NEWS-LETTER

California Democratic Presidential Delegation Committee

Number 3

April 22, 1968

For those of you unable to attend the Friday evening Delegation meeting in Los Angeles, we have two matters to report. (1) the substitution of a Frank Sinatra Spectacular for the originally scheduled April 27 dinner with Vice President Humphrey as the principal speaker and (2) the decisions reached at the Delegation meeting.

* * * * *

Due to scheduling problems which have developed as a result of changing events on the political scene, we will stage an all-star spectacular in the Oakland Coliseum Arena on Wednesday evening, May 22, with Frank Sinatra as the headline attraction. This replaces the dinner with Vice President Humphrey originally scheduled for this Saturday, April 27.

General admission tickets for the Sinatra show will go on public sale shortly, but special reservations and special attractions are available now. We have two plans:

Pre-show cocktails and Golden Circle seating — the best in the house. Contribution \$25 the person.

Pre-show cocktails, Golden Circle seating and an after show champagne reception with the stars — \$100 the couple.

Show tickets will be allocated on a first come first served basis. Earliest contributions get the best seats in this beautiful new arena. So fill out the coupon below and return it today. We will be in direct touch with those of you who have already contributed to the now cancelled dinner.

The delegation voted Friday evening to remain together as an uncommitted delegation and to meet again, as events unfold, at the call of the Chair. The motion was made by Mayor Joseph Alioto of San Francisco and seconded by Mayor Ben Gross of Milpitas. It carried unanimously.

In the discussion which preceded the voting on the motion, the principal tenor of those favoring this action was that this is the "free choice" delegation. Attorney General Lynch stated that he hoped we would be able to campaign as an unpledged group with a "You do have a choice" theme. When Chairman Lynch calls the next meeting, you will be immediately notified. It is expected that this one will be held in northern California.
