Dear Jane:

I just thought I would let you know that your tape recording was routed on to the press department and I understand from them the matter was brought up with Senator Clair Engle in Washington, D. C., and that he will carry on from there.

The press saw your letters, your remarks, and have the tape now, so I think they will do everything that it is possible for us to do. Appreciate your sending it. Many thanks.

Is everything quiet and calm in Ventura County? Met Mr. Roy Pinkerton the other night at the Publishers' Dinner at the Mansion and enjoyed his company very much. He's quite a grand person, isn't he.

Sincerely

*May*
