Cover Trivia – Celebrating the 20th year

Can you name the Titans who are featured on the cover?

(If so, you need to get out more.)

If not, they're reprinted upside down here. The pictures are identified from left to right, from the top to the bottom of the page.

If that was too easy for you, name the years in which each player competed for the Titans (without looking inside this guide for help!).

The 1999 CSF Softball Media Guide was written and produced by **Jody Roginson**, and published, January 26, 1999, on a new Apple Power Macintosh system, which is very cool.

Editing by **Mel Franks**, Sports Media Relations Director. Thanks to **Debi Jones** for her assistance on this guide and in general. Photos (head shots) by **Mike Riley** of the CSF Learning Technology Support Center, staged action shots by **Todd Warshaw** (thanks). Some of the historical photos were taken by **Max Owens** and **David Caballero**. Thanks to both for the use of their work. Oh yes, and Mel and Jody took a bunch of pictures too. Cover by Jody.

Photos scanned and touched up in Adobe Photoshop 5.0 to the best of our abilities because, here at CSF, we endeavor to do it all – except for the printing, which was done by **Christian Printing Service**, Chino, California.

Special thanks to Mike Riley for his continuous help, to Judi Garman, for the use of some of her favorite photos, and to everyone at Christian Printing Service.

The 1999 Softball Media Guide is available by mail (in limited quantities) to the general public for \$8.

The University and the Athletic Department

California State University, Fullerton plays a major role in the intellectual, cultural and economic lives of Orange County.

Given the charge of teaching as a member of the state's three-tiered system of higher education, Cal State Fullerton does an exceptional job of educating the residents - and future - of Orange County. It prepares highly skilled and well-prepared university graduates.

Now in its 40th year, the university points proudly to its product, approximately 128,000 graduates. With 85 percent of them remaining within a 50-mile radius of campus, they occupy key spots in business, industry, government, the political arena and education.

The university - with its main campus in Fullerton and a branch in Mission Viejo - is one of the county's largest employers and purchasers. Its presence is a key factor in the prosperity and progress of this area. With more than 24,000 students currently enrolled and more than 2,200 faculty and staff employees, it is estimated that Cal State Fullerton impacts the community by \$600 million annually.

With a mission of making learning preeminent, the university's 700 faculty members combine the best qualities of teaching and research universities to work in close collaboration with students and staff to expand knowledge. The instructional program is offered by seven schools: The Arts; Business Administration and Economics; Communications; Engineering and Computer Science; Human Development

and Community Service; Humanities and Social Sciences; and Natural Science and Mathematics.

With full accreditation for its overall program, Cal State Fullerton has national recognition for its programs in art, athletic training, business, chemistry, communications, computer science, dance, engineering, music, nursing, public administration, speech and hearing, teacher education and theater. In all there are 91 degree programs - with 44 of them at the graduate level - plus a wide variety of credential and certificate programs.

Students are provided the best of current practice, theory and research and integrate professional studies with preparation in the arts and sciences. Through experiences in and out of the classroom, students develop the habit of intellectual inquiry, prepare for challenging professions, strengthen relationships to their communities and contribute productively to society.

Cal State Fullerton is the most affordable and ethnically diverse university in the area. It ranks 14th nationally in the total overall number of minorities who graduate, with a ranking of 12th for both Asians and Hispanics (No. 3 for both in Communications and No. 4 for Asians in both Education and Business). In California, the university is No. 1 for awarding undergraduate degrees in business and management to Hispanic and Native Americans, and communications degrees to Hispanic, Asian and Native Americans. A No. 2 ranking is held in California for undergraduate edu-

cation degrees to Hispanic Americans.

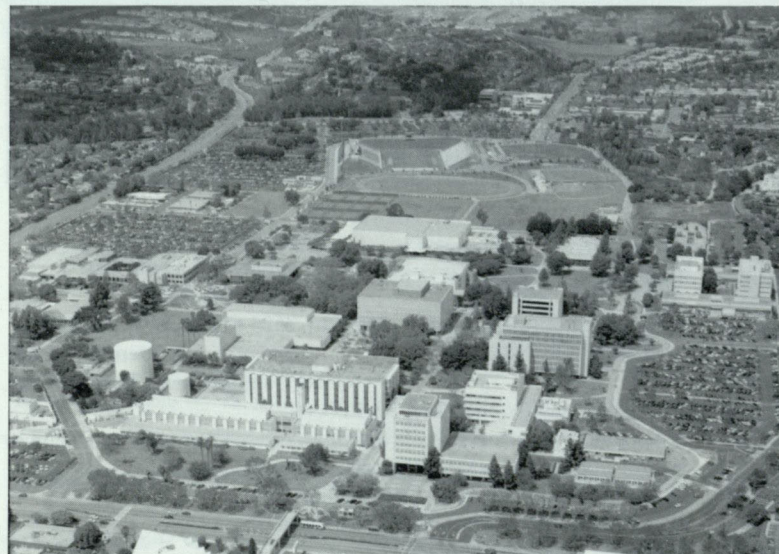

An extended education program, with open enrollment, offers individual courses, seminars and workshops, as well as more than 50 certificate programs ranging from entrepreneurship and sales management to creative writing. Classes are held evenings and weekends both on- and off-campus.

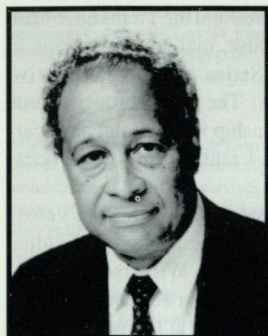

Community members also may visit campus for theater, music and dance performances and art exhibits of off-campus artists, plus those of university students and faculty members. While here, both the Fuller-

ton Arboretum and Heritage House are worth touring. And, an extensive recreation program is aimed chiefly at students, but is open to the public.

Volunteer opportunities are open through Cal State Fullerton's many support groups, such as the Art Alliance, Music Associates, Patrons of the Library and President's Associates. One such group, Continuing Learning Experience, holds many of its programs in the Ruby Gerontology Center, for which it spearheaded the fund-raising campaign. The center serves as an educational and research facility for the study of successful aging.

In less than four decades, Cal State Fullerton has taken its place as a primary force in the growth and prosperity of Southern California.

Dr. Milton A. Gordon,
President

Dr. Milton A. Gordon was selected the fourth president of Cal State Fullerton by The California State University Board of Trustees and assumed his duties on Aug. 6, 1990.

His university leadership includes serving as vice president for academic affairs at Sonoma State University for four years, as dean of the College of Arts and Sciences at Chicago State University for more than

eight years and as director of the Afro-American Studies Program at Loyola University of Chicago for six years.

President Gordon also taught at the Illinois Institute of Technology and in the Chicago public schools and served as a mathematician at the University of Chicago's Laboratories of Applied Sciences.

He is the Big West Conference representative to and vice-chairman of the NCAA Presidents Commission, California state representative to the American Association of State Colleges and Universities and serves on the governing boards of the National Conference of Christians and Jews, California Coalition for Mathematics, Orange County Chamber of Commerce, Orange County Community Foundation, United Way of Orange County, YMCA of Orange County and Fullerton Chamber of Commerce. In addition, he is on the advisory boards of St. Jude Medical Center and The California State University's Institute for Teaching and Learning.

The President has a Ph.D. in mathematics from the Illinois Institute of Technology, an M.A. in mathematics from the University of Detroit and a B.A. in mathematics and secondary education from Xavier University of New Orleans, Louisiana.

John Easterbrook,
Athletic Director

John Easterbrook is in his fifth year in charge of the athletic department riding the momentum of a most noteworthy first four years. Under his leadership, the Titans have come out in the black budgetarily and had three teams gain the national quarterfinals led by the 1995 NCAA championship baseball squad and the 1994 men's soccer team.

Easterbrook was appointed on Sept. 1, 1994, by President Milton Gordon. He was chosen from a field of 41 candidates on the strength of his experience at a successful Div. I program and his familiarity with the California State University system as an associate athletic director for nine years at Fresno State. Easterbrook, 59, was involved primarily in compliance, facilities and event management at Fresno State.

Easterbrook was hired at Fresno State by Dr. Gary Cunningham. The pair had crossed paths at the University of Wyoming in Laramie where Easterbrook was the president and CEO of American National Bank and Cunningham was the UW athletic director.

Easterbrook previously coached college football for 13 seasons at Idaho, Oregon State, Illinois and Wyoming. He was a three-year starter at quarterback and also played two seasons of basketball at Illinois. He was the Most Valuable Player of the Copper Bowl. He earned a bachelor's degree in commerce and law and attended law school for two years before entering coaching.

The Champaign, Illinois, native and his wife, Cynthia, have three adult children, three granddaughters and a grandson.

The City of Fullerton

The City of Fullerton was born of the railroads, grew because of oil and citrus, reached adulthood after World War II and is now maturing as an educational center of urbanized Orange County. It is located about 30 miles southeast of downtown Los Angeles and about 20 miles inland from the beaches of the Pacific Ocean.

The first settlers were an Indian tribe known as the Gabrielenos, who were on hand when the first Spanish explorers arrived in 1769.

By the 1830s, the expanses of mustard fields and cactus became part of a vast 35,000-acre grant of Juan Pacific Ontiveras, who sold off the land to newcomers from the eastern United States.

The Amerige brothers, George and Edward, entered the picture in 1887 when they heard rumors of the coming of the California Central Railroad. They bought up land and offered a free right of way to George H. Fullerton, president of the Pacific Land and Improvement Co., a Santa Fe Railway subsidiary. They laid out the town from a stake at what is now downtown, Commonwealth and Harbor Blvd., and named it in honor of its benefactor.

Charles Chapman, a descendant of legendary "Johnny Appleseed," revolutionized the exploding citrus industry by introducing the Valencia orange. Under the same rich agriculture ground, oil was discovered and by 1912, wells extended for 12

miles along the Fullerton hills into what is now Brea.

The city was incorporated in 1904 and Chapman was the first mayor. An airfield was established in 1927 and the Fullerton Municipal Airport remains a busy general aviation facility.

Another boom began as veterans returned from World War II and demanded homes for their young families. As that growth cycle slowed, the city was able to concentrate on providing the necessary amenities and educational opportunities blossomed.

Cal State Fullerton joined Fullerton College, which was established in 1913, and it was followed by Western States College of Law, Southern California College of Optometry and Pacific Christian College, now part of Hope International University. All are within a 2-mile radius in the east part of town.

Senior Associate Athletic Director Maryalyce Jeremiah (left) celebrates with Titan Head Coach Judi Garman after a landmark victory.

Garman is the nation's all-time winningest coach with 877 Division I victories entering the 1999 season.

Cal State Fullerton Athletics

If only one word could be used to best describe athletics at Cal State Fullerton over nearly four decades it would probably be overachievement. Dedicated student-athletes and resourceful coaches have ridden "Titan Pride" to athletic successes disproportionate to such a young institution.

The results of the Sears Directors' Cup standings for each of the past four years, which rank institutions on the basis of national championship places for men's and women's sports, are typical. The Titans have parlayed big seasons by baseball, fencing, men's soccer, wrestling, softball and women's gymnastics to Top 75 rankings. Three of the past four years the Titans have finished ahead of all other Big West Conference schools as well as such prominent athletic programs as Illinois, Syracuse and Utah.

Not many universities can claim national championships in seven different sports, a perennial All-Star major league third baseman, baseball and men and women basketball players in the Olympics, two rookies in the Super Bowl, the subject matter of a Walt Disney feature film and the first player selected in the major league baseball draft.

The tenor was set by the first Titan intercollegiate team - men's basketball. In only their second season, the Titans of Coach Alex Omalev advanced five rounds into the NAIA national playoffs in 1961-62. Sixteen seasons later, the nation watched another "cinderella" Titan Five advance to within one victory of the "Final Four." Coach Bobby Dye's 1977-78 team won the PCAA post-season tournament and then beat nationally ranked New Mexico (led by Michael Cooper) and

USF (led by Bill Cartwright) to gain the finals of the Western Regional, where they lost in the final seconds to the Sidney Moncrief-led Arkansas Razorbacks, 61-58.

The basketball tradition, which included a women's national title in 1970 and Coach Billie Moore and star Nancy Dunkle on the women's 1976 Olympic team, was continued in 1984 as Leon Wood helped the men to a gold medal before he became a first-round NBA draft choice. Coach George McQuam's teams were usually factors in the PCAA race and had national Top 20 rankings and a victory over the nation's No. 1-ranked and undefeated team to their credit. His teams earned a pair of NIT berths while the women have recently been in both the WNIT and the NCAA fields. Genia Miller was a 1991 Kodak All-America after ranking No. 2 in the nation in scoring and blocked shots and No. 7 in rebounding.

Seven Titans from the last 15 seasons have played in the NBA including current Dallas Mavericks' Cedric Ceballos and the Boston Celtics' Bruce Bowen.

Gymnastics has brought Fullerton more fame. Former men's Coach Dick Wolfe won three NCAA College Division titles (1971, 1972 and 1974) and had teams in the Top Ten at the Division I level in the 1980s while winning 10 PCAA titles in a row. His 1987 squad was ranked No. 1 in the nation behind former Chinese Olympian Li Xiao Ping. Lynn Rogers began the women's program in 1976 and the Titans usually have finished in the nation's Top 20 and won the national title in 1979. One-armed Carol Johnston was an All-American and star of the Disney film, "Lefty," while more recently Tami Elliott won 10 All-American awards and later became Miss Virginia for the Miss America pageant.

Baseball exploded on the national scene with the arrival of Coach Augie Garrido. He broke the USC monopoly in the western regionals in 1975 and won the national title in 1979 behind the play of Tim Wallach, an all-star fixture with the Montreal Expos who recently completed an 18-year career with the Angels and Dodgers. Garrido won the College World Series again in 1984 but probably most impressive was his 1995 team, which was ranked No. 1 in the nation most of the year and proved it by winning the final 18 games of the season to go 57-9 and capture the school's third NCAA title. The star was outfielder-pitcher Mark Kotsay, who won the Titans' third Golden Spikes Award as the nation's top amateur player as well as Fullerton's fourth CWS MVP Award.

A total of 26 Titan products have played in the major leagues with Kotsay and Dante Powell in 1997 with the Florida Marlins and the San Francisco Giants, respectively, and Jeremy Giambi with Kansas City in 1998.

Women have sparkled on the Fullerton diamonds, too. Coach Judi Garman founded the

softball program in 1980 and the Titans have been a perennial powerhouse, making seven trips to the College World Series and 17 consecutive regional appearances. The Titans brought home the NCAA Championship in 1986 and have carried the nation's No. 1 ranking on several occasions.

There have been national titles in men's cross country and women's fencing and individual standouts like golfer Martha Wilkerson and runners Mark Covert and Heather Killeen. Wrestler Laszlo Molnar placed second at 167 pounds in the 1994 NCAA championships.

Football had its moments, too, at Cal State Fullerton before being suspended after the 1992 season due to the state's financial problems. The program came of age under the guidance of Coach Gene Murphy in the 1980s with a pair of conference championships and four runnerup finishes in a seven-year span between 1983 and 1989. Murphy's products include Super Bowlers Mark Collins (New York Giants) and Bobby Kemp (Cincinnati) and current Canadian Football League stars Mike Pringle (MVP) and Allen Pitts (receiving record holder).

Meanwhile, Coach Al Mistri's soccer program has tried to fill the void in the stadium. The women's team was launched in 1993, the same year the men made their first Final Four appearance. The Titan men have advanced to at least the second round of the NCAA playoffs in three of the past five years.

History of Titan Softball

The history of Cal State Fullerton softball begins in 1979 with the Administration's decision to add the sport to the University's list of Division I competitors. **Judi Garman**, coach of the very-successful Golden West Rustlers, is hired while **Linda Shafor** is named the program's first assistant coach.

1980 **Pam Edde**, a pitcher from Utah State, and **Pam Knox**, a shortstop who played two years at Golden West and a season at the University of Arizona, transfer to Cal State Fullerton and a local product - **Janet Lloyd** from Tustin High School - commits to Fullerton and the upstart Titans are ranked as high as 7th in the coaches' pre-season poll.

After compiling a 37 - 29 season record, the Titans earn a trip to the Western AIAW regionals in Fresno, where the Titans eliminate defending national champions UCLA when UCLA makes an illegal defensive substitution in the bottom of the seventh inning. The Titans go to the AIAW College World Series in their first year and finish 9th out of 32.

1981 **Terry Keasling** and **Sue Lewis** along with new Assistant Coach **Jan Dunlap**, arrive at Fullerton and help the team to a 60 - 14 record including a sweep at the Western regional. They earn a return trip to the AIAW College World Series.

In the first game Janet Lloyd, recovering from knee surgery, hits a dramatic three-run home run in the bottom of the seventh with two outs and an 0-2 count to rally for a 7-6 come-from-behind win over New Mexico State.

In game 2, Terry Keasling steals the spotlight by pitching a two-hit shutout, striking out 13 batters and hitting a two-run home run in the bottom of the 15th inning to beat Western Michigan, 2-0.

Cal State Fullerton wins the College World Series of softball in 1986.

Cal State Fullerton Softball • 1999 Titans

In game 5, freshman Sue Lewis hits a pair of home runs to defeat UCLA, 5-4, to advance the Titans to the Championship Game. (The Titans complete a six-game sweep over the Bruins in 1981.)

After losing to Fullerton, 6-1, to force the double-elimination tournament to a final Championship Game, Utah State survives a seventh-inning rally by the Titans for a 4-3 victory. Cal State Fullerton finishes as the No. 2 team in the nation in only its second year.

Pam Edde, Sue Lewis and Janet Lloyd are named to the All-America team and Terry Keasling establishes the single-season record for strikeouts among Titan pitchers in a season, fanning 328 batters.

The 1981 team travels to Sweden at season's end, beginning a tradition of excursion excellence.

1982 Kathy Van Wyk joins the team when Defending Champion Texas Woman's University drops softball. She compiles an incredible NCAA record 33 consecutive wins in a season - still the record - on her way to a 35 - 1 record, with a 0.18 ERA.

The Titans compile a 55-6-2 record and earn a trip to the first-ever NCAA College World Series where Cal State Fullerton finishes 3rd.

Kathy Van Wyk wins the Broderick Award (national player of the year) and is named to the All-America team, along with Sue Lewis. Terry Keasling finishes her two-year career with a 13-3 record and her average of eight strikeouts per seven innings pitched still ranks her sixth on the all-time NCAA list for career strikeout ratio. Additionally, Lewis leads the nation in home runs and RBI - 9 and 50, respectively.

1983 JoAnn Ferrieri, Elise King and Susan LeFebvre begin their careers as Titans and Kathy Van Wyk becomes the program's third assistant coach. Cal State Fullerton finishes 56-15 overall and 17-3 in a tie with UCLA for 1st place of the WCAA Conference.

The Titans defeat the University of New Mexico in the West Regional to advance to their fourth-straight College World Series. They beat Indiana, South Carolina and UCLA to advance to the Championship Game against Texas A&M, where they lose to the Aggies, 2-0. It is the program's second appearance in the Championship Game in only four years.

Elise King and Susan LeFebvre are selected to the All-America team.

1984 Debbie Mygind begins her Fullerton career and combines with Susan LeFebvre and **Lori Neff** for a 54-12 record as the Titans qualify for their fifth consecutive post-season appearance. Although the Titans lose to Defending Champion Texas A&M in the Western Regional, Titan Sue Lewis is selected to the All-America team for the third time. She becomes the only Titan to accomplish this feat.

1985 Terri Oberg begins her two-year Titan career. A return trip to the College World Series pits the Titans against their old rivals, the Bruins of UCLA. The Titans had already suffered a loss at the hands of Nebraska when the Bruins beat the Titans, 1-0, in a game which landed Fullerton in the No. 3 spot for the

tournament. However, after UCLA beat the Cornhuskers in the Championship Game, it was determined that Nebraska had used an illegal player throughout the CWS. Although the NCAA record book doesn't reflect it, Cal State Fullerton claims its third No. 2 finish.

Debbie Mygind, JoAnn Ferrieri and Terri Oberg are selected All-America.

1986 Connie Clark and Chenita Rogers begin their careers at Fullerton.

After one ninth-place, one third-place and three second-place finishes, Cal State Fullerton finishes the 1986 season with the NATIONAL CHAMPIONSHIP. Behind the strong pitching of Susan LeFebvre, Connie Clark and **April Jones**, the Titans finish with a 57-9 record.

In Game 1 at the College World Series the Titans defeat Long Beach State in what proved to be the most difficult game of the series for Fullerton. Connie Clark pitches a four-hit shutout in the ninth inning game. **Alani Silva** leads off the ninth inning with a double and **Robin Goodin** advances her to third. **Rina Foster** drills a single up the middle to knock in the winning run.

LeFebvre pitches a one-hit shutout over Cal in the second game of the series and the Titans beat the Bears, 3-0. The third game was highlighted by a no-hitter from Clark, her second of the season over the Aggies, and the Titans beat Texas A&M, 3-0. Riding a streak, Fullerton faces Indiana in one semi-final game and for the first - and only time in the series - the Titans are scored on. But LeFebvre and the Titans prevail and take the game, 3-1, to set up the Championship Game - Cal State Fullerton vs. Texas A&M. Clark pitches a one-hit shutout and the Titans score in the fifth inning when Rina Foster triples and scores the winning run on a fielder's choice on the next play. Fullerton adds two more and wins its first national title, 3-0. The Titans tie a CWS record by going undefeated in the tournament.

Susan LeFebvre culminates a brilliant Titan career, receives the Broderick Award and joins teammate Chenita Rogers on the All-America team. Still the career leader in wins with 100, games played with 149, shutouts with 59, strikeouts with 702 and innings pitched with 894.2, LeFebvre remains on the NCAA top 20 list for season-best ERA with a 0.23 average in her freshman season, 1983.

1987 Missy Coombes, Valerie Douglas and Carey Hess begin Titan careers and Connie Clark returns for her senior year. The Titans finish 59-10 and earn a trip back to the CWS to defend their championship.

Cal State Fullerton defeats Florida State 3-0 in Game 1 of the CWS to set up a rematch of the 1986 Championship Game, the Titans and the Aggies. In what many people consider the greatest softball game in CWS history, the country's two best pitchers, Clark and Shawn Andaya, pitch 13 innings. Deadlocked 0-0 through ten innings (including two tie-breaker innings), the Aggies got on the board in the top of the eleventh. But, in Fullerton's half of the inning, Foster opens at second, is sacrificed to third and, with two outs, Missy Coombes drives Foster in with an infield single. The effort continues deadlocked at 1-1 until the 13th inning when Andaya herself scores the winning run for the Aggies. After 13 innings, the 3 hour and 25 minute contest is over.

A tired Titan team takes the field the next afternoon and defeats Fresno State, 2-1. Going into the bottom of the seventh inning down by one run, the Titans rally with an opening single by Alani Silva. **Michelle Gromacki** reaches on an error. After a failed sacrifice attempt, the Titans have one out, Gromacki at second and **Charis Monroe** at first. Then, with one out, **Cathi Hall**, in the biggest hit of her collegiate career, doubles off the wall to score Gromacki. Chenita Rogers sends a sacrifice fly to deep right and the Titans come from behind to beat the Bulldogs.

Playing that same night, the Titans face familiar rivals UCLA. The Titans are unable to beat the Bruins and settle for a third-place finish. (Texas A&M goes on to beat the Bruins twice the following day to record its second national title.)

Connie Clark pitches every game and inning of the CWS and is awarded the Broderick Award, the third time a Titan pitcher has been given the honor. She is joined by Chenita Rogers on the All-America team, her second selection. Rogers leads the nation in hits with 89 and posts a .401 batting average.

1988 Marty Rubinoff becomes the fourth Titan assistant coach and **Mich DeBree** becomes a Titan. Fullerton uses four young pitchers throughout the season who combine for a 52-20 record and a third-place finish in the final season of the PCAA Conference. (The conference becomes the Big West for the 1989 season.) In a difficult West Regional, the Titans draw eventual National Champion UCLA and lose in a best-of three format.

Valerie Douglas is selected to the All-America squad.

1989 Ann Van Dortrecht begins her pitching career for the Titans. Fullerton posts a 47-15 record and finishes 28-8 in second place in the Big West. The Titans draw cross-town rivals Cal Poly Pomona in the NCAA West Regional and are knocked out by the Broncos.

Missy Coombes and Carey Hess are named to the All-America team. Additionally, Hess leads the nation with 52 runs scored.

1990 Joy Tiner becomes a Titan and Kathy Van Wyk returns as an assistant coach. The Titans finish 45-23, 22-13, good for third place in the Big West and draw Long Beach State for the West Regional. Both teams were ranked in the top five. After beating Long Beach State, 3-2, on the opening night, the Titans suffer a 4-0 defeat and then a difficult 2-1 loss in 16 innings to the 49ers. It is the eleventh consecutive year that the Titans compete in post-season play.

Joy Tiner and Ann Van Dortrecht are chosen to the All-America squad.

1991 Tiffany Boyd arrives at Fullerton and the tradition of Fullerton pitching dominance continues as she and Van Dortrecht combine for most of the Titans' 52-16-1 record and Cal State Fullerton finishes 25-9-1 in the Big West. Again, Cal State Fullerton qualifies for post-season play and for the second time loses a best-of-three series to Long Beach State. However, the Big West has three teams - Long Beach State, Fresno State and UNLV - representing it at the CWS.

Tiffany Boyd and Mich DeBree are selected to the All-America team.

1992 Denise DeWalt selects Cal State Fullerton and the Titans post a 45-20 record and a 25-11, second-place finish in the Big West. Tiffany Boyd is named Conference Pitcher of the Year and DeWalt is named Conference Field Player of the Year. But, for the third year in a row, the Titans are eliminated after qualifying for post-season play by Long Beach State in a best-of-three series.

Tiffany Boyd and Denise DeWalt are chosen members of the All-America team.

1993 Traci Fischer begins her career at Fullerton after sitting out most of the 1992 season as a medical redshirt. The Titans use four pitchers to combine for a 37-21 record and take second place in the Big West. Fullerton qualifies for the West Regional and is sent to UCLA for another best-of-three series. The Defending Champion Bruins down the Titans and return to the CWS where UCLA loses to Arizona. (Winning pitcher **Susie Parra**.)

Denise DeWalt posts a .418 batting average and is selected to the All-America team. DeWalt's career .396 average marks the all-time best for the Titans.

1994 The "yellow ball" is introduced in collegiate softball. Three pitchers, led by **Jennifer Mortensen** and Trinity Johnson, combine for a 35-29 record and the Titans place third in conference play. Participating at the NCAA Regionals at Cal State Northridge, Cal State Fullerton is a part of a four-team Regional. The Titans beat Washington in the first game, 2-1, then lose to Northridge in game 2. The Titans beat Washington again, 4-0, and Northridge, 2-0, to force a final showdown between the Titans and the Matadors. Johnson takes the loss as CSUN bests Fullerton, 4-0, to advance to the CWS.

1995 Chris Zboril begins her career as a Titan and Michelle Gromacki returns as the program's fifth assistant coach. Also, **Melanie Roche** becomes the program's first pitching-only coach. Cal State Fullerton posts a 46-17 overall record and a 20-8 Big West mark, good for second place. The Titans draw a return trip to Northridge for the NCAA Regional with CSUN, Missouri and Illinois State. Shaking off seven years of regional frustrations, the Titans blast Illinois State in the opener, 9-1, and then beat Northridge twice, 1-0 and 2-1, to gain a berth as one of the final eight in the CWS at Oklahoma. The Titans beat first-place conference foe UNLV, 1-0, and then lose to two-time Defending Champion, Arizona, 11-0, and to Iowa, 6-5, to finish fifth.

Chris Zboril is named to the All-America team. It is Cal State Fullerton's 26th berth on the squad, and the 20th player so chosen.

1996 Susie Parra joins the Titans' staff as pitching coach. In this Olympic year, the Titans travel to New Zealand and Australia to participate in exhibition softball in an international setting.

On the strength of two young pitchers and a barrage of veteran offensive talent, Cal State Fullerton finishes 41-28 overall and 17-15 in fourth place in the Big West. The Titans bid, and receive, the NCAA West Regional and play host to Northridge, UCLA and Southwestern Missouri State. It is the 17th consecutive year that the Titans qualify for post-season play.

The Bruins and Titans meet for the first time in three years and for the first time in the newly expanded Titan Softball Complex. Chris Zboril leads off the game for the visiting Titans (by seeding) with a home run, followed by another by Traci Fischer and the Titans don't look back as they hand the Bruins a 5-1 defeat in front of a crowd of 551 for the afternoon affair. The Titans continue their roll as they greet Northridge with 9 runs in the first inning and an 11-0 mercy rule pounding. The first inning is capped by a Zboril grand slam. But the Titans' offense falters and their pitching inexperience shows when Fullerton loses its surprising bid to return to the CWS as the Bruins beat the Titans, 14-1, and 7-2, to advance to the CWS.

Traci Fischer is selected to the All-West Regional team and the Titans finish the season with a ninth-place Coaches Poll nod.

1997 The season features the most newcomers a Fullerton team has ever fielded, but the Titans go 29-26 on the year. Although the squad is disappointed by not making post-season play for the first time in the history of the program, 1997 is not without highlights.

Donna Coombes throws a perfect game as the Titans defeat Purdue at the Florida Tournament and Fullerton goes on to capture the crown there.

The Titans get off to their worst conference start, 0-6, but never give up, battling to conclude the season with a split with Long Beach State, eventual Big West Champions. Second baseman **Nikki Hart** is named to the 1997 All-Big West Team, along with shortstop Julie Williams. Outfielder **Rachel Olvera** is named to the second team and pitcher/utility player **Jana Oetgen** earns Honorable Mention.

1998 Prior newcomers with a year of experience under their collective belts, combine with a couple of new faces to provide one of the most potent offenses Cal State Fullerton has ever fielded. However, pitching continues to be inconsistent and the Titans go 32-29 on the year and miss post-season play for only the second time in the program's history.

Brenda Iglesias and **Kristy Osborne** earn All-Western Regional honors for their outstanding hitting and are joined on the All-Big West squad by **Dara Marzolo** and Hart for her second consecutive selection.

Cal State Fullerton has produced a professional baseball player (Missy Coombes of the Silver Bullets) and at least 26 former players who are still involved with softball as international players or coaches, collegiate and high school coaches, athletic trainers or sports information professionals. Titan teams and players have traveled all over the world as players or coaches and have influenced the international softball community with their knowledge and experience.

The history of Titan softball includes a **National Championship**, three second-place finishes, three Broderick Award winners (now called the **Honda/Broderick Award**), 26 All-Americans and dozens of all-conference and all-region selections. Additionally, it includes countless individual highlights and memories.

Cal State Fullerton is one of only five schools to win the NCAA Championship and has participated in post-season play 17 of 19 years.

Head Coach Judi Garman

As she enters her 20th season at Cal State Fullerton, Judi Garman's reputation as a mainstay at the institution and in the sport precedes her. Consider: Since establishing the softball program in 1980, the Titans have participated in post-season play every year except two; Garman has helped to raise over \$750,000 to provide opportunities for women in the sport; she is a sought-after speaker across the nation and abroad; many of her student/athletes have represented the United States in international competition; and, she is the nation's winningest coach with 877 victories already notched.

Selected as a recipient of the 1995 Woman of Excellence in Sports Award, Garman was honored by the Orange County community for her efforts to provide opportunity for girls and women to participate in softball.

Long regarded as one of the top softball coaches in the nation, Judi Garman saw that reputation permanently acknowledged on Dec. 4, 1993, when she was elected to the National Softball Coaches Association Hall of Fame in Atlantic City, New Jersey.

Garman reached a milestone on March 7, 1996, when she won her 1,000th game — 1-0 over Long Beach State. (The first 211 victories came at Golden West Junior College from 1972 through 1979.) Her 848th victory, which surpassed the 847 mark previously held by UCLA's Sharron Backus, came versus Oregon on Feb. 15, 1998.

Her Cal State Fullerton career record is 877-347-4 (.716) and her career mark is 1,059-361-4 (.745) including eight seasons at Golden

West. The Hall of Fame induction is only the latest in a seemingly endless stream of honors and accomplishments for Garman.

Her inaugural team finished third in the conference, second in the region and ninth in the AIAW Tournament. Since then, Garman's teams have won or shared eight conference titles and seven regional championships while finishing second in the College World Series in 1981, 1983 and 1985; third in 1982 and 1987; fifth in 1995 and winning the 1986 NCAA Championship.

Garman's accomplishments stretch across the continent from Canada to Santa Barbara to Golden West College to Cal State Fullerton.

She earned her bachelor's degree from the University of Saskatchewan in 1966 and moved to California where she began working on her master's degree at UCSB. While at Santa Barbara, she started club softball and soon had a varsity team.

Upon completion of her studies, she took the women's athletic director position at Westmont College in Santa Barbara and coached the volleyball, basketball and tennis programs in addition to softball.

Garman moved to Golden West College where, along with softball,

she coached basketball (1973-76) and cross country (1977-79). Garman coached the Rustlers' softball team to an unprecedented four consecutive national championships (1975-78) while compiling a record of 211-40 (1972-79). Twenty-one of her softball players received scholarships to four-year institutions. Due to those outstanding feats at GWC she was named to the California Community College Hall of Fame in 1992.

An established player, she was a Canadian all-star outfielder and member of two Canadian National Teams - the Saskatoon Imperials. And, she was a member of the Imperial team which represented Canada at the World Championships held in Osaka, Japan, in 1970.

When she came to Fullerton there was no on-campus diamond. Her first five teams called a municipal facility at Lions Field their home diamond until an outstanding two-diamond complex with lights was constructed as part of a joint venture with the city of Fullerton.

Very involved professionally, Garman served a two-year reign as president of the National Softball Coaches Association from

1990-1991. Each year she hosts clinics which bring over 200 coaches and 1,500 players to the campus. Additionally, she has produced highly successful pitching video tapes with acclaimed pitching coach Don Sarno.

In February, 1991, Garman was honored at the Fifth Annual National Girls and Women in Sports Luncheon sponsored by the Amateur Athletic Foundation of Los Angeles for her contribution to collegiate athletics in Southern California.

A popular speaker at clinics around the country, Garman has also made numerous trips abroad to Holland, Italy, Czechoslovakia, Japan and, most recently, Australia. She runs a camp each summer in Italy.

Fishing and snow skiing in Aspen occupy Garman's time away from the softball field. She also has numerous business interests and is actually involved in running a family business in Canada that manufactures moccasins.

Her sister, Lorraine Garman Klippel, was twice named the LPGA professional of the year for her accomplishments as the head pro/owner at Bumble Bee Hollow golf club in Mechanicsburg, Pa.

Assistant Coach Michelle Gromacki

"Her experiences on both the national and international level mean that she will bring the latest techniques and a winning attitude to our program."

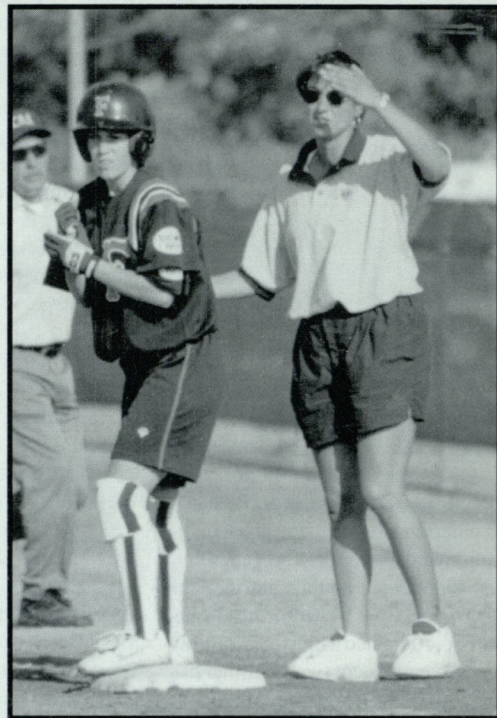

After playing the 1984 season at Butte Community College in her native northern California, Gromacki was a reserve for the Titans in 1985 and then the starter the next two years as Fullerton won the national championship in 1986 and placed third in 1987.

She won All-Pacific Coast Athletic Association honors in 1987 and received a large share of the credit for the development of pitcher Connie Clark, the 1987 Honda Broderick Award winner who posted a 53-7 career record. Gromacki also caught the 1986 Broderick winner in the Titans' Susan LeFebvre.

Gromacki has won Amateur Softball Association All-America honors eight times and was a mem-

ber of the three-time national champion Redding Rebels. She also was reunited with Clark on a team that won the national championship of New Zealand. Other trips have taken her to Japan, China and Australia, and, in the summer of 1994, Guatemala.

Still an active competitor, Gromacki has been invited to several camps and competitions for the U.S. national team and is still in contention to make the 2000 Olympic squad.

Michelle Gromacki, a former all-conference catcher at Cal State Fullerton and a former member of several gold-medal winning USA teams, returns for her fifth year on the Titan coaching staff for 1999.

"Michelle brings a lot of positive energy to our program and as a current player she provides a great working example," said Garman.

Assistant Coach Rose (Garces) Prokop

Rose Garces Prokop, a former All-Big West and All-West Regional selection first baseman at Cal State Fullerton, joins the Titan coaching staff for the 1999 season.

Garces was a four-year (1992-95) starter for the Titans and led the team in hits and doubles in her senior year, while posting a .321 batting average. Prominently among the leaders in many career lists, she still ranks No. 4 on the Titans' all-time list for hits with 212, No. 3 in doubles with 40, No. 3 in triples with 10, No. 7 in home runs with 10 and No. 4 with 89 career RBI.

After receiving her bachelor of arts degree in criminal justice, she returned to her high school alma mater, La Mirada, where she was a member of the CIF Champion Matarador squad of 1991.

As head coach of LMHS she promptly captured the 1996 Suburban League championship. Garces joined the softball coaching staff at UC Davis as an assistant and helped lead the Aggies to an outstanding

55-8-1 record and a final No. 3 ranking in the Div. II 1997 season.

Married to Ed Prokop on Jan. 2, 1999, Rose will now go by the name Rose Prokop.

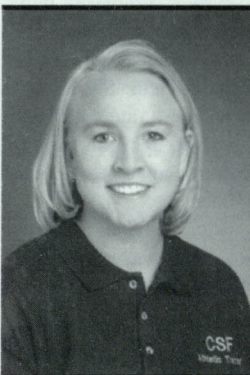

Graduate Assistant Rocky Medina

Former Titan catcher (1995-98) Rocky Medina will assist the Titans as she pursues her graduate degree at CSF.

Medina also works with student/athletes as a member of the Academics staff.

Student Athletic Trainers

Heather Fritzsche (pictured at left) and **Amy Hanby** will work with the Titans throughout the 1999 season as the team's student athletic trainers.

OF Bellflower
Bellflower HS

1998: A potent offensive threat, Davis actually led the squad in hitting with a .395 batting average, although her at bats were not enough to consider her nationally... scored 15 runs... had five multiple-hit games... her speed is always a factor on the bases and in the outfield.

1997: Suffered from a shoulder ailment which prevented her from competing for part of the season, with the exception of running... had a hot bat as a pinch hitter as evidenced by a .333 average once she was able to swing it... an explosive and skilled baserunner.

1996: The Titans' primary pinch runner, Davis scored 19 runs during the 1996 season... she stole 10 of 11 bases... also collected 2 hits in 7 at bats for a .286 average.

HIGH SCHOOL: Graduated from Bellflower High School... she was named most valuable player of the league her senior year; along with offensive player of the year accolades for her team... during her junior year she was named first-team All-CIF, all-league and was selected to the All-Woodbridge Tournament team... played varsity all four years, primarily as an infielder... also played volleyball during her freshman year.

PERSONAL: Born 5/2/77 in Long Beach... a child development major because she wants to work with children in the future... Carrie cites hitting her first home run as a slap hitter as her most memorable sports thrill... favorite sports personality is Tim Salmon... chose Cal State Fullerton because of the campus, team and its proximity to her home... parents are Dennis and Mary... has three sisters, Lori, Julie and Kelli.

The Kia Klassic

Cal State Fullerton annually hosts what is regarded as the premiere mid-season collegiate tournament in the country in the Kia Klassic to be held in 1999 from March 17 through March 21.

Sixteen teams, most of them in the pre-season Top 20 national poll, will collide in a pool-play format consisting of four pools of four teams. Results from pool play will

seed a 16-team single-elimination championship bracket. The champion will be crowned on Sunday, March 21.

Defending National Champions Fresno State (1998) and Arizona (1997) will return in this year's tournament and will be joined by several top teams: Washington; Texas; Florida; Utah; USL; Northridge; Oklahoma; Oklahoma St.; and, DePaul.

Cal State Fullerton has won eight of the 19 previous events. The now defunct Cal Poly Pomona program and Arizona are the only other multiple winners, capturing titles in 1983 and 1984; and 1988, 1995, 1996 and 1998, respectively.

Fresno State (1990), Oklahoma State (1989), Cal State Northridge (1993) and USL (1994) each have won a title and are featured once again.

Above: **Nikki Hart** completes her CSF career in 1999. Already a leader in several single-season categories, she will move up in several career categories as well.

Right above: **Brenda Iglesias** was one of the stars of the 1998 season. She is back in 1999 for her sophomore year.

Right below: **Rachel Olvera**, too fast for the camera to catch, returns for her junior year in 1999.

On opposing page: **Jana Oetgen** returns for her senior season in 1999 as the most experienced of the Titan pitchers.

Notes: **Bold Face** type throughout record book section indicates active players.

The "yellow ball" was introduced prior to the 1994 season.

The Honda-Broderick Award

The Honda-Broderick Award is presented annually to the nation's outstanding collegiate female student-athlete. A single finalist is selected from individual sports.

Three Titan pitchers were the overall softball winners: Kathy Van Wyk, 1982; Susan LeFebvre, 1986 (pictured on page 24); and, Connie Clark, 1987. Also, Missy Coombes was one of the softball finalists in 1989.

Above: Connie Clark accepts her Honda-Broderick award from a representative from the NCAA in 1987.

Titan All-America Selections

The National Softball Coaches Association annually honors the top collegiate softball players with the selection of the NSCA All-America teams. Head coaches choose three teams with 13 athletes on the first and second teams and 15 athletes on the third team. The teams are announced each year in conjunction with the College Softball World Series in May.

Cal State Fullerton's All-America history is deep. Twenty different Titan players have been selected to a total of 26 All-America berths. First baseman Sue Lewis is the only three-time winner among the Titans. Tiffany Boyd, Denise DeWalt, Susan LeFebvre and Chenita Rogers are two-time winners.

The Athletic Training Program

The athletic training program plays a major role at Cal State Fullerton in maintaining a student-athlete's health and in providing preventive medicine.

Director of the Athletic Training Program Julie Max is in her 20th year with her alma mater.

As the director, Max oversees the program which has received national acclaim for its curriculum.

A recipient of numerous industry awards, Max was recently honored with the prestigious 1997 NATA Athletic Trainer Service Award, which recognizes outstanding service to the athletic training

profession at the state and district level. The presentation was made in Salt Lake City, Utah on June 20, 1997.

Presently, she serves on two national committees within NATA; an Education Council which is investigating academic programs across the country, and a Policies and Procedures panel which will help the organization implement governance.

The athletic training program is administered under the school's Department of Kinesiology and Health Promotion and involves 1,500 hours of practical work for

each student before he or she can become certified by the NATA.

One of the most popular majors for CSF student-athletes, it is regarded as one of the finest programs in the nation. Cal State Fullerton lists several top athletic trainers among its alumni.

The Mascot

"What exactly is a Titan?"

"Why do you have an elephant for your mascot?"

Those are two of the first questions that pop into the minds of media and fans when a Cal State Fullerton athletic team makes its inaugural visit to an area. While the relatively young institution carved out of the Orange County citrus groves may be too new for many traditions, here are the recognized legends.

"It was the students' decision in a vote," explained Dr. Ernest Becker, founding Dean of Students, of the nickname "Titans." "More than a hundred names were suggested, and the Student Council took on the job of narrowing the list down to a few for the purposes of an election. The vote was close, with Titans narrowly prevailing over Aardvarks and Rebels."

It was a unique student body at the outset, all upper division students until 1963. There were 453 of them, mostly female, in 1959, the first year of classes at what was then known as Orange County State College. They voted to organize as a student body and to assess themselves a fee of \$10 per semester.

"Even when it was decided that 'Titans' would be the nickname, there was confusion as to what it represented," said Becker. "I was thinking of a large mythological figure from Greek history, not unlike

Tommy Trojan, but with perhaps straighter, more modern lines. In the same vein, the original dormitories were named Othrys Hall. There were others, however, who related the name to the Titan missile then in prominence."

Nothing official was done about a mascot because no one knew quite what to do. Until, of course, the "First Intercollegiate Elephant Race in Human History."

What began as a practical joke turned into probably the biggest "happening" on the campus to this day. The "gag" attracted elephants from universities around the nation and even Oxford from England. A crowd estimated at more than 10,000 people turned out on "Dumbo Downs" as the hastily graded field became known that spring afternoon in 1962.

To publicize the event, a circus-like elephant called Tuffy the Titan was used and it began appearing on sweaters and notebook covers around the campus. With no other mascot, the elephant was unofficially adopted. Several revisions in the caricature have been made in recent years to create a more tenacious Tuffy, or Titus as he also was called in an attempt to make him Greek. The costume that brings the elephant mascot to life also has changed as evidenced by the adjacent photographs. Tuffy even attracted a female Tiffy in 1992.

Plans are currently underway for a new athletic logo of Tuffy.

The origin of the school colors also bears discussion. The students voted for royal blue and white when they chose Titans, but the athletic equipment manager at the time thought orange was an appropriate color on uniforms for a school known as Orange County State College. The unofficial color was "adopted" and finally was formally acknowledged by the Athletics Council in 1987.

A change to a navy blue in uniforms and printing instead of the "reflex" blue of recent years was initiated in 1992 with a de-emphasis of the orange, originally favored by former Director of Athletics Lynn Eilefson in the mid 1980s.

And, finally, there is the matter of the school's name. As mentioned earlier, the name originally was Orange County State College. It's also been Orange State College and later California State College at Fullerton or California State College, Fullerton. The change to university status necessitated a further change to California State University,

Fullerton, but the school's address could not be changed from 800 N. State College Boulevard.

To its alumni of more than 110,000, it's simply **Cal State Fullerton**.

Academic Assistance

The Athletic Academic Services department was established at Cal State Fullerton to help ensure the academic success of intercollegiate athletes.

The mission of Athletic Academic Services, according to Assistant Athletic Director/Academic Director Christine McCarthy, is to provide effective support services to help each student reach his academic goals.

"We want all of our student-athletes to benefit fully from his or her educational experience at Fullerton," said McCarthy.

The department's many programs and services are directly aimed

at this goal. The office is responsible for academic advisement, coordinating study plans, class schedules, study skills workshops, tutoring, study hall, faculty and peer mentoring and referrals to the many campus services available.

The office is staffed by three full-time personnel in McCarthy, Academic Services Coordinator Barbara Kempton and Academic Services Assistant Mike Miller.

Kempton has been at CSF for over 30 years and her knowledge of the campus and the athletics department is immensely valuable.

Graduate assistants for the 1998-99 academic year are former Titan

athletes, **Rocky Medina** (softball) and Tammi Vories (gymnastics).

Coaches rely on Athletic Academic Services to track student-athletes' progress in classes and to alert them and the students to any potential problems. The department has an "Early Warning" system - periodic grade checks - in place which encourages faculty members to notify the office if a student is having problems with course-work and may require academic support.

Student-athletes at CSF take an average of four and a half years to five years to graduate, and some of that success can be credited to Athletic Academic Services. The staff members assist with selecting and registering for classes, referring students to faculty advisors and tracking and evaluating their progress toward graduation. The office's services are available to all past and current student-athletes.

Strength and Conditioning Program

Alison Wittwer will guide the strength and conditioning program for Titan softball.

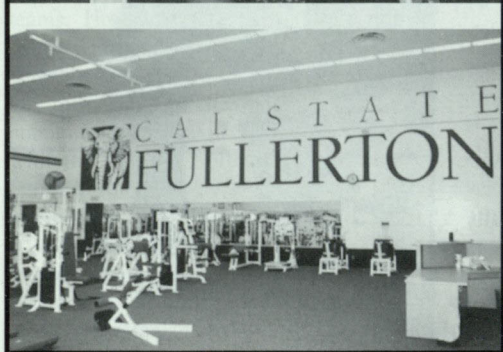

Cal State Fullerton's renovated workout room has been made available for student/athletes for the 1998-99 season, pictured here.

A champion swimmer who was

a collegiate record-holder in the 200m breaststroke while attending Morehead State, Wittwer received her bachelor's degree from the Kentucky university in 1976.

She received her master's degree in exercise physiology from Long Beach State in 1989 and currently works with many of the Cal State Fullerton athletics programs.

A member of the National Strength and Conditioning Assn., she was responsible for two different Titan athletes (**Beth Queypo** - softball and Jen Adeva - volleyball) being nominated for and receiving prestigious NSCA All-America Strength and Conditioning Awards in 1995 and 1996, respectively.

Pictured above is Strength/Conditioning Coach **Alison Wittwer** in the new work-out facility and another view of the new weight room.
