How do I prepare for my 10 minutes?

For performers:

You have the option of bringing a prepared piece less than one minute in length:
either a brief Shakespearean monologue or sonnet, a brief piece of choreography, or one verse
and chorus of a contemporary song, a capella or accompanying yourself if singing.
Feel free to combine your time with another performer.

For non-performers:

You have the option of bringing a resume, design or writing sample.

For everyone:

The more you know about A Midsummer Night's Dream, the better!

If you can't make it during those times, email Catherine Burriss to set up another time:
