Stan Vansant, Richard Weiss, to name a few.

"About three years ago, we decided we could bring more musical entertainment into the Village," Dick explains.

Sam Arouesty led the creation of a big band. He recruited musicians, gathered hundreds of music

arrangements, and now brings the 17-person Swing Band to rehearse weekly in the AR. It's all open to the public and entirely free.

"And the Musicians Club monthly sessions are casual get-togethers for players and listeners in an easy cabaret-style with round tables (and wine)," Dick adds.

Typically, 50 or 60 Villagers make up the audience for the Band, Musicians Club performances and Sing-A-Long.

This is Dick Guttman's career-in-retirement. For 30 years, he was a lawyer — vice president and assistant general counsel for Square D Company in Chicago — with music always a part of his life. His piano lessons in the third grade led to playing for the lunch crowd at his Cleveland, Ohio, high school and on into adulthood.

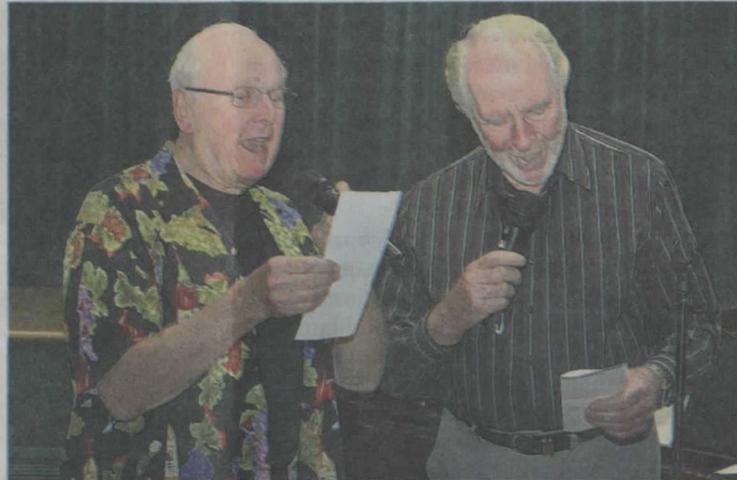

Photo by Jerry Spector

Dick Guttman, left, sings with Stan Vansant.

"I used to sit down at the piano (a 1927 grand piano he still plays) when I came home from work, and the family could tell what my mood was by the music I played," he laughs.

He and his wife Sandy divided their time between

Illinois and Leisure Village until three years ago when they chose to go west full time. And that's when Dick began to grow music here.

"Leisure Village gives me the opportunity to give back to the community. Music is one way I can return to others what

has been my good fortune."

Just ask the music department at Adolfo Camarillo High School about good fortune. That department gets no funding from the school district, except for the salary to the band director. So Dick invited the student Jazz Band to perform in the Village two years ago and suggested that the audience could make donations as a thank-you. "That concert raised over \$4,000 the first year and nearly that much the second!" Dick reports proudly.

As the holidays approach, Leisure Village melodies increase. A concert by the famed British Brass Band is scheduled for Dec. 13 in the AR. The Musicians Club, Sing-A-Longers and Groovin' Easy Swing Band will perform that month, too.

For LV Musicians, it's all music to their ears.

VETERANS DAY

Our country is in mourning; a veteran died today

He was getting old and paunchy
And his hair was falling fast,
And he sat around the Legion,
Telling stories of the past.

Of a war that he once fought in
And the deeds that he had done,
In his exploits with his buddies;
They were heroes, every one.

And 'tho sometimes to his neighbors
His tales became a joke,
All his buddies listened quietly
For they knew where of he spoke.

But we'll hear his tales no longer,
For ol' Joe has passed away,
And the world's a little poorer
For a Veteran died today.

He won't be mourned by many,
Just his children and his wife.
For he lived an ordinary,
Very quiet sort of life.

He held a job and raised a family,
Going quietly on his way;
And the world won't note his passing,
'Tho a Veteran died today.

He was just a common Veteran,
And his ranks are growing thin,
But his presence should remind us
We may need his likes again.

For when countries are in conflict,
We find the Veteran's part,
Is to clean up all the troubles
That the politicians start.

If we cannot do him honor
While he's here to hear the praise,
Then at least let's give him homage
At the ending of his days.

Perhaps just a simple headline
In the paper that might say:
"Our country is in mourning,
a Veteran died today."

Tales from the campfire

By Marion Green

I've been told, "What happens around the campfire, stays around the campfire."

The RV Club is always eager to have more members join. They plan about six outings a year and are dark in July and December. Their December event at Applebee's is a combination holiday party and installation of officers, and \$10 gifts for children are collected so they can be donated to charity.

The RV Club is a long-established one, being started in 1974. Years ago, they actually trekked to Alaska! These days San Diego is as far south as they go and Port Hueneme and Point Mugu State Park as far north. Point Mugu is in the Santa Monica Mountains and features five miles of ocean shoreline. The beach also features swimming, body surfing and surf fishing — a pretty good camping spot!

While the purpose of the club is for RV owners, you can still belong without owning one. You can go on these fun trips if you have a tent. Some campsites have cabins for rent and you don't even need a tent.

The club is famous for its annual fundraiser, the Pancake Breakfast. Proceeds from the event go back into Leisure Village to help where needed. The club recently donated money

for a new antenna for the Ham Radio Club.

Can you see it all now, sitting around the campfire, your dog at your feet, looking up at the stars without a care in the world (for about three days)? You can sit back, take in nature, hear the birds singing, go walking, play games and sometimes, just being alone with the great outdoors can be special in itself. And in the morning, what can beat the smell of bacon cooking over the campfire while drinking your first cup of coffee. Life can be good, indeed.

A potluck shared by all is planned for one night of each trip, and every evening has its Happy Hour. Sharon Loney said they usually have about 12 to 15 rigs on each camping trip.

Beverly Manzo, a petite gal and club president, was driving a converted bus but has recently downsized to a Class C rig. On a recent trip to Port Hueneme, they had a fun time with 18 playing golf. Some sites, like Solvang, have regular bus tours to add to your camping experience.

Can you imagine, all this for a \$5 yearly membership fee!

Their last campout was Oct. 17-20 to Flying Flags, Buellton.

For more information, call Mary Beil at 987-7901. Happy camping!

Food is always a big part of the campouts. In the top photo, campers help themselves to a potluck. Above, Helen Hartman enjoys ice cream.

RV Club

By Fred Sass

The January 2013 meeting started out with four board members showing up wondering whether we were going to have a club. Somewhere along the way Mary Biel showed up and wanted to be our treasurer. She also took over the membership list. We were down to 45 members that wanted to be part of the club. We are now 85 members! Mary's enthusiasm, smile and energy level has exploded on us. She is going to be our next president. We have campouts — lots of them — and many new people are going. There were 11 rigs that went to Buellton in October.

The Nov. 19 meeting at 6:30 p.m. is our last meeting of the year. Tickets for the Holiday Luncheon will be on sale. We have a choice of three entrees for \$12 each or steak for \$15 per person. The luncheon will be at Applebee's Dec. 3 at 1 p.m. Tickets are for sale in the Rec Lobby Tuesday and Thursday from 9 to 11 a.m.

We will also be voting on our new board members, so be sure to come.

Bob Cryder: The Model Man for Leisure Village

By Patty Ecker

It began as an idea to build a golf cart. That's what Bob Cryder usually does; he makes things — all kinds of things — continuing a passion he developed as a child building models. The theoretical golf cart was eclipsed when Bob saw tantalizing plans online to create — from scratch — a replica of an early 20th century General Motors concept vehicle designed for small business deliveries. He was hooked.

Now, after one year and more than a thousand hours of work in his Leisure Village garage, plus shopping trips for everything from old metal springs to elegant china closet doors, the shiny black and red vehicle is ready to go!

Here comes a 1904 Oldsmobile Pie Wagon, Cryder-style.

The vehicle is vintage Cryder. "I found frames, mounts and springs at salvage yards which I knew could be twisted and turned into the kind of body I wanted," says Bob.

He made several visits to a local blacksmith shop for help in welding metal into shapes he needed. He made the sides of the carriage out of recycled plastic and PVC, which makes it very weatherproof and light. The tires are actually motorcycle wheels; the windows are picture frames from Michael's.

"I was an electronic technician in research and development at Northrop," Bob recalls. "There we were given an idea to build into reality, and we always asked, 'What else can we do with this design?'"

What Bob can do with his Pie Wagon is actually drive it! He made it electric, not gas (more economical, he explains) and it's fully registered with the DMV, complete with a license plate and insurance. When he and his wife Verna took the Pie Wagon to the Oxnard DMV office on a trailer, it caused quite a stir.

"They loved it," Verna says. "But they also made sure we had turn signals, windshield wipers and a VIN number before they would register the 'low speed vehicle,' as it's known in DMV lingo."

Verna laughs when she thinks about how much time Bob spent in

Above, the back doors are made from the doors of a china closet. Below, windows are made of picture frames purchased at Michael's

their one-car garage building the Pie Wagon.

"It doesn't faze me. You know that old saying about boys and their toys," she says with a smile. The Cryders are looking forward to taking their Pie Wagon to car shows; they have no plans to sell it. And he expects to drive it around the Village, too.

"We have something unique here," adds Bob.

It's a Cryder original.

Photos by Jerry Spector

Bob Cryder stands beside his finished 1904 Oldsmobile Pie Wagon. It took him a year and more than a thousand hours of work to finish the vehicle in his garage.

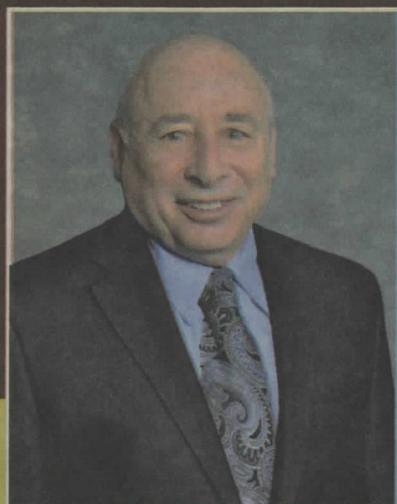

The front wheels of Bob Cryder's 1904 Oldsmobile Pie Wagon are from a Yamaha motorcycle. For many other parts, a local blacksmith shop helped Cryder weld metal into the shapes he needed.

Romande on Nov. 8 at 7:30 p.m.

If you were to ask Grey Romande how hard moving to New York would be, he would probably answer: "From

a farm boy throwing bales of hay onto the backs of trucks to singing 'The Phantom of the Opera' within days of moving to the Big Apple — if I knew

how hard New York was I would have been scared to go, but because I didn't know ... I just went."

He will be entertaining us with a tremendous range of music — jazz, Broadway, pop and classical styles. He was featured in "Man of La Mancha," "Jesus Christ Superstar" and also in "Phantom of the Opera" and "Les Miserable" at the Lincoln Center. He has performed at a command performance at the White House.

He will be accompanied on the piano by Lisa Lemay. So sit back and enjoy! As usual there will be yummy desserts and coffee and tea after the performance.

The United States Paddle Tennis Association is developing a seniors only paddle tennis tournament schedule. Only people 55 and older are eligible to play. The Racquet Club is forming a new group, called Tournament Bound, to practice for the 2014 senior competitions. If you still feel the competitive juices flowing and want to get involved in this new event, please call Trish Zakas, 991-6374. Current skill level is not important, but your commitment to weekly practice and self-improvement is essential. You also must be willing to drive to Venice Beach and Orange County to play in the tournaments.

Interested in playing tennis? Sharon O'Connor, 910-9428, is organizing matches for experienced players only. No tennis lessons are given, you must already have a tennis background. If you've wanted to get back in the game but didn't know

how, then give Sharon a call.

Ping Pong matches continue Monday and Wednesday mornings at 8:30 a.m. in the Annex. Both men and women are invited to play. Additionally, lessons and open play are scheduled every Monday at 3 p.m. at the Paddle Palace in the Annex. Everyone is encouraged to give this great game a whirl. Want info on the classes? Call John Peterson at 388-1230.

LV Women's Golf Association

By Ann Rogers

Despite the cooler weather and threatened rain, the vegetative debris aftermath of the three-day windstorm and the recent heat wave, the Women's Golf Club has had excellent turnouts for the weekly golf tournaments. We recently completed the Ringer and participated in the Harvest Picnic and tournament with

the Men's Golf Club. Now we are looking forward to our Halloween Scramble tournament and the President's Cup the first two weeks of November.

At our club meeting in the Garden Room on Oct. 9, we had a large turnout and the spread of goodies was fit for a party. Everyone seemed to enjoy themselves.

The Women's Club has completed Phase II of selecting charities for its biannual giving; a major one was the Leisure Village Amateur Radio Club for the installation of a 40-foot radio tower. The Radio Club was chosen because the tower would benefit the entire Village in an emergency crisis or for disaster warnings. Outside of Leisure Village, support for several charities is being continued, and

Anyone in the Village is invited and welcomed to these programs and refreshments free of charge. The meeting starts at 1:30 p.m. in the AR.

The Holiday Bazaar will be in the MPR on Monday, Nov. 4, from 3 to 6 p.m., and Tuesday, Nov. 5, from 9 a.m. to noon. The proceeds from the bazaar and weekly workshop are the means the Women's Club uses to aid worthy charities and causes, and to provide professional speakers and entertainers for our enjoyment and pleasure. In addition to all the gifts, crafts and jewelry, boxes of See's

We welcomed first-time judge Nancy Lehrer for the evening's entries. The assigned category was Transportation, with many photos entered into competition. The winners were: first, Sharon Forkner, second, Gregg Gillmar and third, Lee Clukey.

Honorable Mentions were awarded to Margaret Petersen and Doug Demers.

In the Open category, Don Treadwell took first place, Lee Clukey won second and Margaret Petersen garnered third. Honorable Mentions went to Laura Greffly and Sharon Forkner. First place in Creative was won by Renee Kaplan, second went to Jean Kohut and Marlene Votion was awarded third. There were no Honorable Mentions in this category.

The assigned category for November is Trees and Flowers. Also in November will be members voting on the new 2014 club board. The \$7 dues for 2013-2014 will be collected in November in order to compete in December.

All residents are welcome as guests at either the first Wednesday (competition night) or the third Wednesday where tutorials and workshops are often presented. You don't need a camera to enjoy being a guest. Judy Spector can provide more information, 384-9039.

Men's Golf Club

By Rob Sollett

It was a truly magnificent day for the Harvest Golf Tournament and Barbecue. Members of both Men's and Women's LV Golf Clubs were bathed in warm Camarillo sunshine.

Sharon Loney and Bill Fowler redefined the term "golf match" by wearing identical outfits. Fowler confessed: "It was a joint idea, weeks in the planning. It was great." Sharon Loney remarked: "The orange socks were so damn hot! I'm not borrowing them again." Laughing, she concluded: "I have no doubt the outfit improved my game. It was fun."

Welcome to the club, Ron Rubenstein. May all your tee shots land on the green.

The LV Club Championship will be under way at press time. Good luck to all participants. By the way, matching outfits are welcome.

Robert Riveles, vice president of the LV Board of Directors and LVMGA member, addressed the Oct. 8 Men's Golf meeting. He is putting forth a proposal to extend the boundaries of motorized golf cart usage on the LV Course. In a nutshell, he wants:

1) Use of motor carts on Tuesday and Wednesday following the LV Golf Tournaments.

2) Allow a non-permitted passenger to ride along in motor carts.

3) The use of motor carts on Holes 1, 2, and 9, as well as parking privileges on the second fairway. If I understand correctly, players would then walk and play holes 3 through 8, then retrieve the motor cart and proceed to the 9th hole.

"The decision will be made by the LV Board of Directors," Riveles said. He stated he shall abstain from voting on his proposal.

As of this writing, three LV Permits have been issued with a fourth under review.

Comments on Riveles' proposal should be directed as soon as possible
