

Dear Fellow Democrat:

You have shown at various times an interest in working for the Democratic Party. If you are not now a member, you are invited to join the Oxnard Democratic Club. You are also invited to attend the club meetings whether you are a member or not. There is a tendency among some Democrats to be complacent after our victories last fall. Instead, I feel that this is the time to work harder.

This is especially true in this Congressional District. The Republican incumbent garners thousands of Democratic votes year after year. The Democratic Clubs in this district are trying to develop a program to change this. By joining the Oxnard club and attending the meetings, you can take part in forming this program. You can also get first-hand information about other clubs and about conferences and conventions. We are about to start a study program of 1960 issues.

Try to attend the next meeting of the Oxnard Democratic Club which will be at 8 P.M. on July 27, 1959, at the Southern California Edison Co. Building. Politics in the years ahead is sure to be exciting. Be a participant, not a spectator.

Sincerely yours,

President

Oxnard Democratic Club
