Dear Jane:

I am enclosing three documents which I hope you will present to the Board at the next meeting, either at Porterville or here.

Included in these documents is the report of the California Medical Association along with a statement of Mr. Spencer Williams relating to the report and a very fine and concise reply by Dr. Lowry to all the recommendations made in the report.

Sincerely yours,

A handwritten signature in blue ink, which appears to read "Louis R. Nash", is written over the typed name.
