California State College,
Fullerton**

Physical Education Building

Friday, June 6, 1969

5 p.m. and 8 p.m.

To California State College, Fullerton Graduates of 1969:

On behalf of the entire College, I congratulate you on receiving a degree this evening.

I commend you for your achievement, and for the share you have had in building an institution of highest quality. California State College, Fullerton is becoming known and recognized in many fields, both academic and extra-curricular.

Faculty and students alike have been heavily and significantly involved in College development. Among other areas of concern, a primary one has been improvement of opportunity for the disadvantaged. Through our Upward Bound Program, New Educational Horizons and Ethnic Studies, we have taken, and propose to take, positive action in a number of areas. In addition to the part all of you have played through allocation of Associated Students funds, many of you have given directly in service and support. It is our hope that these concerns and such service will continue to characterize your behavior after you leave this College.

Wherever you go, and whatever may be your occupation or profession, we at Cal State, Fullerton urge you to return here often, and wish you well.

William B. Langsdorf
President
