

Like a gentle forever flowing river  
my feelings, my thoughts behold the  
beauty of life

& of the immediate  
my darling, this house of comfort  
where we can share our work and play,  
This giving and taking...  
the many rooms, the conveniences,  
the wood, the furniture, the  
warmth, our warmth...

I thank you, my Vince, for loving me  
for letting me love you
