Museum association and a sort of volunteer body that puts on all the programs. And, the city pays for the director and some of the curators and the archivist, but the programs are all put on by, people who volunteer their time. And, some people are paid to supervise the volunteer and help out there. There are literally hundreds of people working out there.

00:01:10:11 - 00:01:20:08

In one capacity or another. Very good clubs encourage enjoyment, for all the reason and that. And, and if you open, you can get a.

00:01:20:08 - 00:01:30:13

Speaker 2

Copy of my book, and next year I'll get a copy of the next book and so on and so forth. But, if you don't feel that you can afford that right now, we have circulating copies here in.

00:01:30:13 - 00:01:36:07

Unknown

Our own library. Take home and read.

00:01:36:09 - 00:02:06:28

Speaker 2

Yeah. I did not understand. I can tell they haven't been there very long, but I don't think that we checked now. All. when Judy asked me to do this talk, I was in the midst of writing The Secret Love Life of Edwin Markham for five seasons. title. And I was to discuss that to some extent, back and forth for, asked me to focus more on and I guess at least.

00:02:06:28 - 00:02:10:02

Speaker 2

But, talk more about,

00:02:10:04 - 00:02:18:14

Unknown

The process of writing local history research and so we always devote more time to that. And that analyzing the.

00:02:18:14 - 00:02:21:09

Speaker 2

Secret life of that remarkable, copy which.

00:02:21:09 - 00:02:40:11

Unknown

You we all have in our and, well, I would like to thank you for the effort. And I think there's a lot, a lot more interest in local history that used to be for our.

00:02:40:13 - 00:03:07:26

Speaker 2

Well, by the history books around the big things. Know, they're more interested in things like making fabric and a graph, about the lives around them. I myself often wonder. You know what I mean? I may have a place in an older neighborhood or so forth. I'd like to go back in a time machine and imagine what people like myself, we're doing at that time and place.

00:03:07:29 - 00:03:25:27

Speaker 2

And, if you go back through the old, microfilm files in the newspapers, you can find that ours. It's very fascinating. And, their lives in many ways, we're not, like, in our own, local history and social.

00:03:25:27 - 00:03:32:23

Unknown

History and, it's, because I feel that, I think,

00:03:32:25 - 00:03:56:24

Speaker 2

Kind of validates ourselves in a lot of ways. the idea that if we're interested in what happened to us 30 years ago and found that, you know, our problem and perhaps, maybe in 100 years from now is I'm not interested in what we were doing, today. and what so I think maybe that maybe behind a lot of interesting.

00:03:56:27 - 00:04:02:12

Speaker 2

Anyway, as long as I look for reference library.

00:04:02:14 - 00:04:08:07

Unknown

I've found it. So I have always and always by our.

00:04:08:09 - 00:04:10:26

Speaker 2

To go beyond just the general reference question.

00:04:10:26 - 00:04:24:04

Unknown

Yeah. And really dig into the fact and, history materials and the kinds of things I'm writing about, doing this for a long time.

00:04:24:07 - 00:04:28:08

Speaker 2

I'm very eager about. I used to write quite a bit.

00:04:28:08 - 00:04:34:09

Unknown

More, I know more about student papers, which.

00:04:34:12 - 00:04:39:20

Speaker 2

welcome. Faculty member Mark de.

00:04:39:20 - 00:04:50:09

Unknown

You know that with academy colleagues and people I don't want to recall, there, but I always, for some of my.

00:04:50:12 - 00:04:59:22

Speaker 2

Rights and so forth. I find this, inviting and involvement, historic preservation.

00:04:59:24 - 00:05:06:08

Unknown

Of all open for classified. I get in about less problems in the waiting room to ask or.

00:05:06:10 - 00:05:10:25

Speaker 2

What needs to be saved and so forth. And as a consequence,

00:05:10:28 - 00:05:24:13

Unknown

Some of my articles have stopped certain things from being a violation of temporarily or in some cases, the long term. one case in point would be that shower. Now.

00:05:24:16 - 00:05:42:29

Speaker 2

Hopefully going to find a home after, we stop for meetings on down here. So at that time, there was someone to our south county, which was probably the one that fell through. But because we at time.

00:05:43:02 - 00:05:54:08

Unknown

like, we'll be able to move it out to, bolster place here. And luckily we got. Yeah, go out on paper or.

00:05:54:10 - 00:06:03:07

Unknown

Having people building torn down. Although I felt on the avant, they were.

00:06:03:09 - 00:06:10:28

Unknown

Optimistic the president proposed reception. Sorry. Well, and we.

00:06:11:00 - 00:06:14:12

Speaker 2

Put this book together. we asked about for.

00:06:14:12 - 00:06:23:25

Unknown

A title and the idea title for my my column, which I've done for over the years.

00:06:23:28 - 00:06:37:23

Speaker 2

Seemed to be on the verge of bankruptcy. historical. And we're Valley. That's what these articles are really. They are footnotes. And, they never been any of them not covered.

00:06:37:26 - 00:06:57:03

Unknown

Two and three by, but, and so what? I was going to take a magnifying glass with something my life, you would read what other. Articles before and expanded upon the.

00:06:57:03 - 00:07:01:12

Speaker 2

Consequently, we have quite a variety of.

00:07:01:12 - 00:07:12:08

Unknown

Different, articles in the book. There are about 45 people I didn't hear about a lecture on Friday last week that came in. So.

00:07:12:10 - 00:07:17:24

Speaker 2

And they're basically fall into, people, places and events.

00:07:17:26 - 00:07:26:21

Unknown

or as well as I would like arrangement. And that's what I'm looking to do this way. All,

00:07:26:23 - 00:07:32:25

Speaker 2

But the, sources, well, the articles themselves.

00:07:32:27 - 00:07:35:29

Unknown

I've been.

00:07:36:01 - 00:07:41:02

Speaker 2

Culled from various sources. I did find the.

00:07:41:04 - 00:07:49:02

Unknown

Album for, I think our local distributor. One expect to find that I was fortunate enough.

00:07:49:02 - 00:07:53:25

Speaker 2

To have a markham article to find a book which was rather obscure on.

00:07:53:28 - 00:08:11:29

Unknown

Our own. Rather, Careful. Not in Markham that mentioned something about this, incidentally, which I have expanded on my phone. but that's that's probably fine.

00:08:12:02 - 00:08:38:18

Speaker 2

But when you get an idea, like the editor, Mark Markle, I discovered that he was having a supermarket there with a with a medical doctor here in San, with, unclear whether she was married at the time and separated a certain mark of one of the owners at the time. And, she was a rather interesting and.

00:08:38:20 - 00:08:57:00

Unknown

Tragic fate, actually dying of. so that, I think they focused on that article and also, I think.

00:08:57:02 - 00:09:10:01

Unknown

The problem for, the material about coming to the center was not very well, wrong in this particular book.

00:09:10:03 - 00:09:21:12

Speaker 2

But knowing her name and when she left and so forth and went, yeah, yeah, it wasn't too difficult to open her up and sort like you say, the correct.

00:09:21:15 - 00:09:26:06

Unknown

exactly. Yeah. once I.

00:09:26:07 - 00:09:28:10

Speaker 2

Determined what when she died.

00:09:28:10 - 00:09:36:27

Unknown

It was incredible to find a picture where a local newspaper and microfilm,

00:09:36:29 - 00:09:50:28

Speaker 2

Searching the, records out of that lady is driving the Yamaha archives. I found a probate record quite a lot about the fact that she was a separate achievement.

00:09:51:01 - 00:09:53:16

Unknown

she had a daughter younger.

00:09:53:17 - 00:10:00:13

Speaker 2

She got property years before in a lot to kind of flesh out this character.

00:10:00:16 - 00:10:05:13

Unknown

well, and me lot ended up doing local history a little.

00:10:05:13 - 00:10:11:04

Speaker 2

Bit, like playing God takes people out of the path and sort of watching them.

00:10:11:04 - 00:10:19:09

Unknown

Out. Come back. the place with the history where.

00:10:19:11 - 00:10:23:08

Unknown

You learn about them, you know, about.

00:10:23:10 - 00:10:23:28

Speaker 2

people about.

00:10:23:29 - 00:10:30:11

Unknown

That part of that story.

00:10:30:14 - 00:10:32:26

Unknown

the history here that graduated.

00:10:32:27 - 00:10:37:26

Speaker 2

First and last.

00:10:37:28 - 00:10:44:17

Unknown

I'm staying home this day.

00:10:44:19 - 00:10:49:29

Speaker 2

Anyway, I, I like to.

00:10:50:01 - 00:10:53:02

Speaker 2

Quote from contemporary stories and.

00:10:53:05 - 00:11:03:02

Unknown

Very often all the way back to Baker for. So forth. that.

00:11:03:02 - 00:11:04:04

Speaker 2

Reflects the feelings.

00:11:04:04 - 00:11:09:17

Unknown

Of the time and the style of the writing.

00:11:09:19 - 00:11:21:17

Speaker 2

They don't write, do they? Like, but sometimes it's just the way things are read, of Oscar Wilde, Native Americans here.

00:11:21:17 - 00:11:31:14

Unknown

In San Jose. the reporters, really let me down one way. Look. I, I thought.

00:11:31:14 - 00:11:32:06

Speaker 2

It quite a bit.

00:11:32:06 - 00:11:39:01

Unknown

From the paper. I was writing that, yeah.

00:11:39:04 - 00:12:05:13

Speaker 2

Kennedy's see a heavysset countenance devoid of all hopeful shades of expression, which was naturally, naturally associated with the aspirations of the poetic countenance, with little or no evidence of a strong intellect and clear understanding of the man, a rather low but intellectual, proud. That's great. No, not a large amount with a degree with the large, disagreeable form.

00:12:05:13 - 00:12:09:03

Speaker 2

Not a pleasant form. There is something in the dark eyes.

00:12:09:04 - 00:12:14:19

Unknown

However, with good things in life. or Oscar.

00:12:14:21 - 00:12:16:21

Speaker 2

Fishing in that review. But I don't think it's been.

00:12:16:21 - 00:12:25:22

Unknown

Around long enough to find out. I. Anyway, that's part.

00:12:25:25 - 00:12:27:03

Speaker 2

Of it quite a lot.

00:12:27:09 - 00:12:32:27

Unknown

they went on for quite a while from that,

00:12:32:29 - 00:12:35:24

Speaker 2

00:12:35:27 - 00:12:41:00

Unknown

General Henry Moore as mainly, a local land baron.

00:12:41:02 - 00:12:45:23

00:12:45:24 - 00:12:58:12

Unknown

00:12:58:15 - 00:13:04:13

Speaker 2

Affairs with the press. one of them was a collection of.

00:13:04:13 - 00:13:15:20

Unknown

Letters he wrote a woman who that he had to be on site long before, some of things he said.

00:13:49:13 - 00:14:02:21

Speaker 2

Unknown

Where and how you are family very often and what their occupation, where, where they came from occasionally. but you can follow a person around town, by providing them with directions, and you can see about a rise in their status or fall, depending on where they live, where they were for.

00:16:09:16 - 00:16:11:01

Speaker 2

Another useful.

00:16:11:03 - 00:16:18:09

Unknown

Tap of the letters and that important, but at the sense of others policy committee about play. So, I like that on the whole lot because writing about the play, not the player, but like a play as, the character, in fact.

00:19:01:07 - 00:19:03:25

Speaker 2

Starting to play play, play was.

00:19:03:25 - 00:19:07:13

Unknown

00:19:07:15 - 00:19:14:29

Unknown

That, that was one of those things that was. Just the best play.

00:19:15:02 - 00:19:17:18

Speaker 2

Very, very quickly. But the whole process.

00:19:17:18 - 00:19:25:01

Unknown

But, people might call the the field.

00:19:25:04 - 00:19:32:03

Unknown

Which is of. Like.

00:19:32:05 - 00:19:40:00

00:31:48:28 - 00:32:11:08

Speaker 2

00:32:11:12 - 00:32:16:07

Unknown

Where all medical,

00:32:16:09 - 00:32:30:06
