And to make it happen so that we can all get together and just see each other and socialize. Especially since for some of us, we haven't seen each other for a long time and we don't get the opportunity to see each other like this very often. So for me it is a very special thing and I'm sure it is for my husband.

00:46:49:01 - 00:47:24:06

Unknown

She, my and great and they put in a lot of work and energy to make it happen. So I want to say thank my husband. The real was alive for me and making this family tree. And I mean, even when I looked at it, I just couldn't believe where we all kind of are. I know that he had to take a lot of time and we had to call a lot of people and.

00:47:56:22 - 00:48:12:12

00:48:13:07 - 00:48:43:09

Unknown

Now I have to and it's not. And we don't get the opportunity to really go ahead and get our families together like this very often. If we could take the time of living like maybe my Uncle Pete introducing his family so that everybody knows his family and his children and his grandchildren, and then we'll go through my mom's not here, but we'll go through my mom and my sister.

00:48:43:09 - 00:48:53:16

Unknown

Robin can introduce our family and then my mom can introduce his family. All of us get familiar and know.

00:48:53:22 - 00:48:56:14
