DEMOCRATIC PRESIDENTIAL DELEGATION COMMITTEE

9th Floor - 604 Mission Street • San Francisco, California 94105 • Telephone: (415) 421-9230

Hon. Thomas C. Lynch, Chairman
Hon. Charles Warren
Robert L. Coate

February 9, 1968

Mrs. Jane Tolmach
Oxnard, California

Dear Jane:

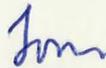

A copy of Charles Warren's letter to you inviting your participation on the Delegation Selection Committee has been forwarded to this office.

The Committee will meet, as Charles noted, this coming weekend, February 17-18. We are holding rooms for those of you who will want overnight accommodations and urgently ask you to complete and return the enclosed form so that we can make the necessary arrangements. If you will not be able to be present, please let us know this, too.

Various other materials have been sent out to the Selection Committee members, such as forms on which to list the names of individuals whom you would recommend for a spot on the Delegation and "Affidavits of Candidate for Delegate". These are included in this package and need your immediate attention.

Thank you for your cooperation.

Sincerely,

Thomas N. Saunders

MEMORANDUM TO: Mrs. Jane Tolmach
FROM: Charles Warren
SUBJECT: Affidavits of Candidate for Delegate

One of the major tasks which faces us is the securing of an "Affidavit of Candidate for Delegate" from each delegate. These -- all 174 of them -- must be filed with the Secretary of State in Sacramento before we can circulate petitions. It is our intention to file at the earliest possible instant (March 4, 1968) in order to have maximum time to obtain the 14,000 signatures required.

Since it is a reasonable presumption that the Selection Committee will officially designate you as a Delegate, we are asking you to complete the attached affidavit now, so as to ease our burden later. We would appreciate receiving two originally signed copies. If you have any problem "precincting" your affidavit, we will fill in those spaces by checking with your County Clerk of Registrar of Voters.

Thank you for your cooperation.
