PRESIDENT’S MESSAGE

Congratulations graduates!

On behalf of the faculty and staff at California State University, East Bay, we are delighted to celebrate your accomplishments with you as you receive your hard earned degree. Each one of you has a unique story, unique experience and unique challenges. You are resilient and you have persevered. And here you are. You made it to the finish line. You have our respect and admiration.

Cal State East Bay’s Latin motto—“Per Aspera Ad Astra”—translates to “through adversity to the stars,” a phrase that certainly describes your path and that of many graduates before you. As you enter this next phase of life, keep the Pioneer spirit with you. I know you will be successful in whatever career path you have chosen—whether in your community, the region, the state or the world. Given who you are and what you learned here, I know you will also strive to make where you live and work more civil, just and equitable. You join well over 160,000 Cal State East Bay alumni who are working to shape a better future for us all. Please stay involved and keep in touch.

More than anything, hold onto the excitement, passion and commitment you feel today. Let that excitement fuel your career as you move forward in your life.

My warmest congratulations and best wishes to you and your loved ones.

All the best,

Cathy Sandeen
President

May 2024

CHANCELLOR’S MESSAGE

Dear Class of 2024:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride.

You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2024! I look forward to all that you will accomplish.

Felicidades!

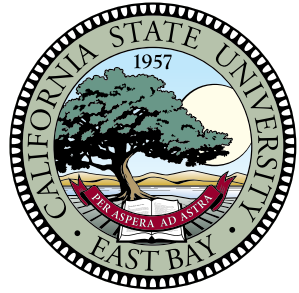

Warmly,

Mildred García, Ed.D.
Chancellor

May 2024

64th Annual COMMENCEMENT

WELCOME

Welcome to the 64th Commencement of California State University, East Bay. To make your day more enjoyable, please note the following:

Campus

Gifts and memorabilia may be purchased at the Pioneer Bookstore or at the bookstore tables at the top of the Amphitheater along the walkway near the Theatre courtyard.

Restroom facilities and water fountains are accessible in all campus buildings (have ticket for re-entry), and are open for your convenience. Portable restrooms and additional complimentary water stations are located outside the campus buildings.

Photography

All graduates will be photographed during the graduation ceremonies. Graduates will receive information on where to purchase photos 3-5 weeks post Commencement via email. *Please note: photography is provided by a private vendor as a service to the graduates; the University assumes no responsibility for the quality of pictures.*

For your safety

In the event of an emergency, please notify university personnel as soon as possible. University Police officers can be found at the ceremony sites and parking areas. The university has an ambulance unit standing by.

In the event of a natural disaster such as an earthquake, please remain calm. University officials will advise attendees of emergency procedures as quickly as possible. If you need assistance, call 911 from any campus telephone to contact University Police. Campus emergency “blue” phones are located in the parking lots for your convenience. These phones connect directly to University Police and no dialing is required.

HONORS AND CREDENTIAL PROGRAM INFORMATION

Honors

Honors at graduation are awarded to undergraduate and second baccalaureate students who have maintained consistently high scholarship through their academic careers:

- * CUM LAUDE: 3.65 - 3.74 GPA, means “with honors.”
- ** MAGNA CUM LAUDE: 3.75 - 3.84 GPA, means “with high honors.”
- *** SUMMA CUM LAUDE: 3.85 - 4.00 GPA, means “with highest honors.”

Graduates who have achieved the above designations were awarded the University Honors medallion at a separate ceremony April 20. The medallion depicts the seal of California State University, East Bay. Our honors graduates wear their medallions today in recognition of their commitment to academic excellence.

Honors notations for spring and summer graduates are based upon student records at the end of the fall semester. Official designations are dependent upon the complete student record.

University Honors Program Graduates

- # Students graduating from the Honors Program have maintained at least a 3.6 GPA, taken at least four honors-designated courses, and completed a senior honors seminar.

Bachelor’s Plus Early Pathway

- + The Bachelor’s Plus Early Pathway combines two programs on the Hayward campus designed for future elementary school teachers: the Liberal Studies B.A. major (Credential Track) and the Multiple Subject Credential Program. Students who complete this program are granted a B.A. degree in Liberal Studies and a Preliminary Multiple Subject teaching credential.

Doctor of Education Degree (Ed.D.) in Educational Leadership

California State University, East Bay offers a program of study for the Doctor of Education degree (Ed.D.) in Educational Leadership. Housed in the Department of Educational Leadership, this program develops critical and courageous scholar-practitioner leaders who address complex educational challenges with an awareness of and sensitivity to the intricate ways that power and injustice manifest in our schools and organizations. Graduates emerge as scholar-practitioners, equipped with the tools to transform the world of education into socially just, inclusive, equitable, and effective environments. This is the thirteenth graduating class from the Cal State East Bay Ed.D. program.

MISSION STATEMENT

Cal State East Bay serves and values a student body with diverse lived experiences. Through innovative teaching, experiential learning, research, campus life and community engagement, our students, faculty and staff use their knowledge and experience to build and contribute to an equitable, inclusive and environmentally sustainable world

Cal State East Bay’s vision, mission and values, and five campus priorities are part of the Future Directions Strategic Planning Initiative. All campus departments have specific actionable goals to align with campus priorities.

OUR PRIORITIES ARE:

- Student Success
- Equity, Inclusion and Anti-Racism
- Research and Innovation
- Organizational Excellence, Financial Sustainability and Growth
- Outreach and Engagement

COLLEGE OF LETTERS, ARTS AND SOCIAL SCIENCES
2024 HONORARY DEGREE RECIPIENT

Betty Reid Soskin is a distinguished civic leader whose contributions have enriched California State University, East Bay, the broader East Bay region, California, and our nation. A resident of the East Bay for over 90 years, Ms. Soskin is an outstanding model of civic engagement, a pioneer for social justice and a truth-teller of history.

A graduate of Oakland High School, Ms. Soskin was a file clerk during World War II at the Richmond shipyards in a segregated union hall. One of the few Black Americans hired, Ms. Soskin later observed that her office position was akin to attending college, given the options available at that time.

Ms. Soskin and her husband Mel went on to found Reid's Records in Berkeley, CA, a gospel music specialty store that thrived for over 70 years as California's oldest record store, as well as one of the few long-sustaining black-owned businesses. Ms. Soskin became actively engaged in the civil rights movement and served as a delegate to the 1972 Democratic National Convention.

In 1995, Ms. Soskin was named a "Woman of the Year" by the California State Legislature and awarded the Silver Service Medallion by the National WWII Museum in recognition of her work and connection to World War II. Invited to attend President Barack Obama's inauguration in 2009, she carried a photo of her great-grandmother who had been born into slavery.

Most famously, in 2000, Ms. Soskin joined the U.S. National Park Service, stationed at the Rosie the Riveter WWII Home Front Park in Richmond, CA. From its inception, Ms. Soskin was deeply involved in the direction and creation of this distinctive urban national park, including bringing to light stories about working in a time of segregation and racism. She retired at the age of 101, holding the distinction of serving as the oldest active U.S. National Park Ranger.

EAST BAY
 A L U M N I

ACADEMIC REGALIA

The academic regalia worn at commencement continues a tradition that began in 12th century western universities, when robes and hoods were the standard garments of the day. This tradition was revived in the United States during the 17th century by students who felt the robes not only added dignity to the commencement ceremony, but also provided uniform dress for rich and poor graduates alike. All candidates for degrees wear plain black gowns and black mortarboards. For the faculty, the type of gown and color of the hood designates the field in which the individual received his or her highest degree. In some cases the color of the gown also indicates the institution from which that degree was granted. Bachelor's and master's gowns have pointed sleeves. Doctoral gowns have rounded, open sleeves. There are no trimmings on the gown for bachelor's and master's degree recipients. Doctoral gowns are trimmed down the front with black velvet and have three velvet bars across the sleeve. In some cases, the gown is trimmed in a color designating the field of study rather than in black. Hoods are worn around the neck and over the gown. Cal State East Bay hoods are lined with the university's colors: red, white and black. The outside of the hood is trimmed in a color representing the discipline in which the graduate earned the degree. The doctoral cap is worn with a gold tassel. Exceptions to the mortarboard may be present.
