A Foundation for the Future

A Guide to OpenHouse
Saturday, April 23, 1994

President's message

Cal Poly is pleased to host this Open House, giving us an opportunity to show off the University's programs and facilities.

Credit and appreciation go to students, faculty, and staff who have worked hard to bring about this occasion, and we all hope this Open House will be the foundation for many similar events in the future. So welcome to Cal Poly; we're delighted you are here.

Warren J. Baker, President

Chairs' message

On behalf of the entire student body, we would like to welcome you to "Foundation for the Future." Much time and dedication have gone into making this event a success. We hope that in the short time you spend with us that you will gain a positive insight to the excitement and innovation that all of us share in Cal Poly's Open House. Enjoy your stay.

Deirdre Flynn, Chairman
Louie Brown, Co-Chair
